

EARLY NOTICE AND PUBLIC REVIEW OF A PROPOSED ACTIVITY IN A 100-YEAR FLOODPLAIN

TO: ALL INTERESTED AGENCIES, GROUPS AND INDIVIDUALS

This is to give notice that The City of Wichita Falls, through its Code Enforcement Division, has conducted an evaluation as required by Executive Order 11988, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determination on Floodplain Management, to determine the potential effect that its activity in the 100-Year Floodplain will have on the human environment for 5114 Inlet Dr. Demolition Project 2025 under HUD Entitlement Grant # B-24-MC-48-0030. The City of Wichita Falls proposes to demolish a hazardous residential structure that is located in the 100-Year Floodplain encompassing a total of 0.27 acres. The proposed-projects include one structure, being located at 5114 Inlet Dr. in Wichita Falls, Wichita County, Texas.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information about floodplains can facilitate and enhance Federal efforts to reduce the risks associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.

Written comments must be received by City of Wichita Falls Code Enforcement Division at the following address before 11:59 PM on February 27, 2025: City of Wichita Falls Code Enforcement Division at 1800 7th Street, Wichita Falls, TX 76301 and 940-761-8841, Attention: Alex Borrego, Code Enforcement Supervisor. A full description of the project may be reviewed during the hours of 8:00 AM to 5:00 PM, Monday through Friday at the address listed above.
