WELCOME

Falls Ride is the public transportation system for the City of Wichita Falls. Buses travel along seven routes which are distributed geo-graphically across the City. Transfer hubs are located at Sikes Senter Mall and at 4th and Scott, near MPEC. Service is provided Monday through Saturday. The times for weekdays and weekends are listed on the individual route schedules, located in this booklet.

Falls Ride offers a safe, reliable, and affordable transportation alternative for the citizens of Wichita Falls. It is our goal to provide this service in a courteous, and professional manner.

Falls Ride is operated by the City of Wichita Falls, and we welcome your suggestions and comments about our transit system. Please call us at 761-7433 if we can be of assistance to you in any way. Look us up on the Web at www.fallsride.com! You can also email us at Transit.dispatch@wichitafallstx.gov.

HOW TO RIDE

Buses pick up passengers only at designated stops that can be identified by bus stop signs. Arrive at your pick up point at least 5 minutes before the scheduled departure time. Signal the driver by waving your arm.

When the bus approaches, look at the route color and name located above the windshield to make sure you are boarding the correct bus. If you're not sure, ask the driver. Have your fare or pass ready to deposit. When the bus comes to a complete stop, wait for passengers to exit before boarding. Place your money into the fare box or hand your pass/transfer to the driver for verification before taking a seat. Drivers are not allowed to handle fares or make change.

Ask the driver for a transfer if your trip requires you to ride a second bus. The transfer is good for one hour from the time it is issued. Give the transfer to the driver of the second bus you board. When the bus is approximately one block away from your stop, push the signal strip located beside the window, or verbally inform the driver. Remain seated until the bus comes to a complete stop and then exit through the door.

Be sure you have all your belongings with you. It is recommended you wait on the curb until the bus has pulled away before attempting to cross the street. Never cross in front of or behind a standing bus.

DOUBLEMAPS/WIFI

FallsRide passengers can now track their bus using the DoubleMaps system. This will allow passengers to know the status of their bus and able to plan their trip. Passengers can post, tweet, connect and follow – all while traveling to their destination. Writing the next great novel or finishing up that last minute homework assignment can be a breeze while traveling with FallsRide. Passengers can stay connected as they travel using the complimentary Wifi, which is available on all buses at no charge.

The DoubleMaps app is available on Google Play and Apple App Store.

SERVICES

The Wichita Falls Transit System operates a Route Deviation/Demand Response system, for passengers who may not be able to get to a regular bus stop. Under this system, buses will deviate for a distance of up to $\frac{3}{4}$ mile from the regular route to pick up and drop off passengers.

Reservations must be made least one day before the trip is to be taken. Deviations are available during regular route times Monday thru Friday between the hours of 5:00 a.m. and 6:30 p.m., and on Saturday from 10:00 a.m. and 4:00 p.m.

To make a reservation, or for more information, please call 940-761-RIDE (7433) or email Transit.dispatch@wichitafallstx.gov and speak with our dispatcher.

THE GROCERY CART

Falls Ride offers a subscription service to individuals 60 years of age and older or those with certified disabilities, that allows the passenger to be picked up at their residence and dropped off at their local Walmart grocery store for one hour, to buy groceries. The bus waits for one hour to make their purchases, and then loads everyone up for the return trip to their residences. This service is offered on a first come first serve basis, and reservations must be made in advance for the day the passenger wishes to travel. The cost of this service is \$3.00 for the round trip. The trips are scheduled for Monday, Tuesday, Wednesday, and Thursday of each week, and the bus begins picking up passengers at 9:00 a.m. To make a reservation for a grocery cart run, please call 761-7433 or email Transit.dispatch@wichitafallstx.gov and speak with our dispatcher.

TOUCHPASS ELECTRONIC FARE

FallsRide has launched an electronic fare system called TouchPass. This system has eliminated paper card passes and allow passengers to use a reloadable card as well as using the TouchPass Transit app on their phones, which can also be used as a payment option. Cash will still be accepted.

The TouchPass app is available on Google Play and Apple App Store.

NIGHT CRAWLER (After Hours Service)

FallsRide now offers a call ahead after-hours service. This is a work to home or home to work service only. Service must be within the Wichita Falls city limits. Passes can be purchased at the Clarence W. Muehlberger Travel Center (306 Scott St.) for \$30.00 via the TouchPass system. Passengers may also pay in cash when boarding the bus. The fare is \$3.00 per trip. Reservations must be made no later than 3 p.m. Monday thru Friday and reservations for Saturday must be made on Friday before 3 p.m. by calling 940-761-RIDE (7433) or by email Transit.dispatch@wichitafallstx.gov.

SECTION 5310 MEDICAL TRANSPORTATION PROGRAM

FTA 5310 grant funds are intended to provide assistance in addressing transportation needs of the elderly and persons with disabilities. The Legislature and federal programs intend for funds to be used in communities for trips that allow the elderly and disabled to gain access to health related services so that they may live as independently and productively as possible. The goal of the Section 5310 program is to improve mobility for elderly individuals and individuals with disabilities throughout the country. Towards this goal, FTA provides financial assistance for transportation services planned, designed and carried out to meet the special transportation needs of elderly individuals and individuals with disabilities in all areas - urbanized, small urban, and rural. The program requires coordination with other federally assisted programs and services in order to make the most efficient use of Federal resources.

Elderly Individuals include, at a minimum, all persons 65 years of age or older. Individuals with a Disability means an individual who, because of illness, injury, age, congenital malfunction, or other incapacity or temporary or permanent disability (including an individual who is a wheelchair user or has semi-ambulatory capability), cannot use effectively, without special facilities, planning, or design, public transportation service or a public transportation facility. 49 U.S.C. 5302(a) (5) A disability substantially limits one or more of the major life activities of such an individual. It also includes a record of such impairment or being regarded as having such an impairment. An individual with a disability does not include an individual who is currently engaging in the illegal use of drugs.

To see if you qualify for this Medical Transportation Program, contact our scheduling representative at (940) 761-7424. Tell them that you wish to see if you qualify for free transportation to and from your medical appointments.

TRANSIT HISTORY

Public transportation services have been available to the residents of Wichita Falls since 1909. In its beginnings, rail was the primary form of transportation within the city. In 1935, street cars were discontinued and buses were introduced.

Until 1950, the bus lines were managed by Wichita Transit Company. The system was then handed over to Wichita City Lines (National City Lines), and was owned and operated by the private company. In 1971, the City of Wichita Falls assumed ownership and operation of the service and changed the name to Wichita Falls Transit System (WFTS). In 2008, the City of Wichita Falls approved a new transit system and adopted Falls Ride as the new name.

READING A SCHEDULE

One weekday afternoon you decide to leave the **Wichita Falls Public Library** to travel to **Castaway Cove Water Park** for the remainder of the afternoon. Turn to the system map and find the route(s) that travels nearest to the Library and the Water Park. This trip is best served by the **BLUE EAST-SIDE ROUTE**. The schedule includes a map of the route. The map shows the names of the streets traveled along the route as well as the direction the bus travels on these streets.

In this example you would board the bus at the Library, which is a scheduled stop at the 7th minute of every hour. You would need to get off the bus at the Water Park, which is a bus stop but does not have a specific time of arrival.

Reading across the top row, you will find the names of the key designated stops along the route. **Read down the column beneath Public Library, choose the most convenient departure time, perhaps 12:07 PM.** Now read directly across from 12:07 PM, you will not find a time the bus arrives at the **Water Park** since it is not a scheduled stop. The next nearest scheduled stop is at **US 287 at Wayfarer at 12:42**, one stop after passing the Water Park. The bus will stop at the Water Park, and you can assume you will arrive a few minutes before 12:42.

One of the simplest rules for using timetables is to read down for departure times, across for arrival times. In some cases, when you are not getting on or off the bus at a scheduled stop, you will need to add or subtract a few minutes to the listed time of the closest key designated stops you will board or get off the bus.

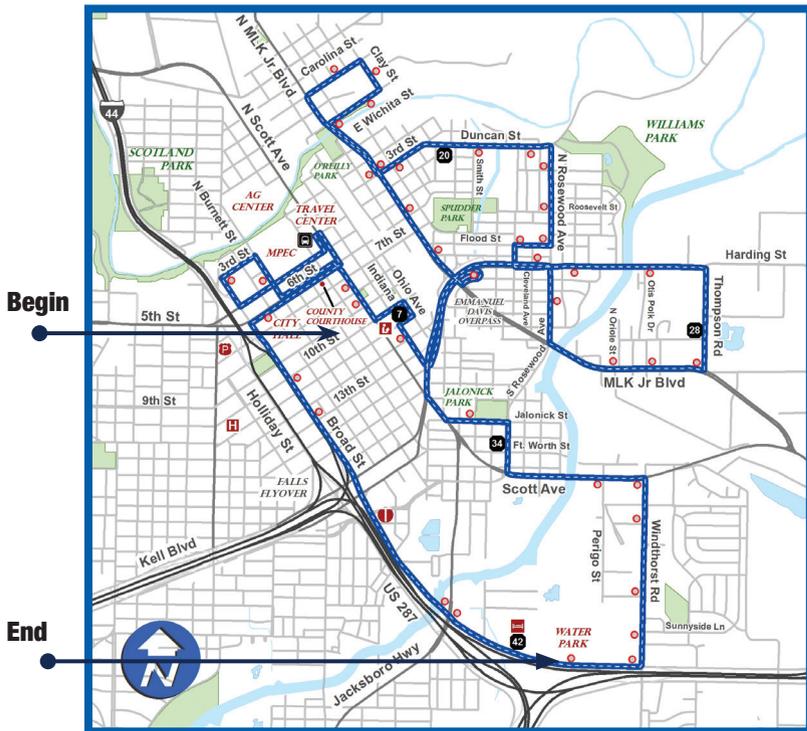

Additional route and schedule information can be obtained by calling one of our information tellers at 761-7433.
