

# NOTICE OF 2018 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF WICHITA FALLS

A tax rate of \$0.750000 per \$100 valuation has been proposed for adoption by the governing body of City of Wichita Falls. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Wichita Falls proposes to use revenue attributable to the tax rate increase for the purpose of general governmental operations such as Public Safety, Public Works, streets, Parks, and other general operations of the city.

PROPOSED TAX RATE	\$0.750000 per \$100
PRECEDING YEAR'S TAX RATE	\$0.705980 per \$100
EFFECTIVE TAX RATE	\$0.692806 per \$100
ROLLBACK TAX RATE	\$0.785145 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Wichita Falls from the same properties in both the 2017 tax year and the 2018 tax year.

The rollback tax rate is the highest tax rate that City of Wichita Falls may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS  
FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$

For assistance or detailed information about tax calculations, please contact:

Tommy Smyth  
Wichita County Tax Assessor-Collector  
600 Scott Street  
Wichita Falls, Texas 76301  
940-766-8200

## PREFACE

The 2018-19 adopted budget is organized to present general summary information first. This information includes the City Manager's Budget Message, revenue summaries by fund and expenditure summaries by fund and department. These summaries present the 2017-18 adopted and revised budgets, 2018-19 adopted budget and percentage changes between the 2018-19 adopted budget and the previous year. The revised budget for 2017-18 reflects changes through June 30, 2018 as a result of prior year balances in grant programs that were re-appropriated at the close of the 2016-17 fiscal year, City Council action for new appropriations and transfers between funds and/or departments, City Manager approved transfers within a department, and revisions between funds and/or departments that were anticipated to be necessary to complete the 2017-18 fiscal year.

Following the summary information, is detailed information for each budget unit by department. Generally speaking, a budget unit is defined as a division within a department or an organizational unit which can be identified clearly as a cost center. For coherence in presentation, these budget units are sorted by department and fund.

In most instances, three pages of information are provided for each budget unit. The first page provides summary information at the major expenditure class level. The major expenditure classes are:

- Personnel Services - Appropriations for employee salaries and benefits.
- Supplies - Appropriations for such items as office supplies, janitorial supplies, etc.
- Maintenance - Appropriations for such items as maintenance and repair of motor vehicles and heavy equipment, street repairs, etc.
- Services - Appropriations for such items as electricity, natural gas, telephones, professional services, etc.
- Insurance and Contracts - Appropriations for such items as workers' compensation, insurance, contributions to other agencies, etc.
- Debt Expenditures - Appropriations for costs associated with debt service payments on the City's outstanding bond indebtedness, etc.
- Other Expenditures - Appropriations for such items as travel, education registration, lease payments, administrative overhead, etc.
- Non Capital Improvements - Appropriations for improvements that are not classified as a fixed asset.
- Capital Improvements - Appropriations for capital items such as building improvements, purchases of motor vehicles, heavy equipment, etc.
- Other Financing Uses - Appropriations for operating transfers to and from other City funds.

The summary information presented for the major expenditure classes includes 2016-17 actual expenditures, 2017-18 adopted and revised budgets, 2018-19 adopted

budget and percentage change between the 2018-19 budget and the previous year. This information should allow you to identify any budgeting trends for the unit. Written commentary is provided also for each department to summarize the major functions of the department and highlight the reasons for any major expenditure changes for next year.

The remaining pages of the budget unit information presents a detailed breakdown of the budget by expenditure line item. Information is presented for each line item on 2016-17 actual expenditures, 2017-18 adopted and revised budgets and 2018-19 adopted budget. This information provides greater detail on expenditure trends and allows identification of the particular line items in which any increases or decreases in expenditures have occurred.

The appendix to the budget document provides information on personnel levels for each budget unit. The personnel schedule presents the position title and job code, the number of positions per job code and the number of full-time equivalents for each position code.

## **CITY OF WICHITA FALLS INTER-OFFICE MEMORANDUM**

**TO:** Honorable Mayor and Members of the City Council

**FROM:** Darron J. Leiker, City Manager

**DATE:** October 1, 2018

**SUBJECT:** 2018-19 Adopted Budget Message

---

Each year, the City administrative staff prepares a preliminary budget that is submitted to the City Council for its review. The City budget process provides the City Council an opportunity to consider and adopt a budget that serves as the financial guide for the work and service programs for the ensuing fiscal year operation. This annual operating budget, as adopted by the City Council, covers the fiscal period beginning October 1, 2018 and ending September 30, 2019.

### **BUDGET PREPARATION PROCESS**

The process for developing the preliminary budget that is presented to the City Council by the City Manager began in late March. At that time, all of the City departments and divisions sent representatives to a budget kick-off meeting to discuss the budget process. Staff was presented information on the revenue status of the organization and any unusual or large changes in expected expenditure requirements. The overall economic condition of the area, the city, and the organization was discussed and each department received necessary materials and information to formulate respective departmental budgets.

For the next several weeks, the various departmental budgets were formulated separately. Every department head was encouraged to prepare a funding request that was necessary to finance normal operations and to give consideration to areas that would address strategic goals of the City. Additionally, this year, each division was required to submit their major accomplishments, goals and performance measures for their operations. After compilation of the departmental budget requests, the budget staff and I met with department heads to discuss the budget requests in detail and began developing priorities. These budget hearings with the department heads identified major revenue and expenditure issues that would ultimately require City Council consideration. At the conclusion of these departmental hearings, the budget and management staff conducted additional meetings with department directors to analyze each budget request on a line-item basis. It is important to note, that during

these detailed work sessions, a total of \$5.1 million in budget cuts were made to the departmental requests. Once these adjustments were made, the overall revenue and expenditure picture of all the operating funds of the City organization started getting clearer.

At this point in the process, a workshop was conducted with the City Council to discuss major revenue and expenditure trends and significant issues that surfaced during the early stages of the budget process. This year, the workshop with the City Council was conducted on July 3<sup>rd</sup>. At this workshop, City Council was presented with operating revenue and expenditure issues that were expected to surface as the major budgetary considerations for the next fiscal year. The Council was made aware that revenues in the General Fund from the property tax and sales tax sources were showing moderate improvement based on the estimated property tax roll submitted by the Wichita County Appraisal District, and recent upward trends in sales tax receipts. Additionally, the Council was provided with information that showed how the City's pay and benefit programs had fallen behind market averages when compared with programs of several other benchmark cities. Staff also explained that our fund balance in the General Fund was slightly below desired levels, while other funds were at, or above, desirable levels. At the conclusion of the workshop, the City Council was asked to provide feedback on the items discussed in the workshop. That feedback was given consideration when formulating the preliminary operating budget. The preliminary budget was then discussed at City Council budget hearings, public hearings were conducted, and ultimately the City Council adopted the budget on September 18, 2018.

In addition to this annual operating budget, which identifies the budgetary requirements to operate the City organization for one fiscal year, staff prepares a Capital Improvement Plan (CIP) that focuses on the capital budgeting needs over a multi-year basis. In developing a CIP, department heads are asked to include requests for capital improvement projects that may be required over the next five years. In the CIP that has been prepared by the staff, capital improvements are defined as tangible equipment items, one-time projects or large maintenance projects. The benchmark established for a request to be included in the CIP is that the total cost of the request must exceed \$25,000. The objective of that process is to develop a planning tool that identifies large tangible projects that may be needed in the next five years and to identify potential funding sources to finance those projects.

It should be noted that many of the projects listed in the later years of the CIP may require long term debt financing to actually generate the funds necessary to accomplish those projects. Such debt financing, if approved, could have consequences on the property tax rate and/or other service charges to repay that debt. Therefore, although these projects are included in the five year CIP, they will require future financial decisions of the City Council before they can be accomplished. The 2019-2023 CIP that has been approved by the City Council is a separate document from the Annual Operating Budget, but was also adopted by the City Council in September. It is also important to note, that when the City Council adopts the Five-Year CIP, only the projects outlined in the 2018-19 fiscal year have committed funding sources and the projects listed in the later years of the document are identified for planning purposes only.

It should also be noted that the 2019-2023 CIP is largely made up of projects that were identified as high priorities last fall when the staff and Council went through an in-depth review of major capital improvement projects to begin addressing the City Council's adopted strategic goal of "providing adequate infrastructure". Although many of those projects were not approved by the voters in the election held in May 2018, they still remain high priorities of the staff and Council and are reflected in the later years of the CIP.

In this budget message, I have attempted to highlight the major revenue and expenditure issues for the City over this next fiscal year.

### **TOTAL EXPENDITURE BUDGET OVERVIEW**

The total City budget for the 2018-19 fiscal year is \$178,442,949, which is an increase of \$4,449,920, or 2.56% from the 2017-18 adopted budget. The table below compares total expenditures by category of the 2018-19 Adopted Budget to the 2017-18 Adopted Budget. More details will be provided in the following sections about the primary causes for this change, but as noted below, the largest dollar increase is reflected in Personnel and is due principally to a 3% across the board pay increase to all of the City's pay plans, step/merit pay, and increased contributions to the Employee/Retiree Health Insurance Program.

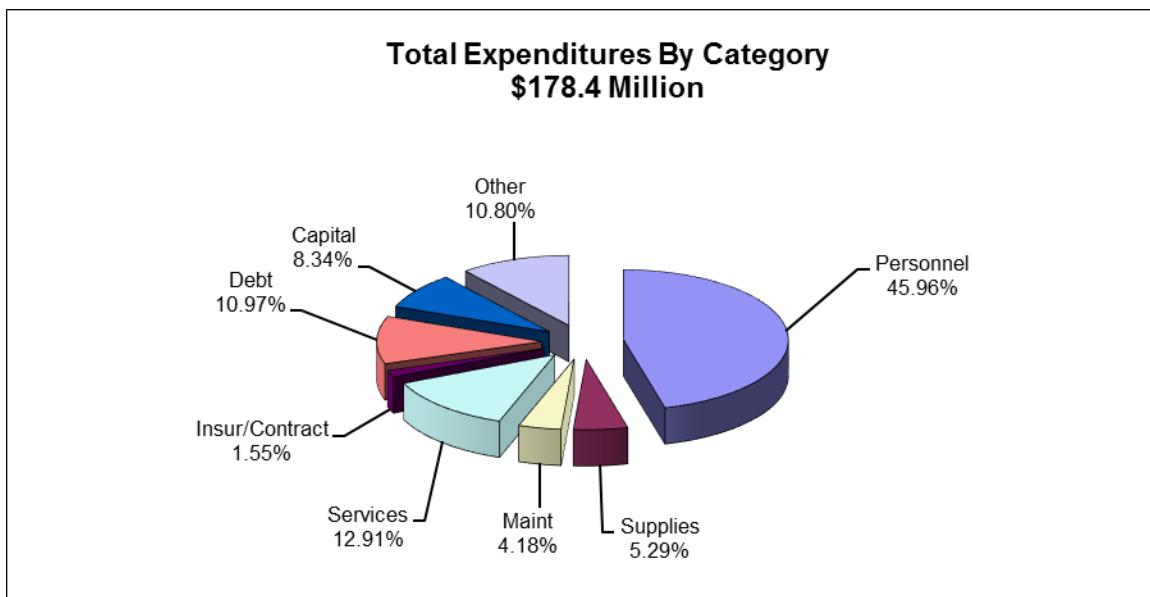

Service Accounts also represent a large increase in the total budget and is due primarily to higher Central Garage Service Charges to the departments for fueling, maintaining, and replacing motor vehicles. There is also an increase in professional services budgeted to update the City's Sewer System Master Plan.

Debt Service expenses reflect an increase to begin the first payment for 20-Year General Obligation Bonds that were issued for Street Improvements resulting from the May 2018 bond election.

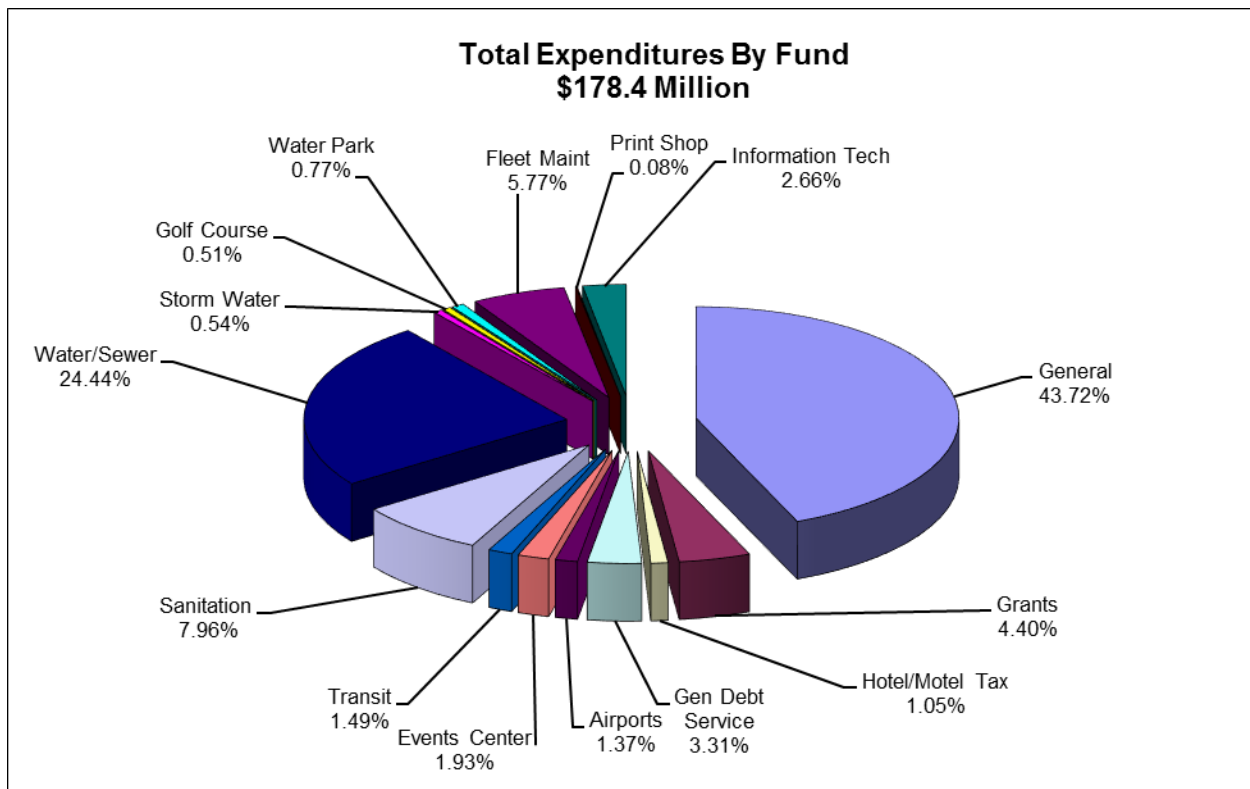

Some of these increases have been offset, however, by a reduction in Capital Outlay principally because the prior budget included \$3.5 million for the final phase of the Kemp/Monroe Drainage Program. In the 2018-19 budget, funds aren't yet available to pay for a major storm water project, but we are budgeting approximately \$2 million in the Information Technology Fund to replace the Computer Aided Dispatch and Records Management System for Public Safety.

Total Budget Expenditures				
Category	2017-18 Budget	2018-19 Budget	Amount Change	% Change
Personnel	\$ 79,162,680	\$ 82,005,115	\$ 2,842,435	3.59%
Supplies	\$ 8,945,195	\$ 9,448,487	\$ 503,292	5.63%
Maintenance	\$ 7,155,996	\$ 7,454,747	\$ 298,751	4.17%
Services	\$ 21,931,442	\$ 23,045,214	\$ 1,113,772	5.08%
Insurance/Contracts	\$ 2,740,029	\$ 2,774,278	\$ 34,249	1.25%
Debt Service	\$ 18,493,398	\$ 19,567,413	\$ 1,074,015	5.81%
Capital Outlay	\$ 16,757,333	\$ 14,874,636	\$ (1,882,697)	-11.24%
Other Uses	\$ 18,806,956	\$ 19,273,059	\$ 466,103	2.48%
Total Expenditures	\$ 173,993,029	\$ 178,442,949	\$ 4,449,920	2.56%

The following pie chart shows the same expenditures by major category, but as a percentage of the total budget. Personnel expenses make up the largest category of municipal spending at 45.96%. Services, such as utilities, professional services, and central garage charges make up the next largest spending category at 12.91%. Debt service payments on the City's outstanding bonds make up 10.97% of all spending.

The chart below shows the breakdown of the total budget by the City's various operating funds. As indicated in the chart, spending in the General Governmental Fund, Water/Sewer Fund and Sanitation Fund make up 76.12% of all City expenditures.

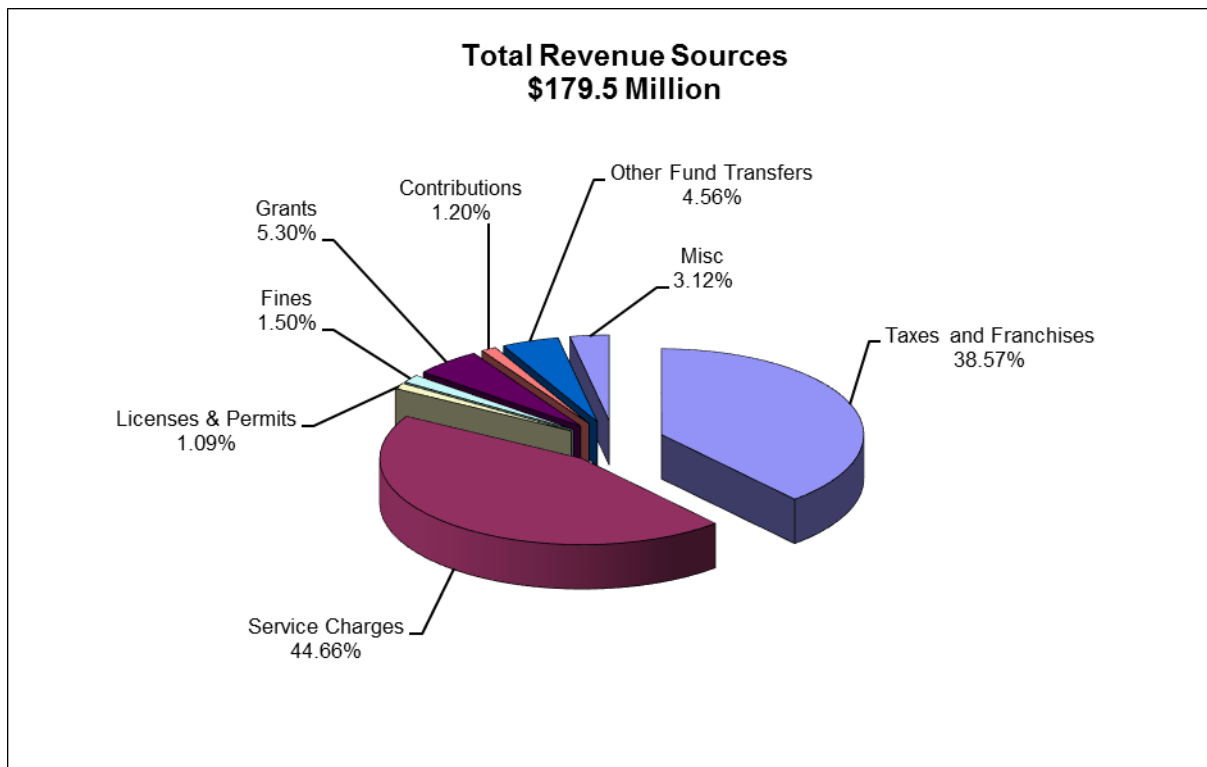

### TOTAL REVENUE BUDGET OVERVIEW

Total revenues for the 2018-19 budget, not including fund balance appropriations, are projected at \$179,534,242, which is an increase of \$5,934,615, or 3.42% from the 2017-18 adopted budget. The principal reasons for this change will be discussed in detail in the following sections. However, as indicated in the table below, Taxes/Franchises make up the largest portion of this increase because of growth in the property tax base, increased property tax rate for debt service payments on the bonds issued for street improvements, and increasing sales tax receipts. The primary reasons for the increase in Service Charges is reflected in higher Central Garage Charges to the user departments for rising fuel prices and vehicle maintenance costs, and revenue from Sanitation Collection Charges resulting from an increase in rates of 6% to all customer classes.

Total Budget Revenues				
Category	2017-18 Budget	2018-19 Budget	Amount Change	% Change
Taxes and Franchises	\$ 65,963,784	\$ 69,249,854	\$ 3,286,070	4.98%
Service Charges	\$ 78,170,177	\$ 80,187,254	\$ 2,017,077	2.58%
Licenses & Permits	\$ 1,973,904	\$ 1,950,613	\$ (23,291)	-1.18%
Fines	\$ 2,552,000	\$ 2,700,000	\$ 148,000	5.80%
Grants	\$ 9,071,353	\$ 9,512,564	\$ 441,211	4.86%
Contributions	\$ 2,509,557	\$ 2,147,268	\$ (362,289)	-14.44%
Miscellaneous Revenue	\$ 5,238,522	\$ 5,595,714	\$ 357,192	6.82%
Other Fund Transfers	\$ 8,120,330	\$ 8,190,975	\$ 70,645	0.87%
Total Revenue	\$ 173,599,627	\$ 179,534,242	\$ 5,934,615	3.42%

The chart below shows the breakdown of the City's revenue sources by category. It is important to note that approximately 45% of all City revenue is derived through service charges such as water sales, sewer charges, refuse collection charges, storm water fees, and internal service charges. Also, 39% is derived from taxes and franchises such as property, sales, and hotel/motel taxes, and payments from ONCOR Electric, ATMOS Gas, Spectrum, and various telecommunication providers.

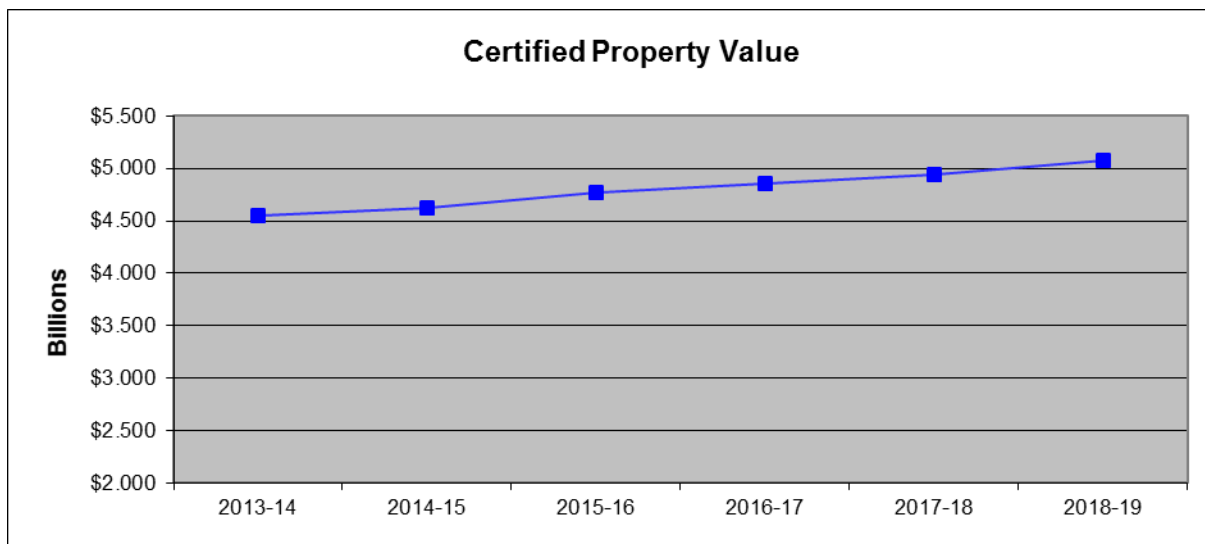

## GENERAL FUND REVENUES

General Fund Revenues, without reserve appropriations, total \$78,024,330, which is an increase of \$2,569,249, or 3.41% from the prior year adopted budget. Some of the primary changes in revenues, resulting in this increase are outlined in the table below.

General Fund Revenue				
Revenue Source	2017-18 Budget	2018-19 Budget	Amount Change	% Change
Property Tax	\$ 33,653,860	\$ 34,400,499	\$ 746,639	2.22%
Sales Tax	\$ 22,379,694	\$ 23,520,755	\$ 1,141,061	5.10%
Franchise Fees	\$ 6,163,497	\$ 5,936,142	\$ (227,355)	-3.69%
Payments In Lieu of Tax	\$ 1,099,024	\$ 1,382,106	\$ 283,082	25.76%
Municipal Court Fines	\$ 2,491,000	\$ 2,635,000	\$ 144,000	5.78%
Other Fund Transfers	\$ 5,207,736	\$ 5,369,111	\$ 161,375	3.10%
Interest Earnings	\$ 186,000	\$ 401,000	\$ 215,000	115.59%
Other Misc Revenue	\$ 4,274,270	\$ 4,379,717	\$ 105,447	2.47%
Total Revenue	\$ 75,455,081	\$ 78,024,330	\$ 2,569,249	3.41%

### **Property Tax Base:**

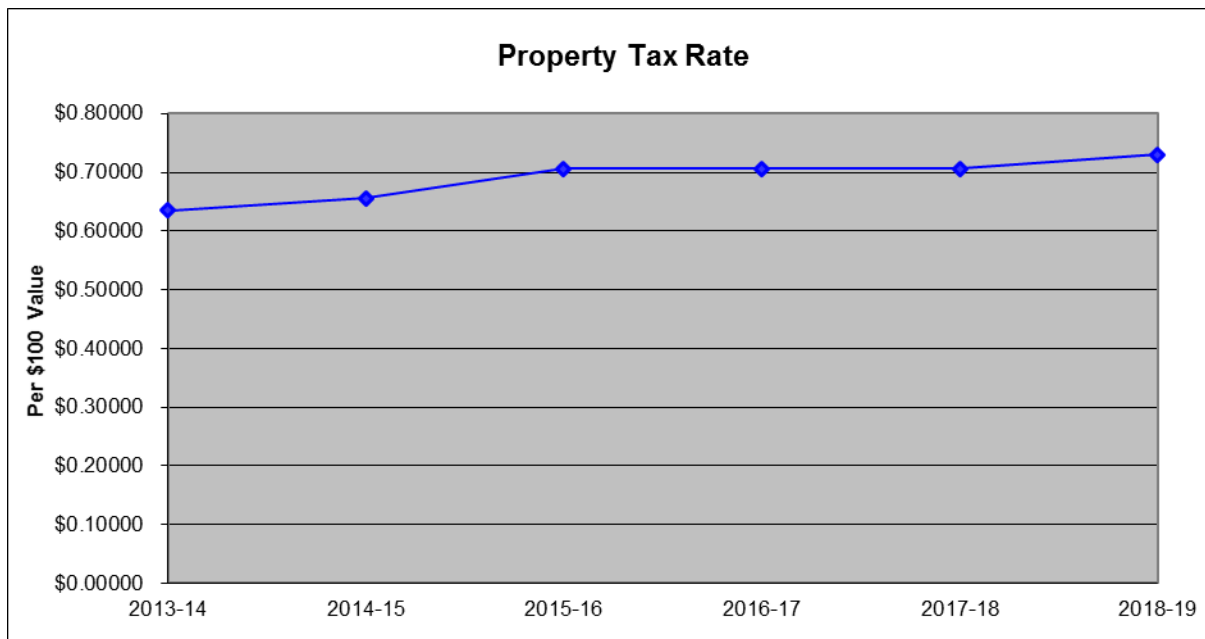

The Property Tax is the largest source of revenue in the General Fund and is relied upon heavily to provide general City services. The property tax base, as certified by the Wichita County Appraisal District, is \$5.08 billion, an increase of \$132.9 million, or 2.69% from the prior year. As indicated in the line graph and table below, over the last six years, the property tax base has grown only modestly, but fairly consistently. During that timeframe, the average annual growth rate in taxable property value has been 2.21%.

Certified Property Tax Values				
Fiscal Year	Taxable Value	Amount Change	% Change	Avg. Annual Change
2013-14	\$ 4,548,664,931			
2014-15	\$ 4,620,465,472	\$ 71,800,541	1.58%	
2015-16	\$ 4,767,682,652	\$ 147,217,180	3.19%	
2016-17	\$ 4,850,260,964	\$ 82,578,312	1.73%	
2017-18	\$ 4,941,651,841	\$ 91,390,877	1.88%	
2018-19	\$ 5,074,521,656	\$ 132,869,815	2.69%	
				2.21%

### **Property Tax Rate:**

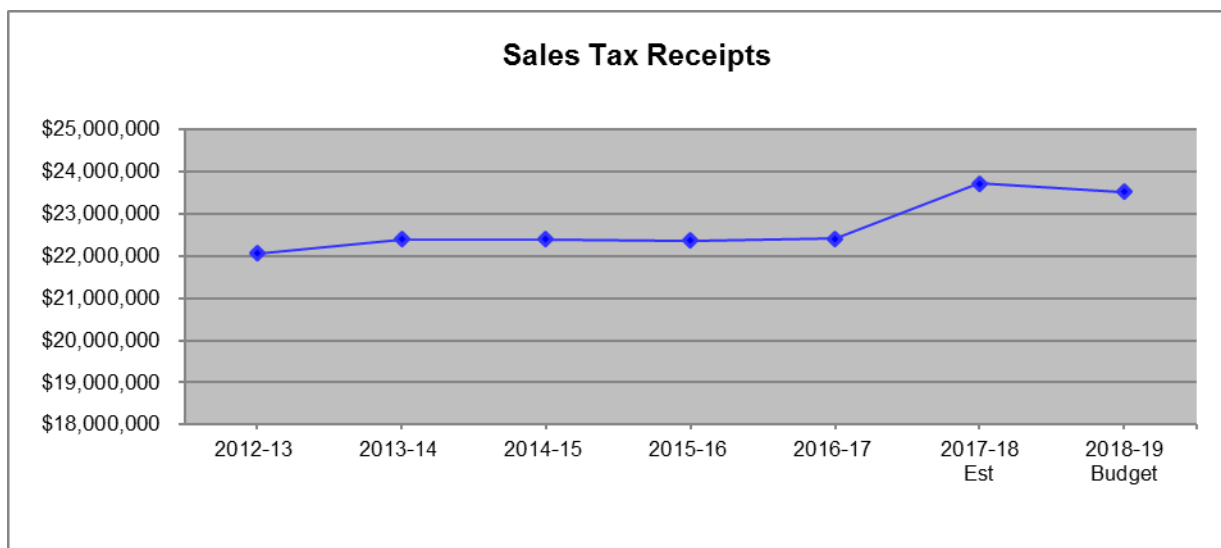

As indicated in the line graph and table below, the City Council approved an increase to the property tax rate twice over the last four years. These two tax rate increases were specifically to address employee pay related issues in the General Fund. In the 2018-19 budget, the tax rate is \$0.72988, which is an increase by 2.39 cents per \$100 of taxable property value. However, the additional revenue generated from this tax rate increase is accounted for in the Debt Service Fund and is needed entirely to pay for new debt payments on the 20-year General Obligation Bonds that were issued for street improvements. Property tax revenue to the General Fund is anticipated to grow by \$746,639, or 2.22%, and is based entirely on the growth in the tax base (net of growth in Tax Increment Financing Funds). It should be noted, that while this property tax rate is somewhat higher when compared to our benchmark cities, our tax base ranks near the bottom, generally resulting in less per capita revenue to provide basic governmental services.

Property Tax Rate				
Fiscal Year	Tax Rate Per \$100 Of Value	Amount Change	% Change	Avg. Annual Change
2013-14	\$0.63526			
2014-15	\$0.65526	\$ 0.02000	3.15%	
2015-16	\$0.70598	\$ 0.05072	7.74%	
2016-17	\$0.70598	\$ -	0.00%	
2017-18	\$0.70598	\$ -	0.00%	
2018-19	\$0.72988	\$ 0.02390	3.39%	
				2.82%

### **Sales Tax Receipts:**

The Sales Tax is the second largest revenue source of the City's General Fund, and is also relied upon heavily to finance the City's general operations. The City's General Fund receives 1% of retail sales and 0.50% for property tax relief. The line graph below illustrates historical trends in sales tax receipts. As can be seen in the graph, the growth in this revenue source from fiscal year 2013-14 to 2016-17 was very flat. However, through July 2018, receipts in the 2017-18 fiscal year were running 5.86% above the prior year. Revenue projections for 2018-19 were based on the current fiscal year estimate (through July) for the 1% portion of the tax, and the previous twelve months of receipts for the portion being received for property tax relief. As a result, sales tax revenues for the 2018-19 budget are projected to be \$23,520,755, which is \$1,141,061, or 5.10% above the prior year budget. This revenue forecasting methodology does not apply future growth because the average annual increase in sales tax receipts for the City of Wichita Falls over the last five years has only been 1.46%.

**Franchise Fees:**

The City receives payments from ONCOR Electric, ATMOS Gas, Spectrum, and various telecommunication providers for the use of the City's right-of-ways for their distribution lines. This proposed budget applies a three-year average of payments from ONCOR and ATMOS to arrive at the revenue projection for those franchises. The budgeted amount for Spectrum is based on current year estimates, and the amount from telecommunication providers is based on the most recent number of access lines in our right-of-ways. When applying these forecasting methods, the budget includes \$5,936,142 from these franchises, which is a reduction of \$227,355, or 3.69% from the prior year.

**Payments-In-Lieu of Taxes:**

The City receives payments-in-lieu of property taxes from a few industries that are located outside the city limits as part of non-annexation agreements. These agreements guarantee that the City will provide fire protection services and won't annex the industry into the city limits, in exchange for a payment to the City that is based on a percentage of what they would have paid in property taxes had they been located inside the city limits. For the 2018-19 fiscal year, three positive things are happening that will cause this revenue source to increase from the prior year: 1) a few of these industries have substantially more taxable property value compared to the prior year; 2) the increase in the property tax rate; and 3) a few of the agreements call for a higher percentage of payment to the City during the 2018-19 fiscal year. As a result, this revenue source is projected at \$1,382,106, which is an increase of \$283,082 from the prior year.

**Municipal Court Fines:** It is anticipated that the average fine amount and the number of tickets issued at the Municipal Court will increase revenue by \$144,000 in the 2018-19 fiscal year.

**Other Fund Transfers:** All non-General Fund operations receive administrative support from General Fund operations for such things as Finance and Accounting, Purchasing, Human Resources, Building Maintenance, Legal, City Clerk, and other General Administration. Each year, the cost of these support services is allocated to the user departments through an administrative overhead charge. As the costs for these services increase, and/or other non-General Fund operations use a higher percentage of these services, the administrative overhead charges received in the General Fund increase. Additionally, enterprise operations like the Water/Sewer System and Sanitation System make a payment to the General Fund for use of the City's right-of-way similar to franchise fees from a privately run company. These "franchise fees" are based on a percentage of gross receipts for the enterprise operation. Furthermore, the Sanitation Fund continues to make a payment of \$800,000 to the General Fund for the Street Overlay Program. In total, these internal assessments are \$5,369,111, which is an increase of \$161,375, or 3.10% from the prior budget.

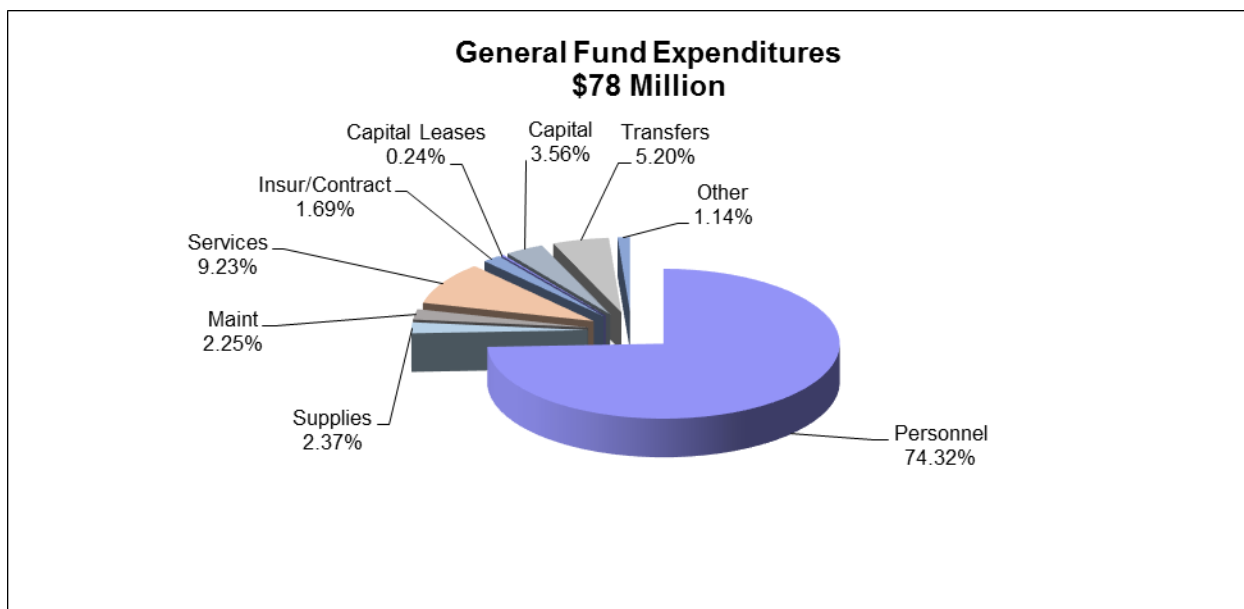

**Interest Earnings:** The City receives interest earnings from idle funds that are invested with local government investment pools and fixed income securities. Over the last decade, interest rates on our investments dropped to less than 0.25%. Needless to say, these interest rates resulted in very little revenue for the City. However, lately we

have seen these interest rates begin to rise, and currently we are earning approximately 1.75%. As a result, the budget shows an increase in interest earnings to the General Fund of \$215,000.

### GENERAL FUND EXPENDITURES

Expenditures in the General Fund total \$78,024,330, an increase of \$2,569,249, or 3.41% from the 2017-18 adopted budget. Some of the major highlights of the General Fund Expenditure Budget are illustrated in the table and chart below and described in more detail over the next several sections.

General Fund Expenditures				
Expenditures	2017-18 Budget	2018-19 Budget	Amount Change	% Change
Personnel	\$ 55,947,786	\$ 57,982,178	\$ 2,034,392	3.64%
Supplies	\$ 1,762,467	\$ 1,845,719	\$ 83,252	4.72%
Maintenance	\$ 1,827,444	\$ 1,758,987	\$ (68,457)	-3.75%
Services	\$ 7,090,483	\$ 7,202,736	\$ 112,253	1.58%
Insur/Contracts	\$ 1,356,535	\$ 1,321,068	\$ (35,467)	-2.61%
Capital Leases	\$ -	\$ 190,323	\$ 190,323	
Capital Improvements	\$ 2,856,383	\$ 2,781,194	\$ (75,189)	-2.63%
Other Fund Transfers	\$ 3,753,924	\$ 4,054,876	\$ 300,952	8.02%
Other Misc Expenditures	\$ 860,059	\$ 887,249	\$ 27,190	3.16%
Total Expenditures	\$ 75,455,081	\$ 78,024,330	\$ 2,569,249	3.41%

### **Personnel Expenses:**

Services provided in the General Fund include: Police and Fire, Municipal Court, Building Maintenance, Streets/Engineering/Traffic, Parks/Recreation/Library, Planning/Inspections/Property Mgt., Animal Services/Nursing/Environmental Health, and Administrative Support. As indicated in the chart above, the major expense in the General Fund is the cost of the personnel necessary to provide these services to the community. The 2018-19 General Fund budget dedicates \$57,982,178, or 74.32% of total spending on personnel related expenses. Personnel expenses in the General Fund represent an increase of \$2,034,392, or 3.64% above the 2017-18 adopted budget.

### **Pay Programs:**

The City's goal for employee pay and benefit programs is to remain near the market average when compared to our peer cities and other competitors, after adjusting for differences in the cost of living between these cities. We do not want these programs to fall behind the market average, which would negatively affect our competitive position in the workforce, nor do we want to get ahead of these cities, which would result in unnecessary spending. However, over the last several years, the downturn in our local economy has made it difficult to remain competitive in these important areas of the City organization. In the 2014-15 and 2015-16 budgets, increases to the property tax rate were required to bring our employee pay programs more in line with the market average. In the 2016-17 budget, a total of 22 full-time equivalent positions were eliminated to allow for a 1.5% pay increase across all of the City's pay plans (cost-of-living). In the prior budget, a cost-of-living adjustment wasn't possible. Because we have been unable to improve these plans much in the last two years, the latest survey information shows that beginning pay for our pay plans has again fallen behind our peers by approximately 6% in Police, Fire, and Non-Exempt pay plans. Our exempt employees fare a little better by comparison. Fortunately, the recent growth in General Fund revenue sources discussed above is generating needed revenue to address the pay plans in this year's budget without increasing the property tax rate for operations. I recommended, and the City Council approved, a 3% cost-of-living increase in the 2018-19 Adopted Budget. The personnel cost to the General Fund for this pay adjustment totals \$1,426,000. Although this amount will not catch our pay plans up with our peer cities, it should help to some degree, or at least keep us from falling further behind.

**Merit/Step Pay Programs:** The budget also includes funding to continue the merit and/or step pay program. This program is designed to reward existing employees for tenure and stability. All civil service police and firefighter positions receive an automatic 2% step pay increase for each additional year of service if they are not already topped out in their pay grade. All non-civil service employees receive a 2.5% merit pay adjustment on the anniversary of their hiring date if they satisfy minimum performance standards and are not at the top of their pay grade. This important program recognizes longevity and performance, and is an essential element of our pay plan. Without it, employees with long tenures and experience with the City would make the same pay as a newly hired employee in the same position classification with little or no experience. The program also serves as a tool to encourage improved job performance, as the merit pay adjustment can be deferred or withheld for unsatisfactory performance. The cost to the General Fund to maintain this program is approximately \$460,000. This program would cost more, but approximately 55% of fire civil service employees, 35%

of police civil service employees, and 10% of non-civil service employees are at the top of their respective pay grades.

The table below shows a history of pay plan adjustments that have been approved. As shown, in 5 of the last 11 budgets, we have been unable to provide a cost-of-living adjustment, and two of those years, we even deferred the merit/step program.

Pay Plan Adjustments		
Fiscal Year	Step Program	COLA Increase
2008-09	Yes	None
2009-10	No	None
2010-11	No	2.0%*
2011-12	Yes	1.0%*
2012-13	Yes	None
2013-14	Yes	None
2014-15	Yes	4.0%
2015-16		
Police	Yes	9.0%
Fire	Yes	7.0%
Civilian	Yes	1.0%
2016-17	Yes	1.5%
2017-18	Yes	None
2018-19	Yes	3.0%

Note: Asterisks indicate mid-year implementation.

Longevity/Stability Pay Programs: The budget also includes funding to continue the longevity and stability pay for our employees. Longevity pay is paid to civil service police and firefighter positions for each year of service up to a maximum of \$3,200 per year after 15 years of service. Employees receive this pay in their paychecks throughout the year. Stability pay is paid to our non-civil service employees in the amount of \$138 per year after one year of service to a maximum of \$1,210 after five years of service. Stability pay is distributed to employees in December of each year. Both of these pay programs compare better than our benchmark cities and help alleviate the difference from our benchmark cities to some degree. In total, the budget includes \$1,445,000 (\$832,000 for longevity and \$613,000 for stability) to continue these important pay plans for our employees.

Employee & Retiree Health Care: The General Fund also includes an additional \$314,000, or 4.92% more funding for the City's contribution to the Employee/Retiree Health Care Program. The cost for employee/retiree health care continues to rise at a fairly rapid pace compared to other expenditure categories. As a result, there is a need to increase City contributions in next year's budget to maintain health care benefits, at

or near, the same benefits that are currently provided. The program offered is a very typical employee health care program, with \$1,000 to \$2,000 deductibles, average premiums and co-pays. However, our program does have fairly high out-of-pocket maximums. Currently, employee/retiree premiums make up about 30% of the cost for health claims and City contributions make up the remaining 70%. In total, the budget dedicates \$10,255,000 to this program. The Employee Benefit Trust Committee, that is responsible for managing this program, met recently and was able to maintain the same level of benefits at the same employee/retiree premiums for the 2019 plan year.

Staffing Adjustments: As mentioned above, 22 full-time equivalent positions were eliminated in the 2016-17 budget to allow for a 1.5% cost-of-living adjustment. As indicated in the table below, the overall staffing levels in the General Fund for the 2018-19 budget have been held fairly constant. However, there have been a few notable adjustments:

- One additional position is budgeted in Community Development to address a backlog of water system backflow inspections. The State requires that these systems be tested periodically by a certified inspector to protect the water supply. This position will also work with property owners that are found through our sewer system smoke tests to have leaks in their private sewer systems. This position is budgeted in the Building Inspections Division, but the Water/Sewer Fund will pay for the cost through an inter-fund transfer.
- Fourteen seasonal positions routinely budgeted in the Parks Maintenance Division have been converted to seven full-time positions with benefits. This adjustment is an attempt to address the manpower shortage issues the Parks Department has experienced over the last few years due to the inability to promptly hire and maintain seasonal employees. It should also help address the growth in maintenance responsibilities that has occurred in this division over the last two decades such as the circle trail, numerous additional park amenities, and several new City facilities (Animal Reclaim Center, Regional Airport, Muehlberger Travel Center, Public Safety Training Center, etc.).
- One Traffic Control Technician position has been eliminated through attrition in the Traffic & Transportation Department as part of the savings resulting from the program to replace all of the older high pressure sodium street lights with newer LED lights.
- The General Fund includes funding to reclassify the Deputy City Clerk's position from part-time to full-time status. This additional help will be required to continue advancing the City's records management program.
- The General Fund includes \$10,000 to begin a more comprehensive internship program in our organization. One of the City Council's strategic goals is to consider internship programs to help retain young professionals from leaving the community by providing a marketable skill that we may be able to capitalize on once they finish high school or college.

General Fund Staffing Comparison		
Department	2017-18	2018-19
Administrative Services	77.19	77.13
Health	47.10	46.84
Finance	8.70	8.70
Police	295.50	295.50
Fire	161.50	161.50
Parks/Recreation	85.83	85.76
Community Development	27.71	28.96
Traffic & Transportation	16.10	15.10
Public Works	70.97	70.97
Legal	6.00	6.00
City Clerk	1.75	2.00
Total	798.35	798.46

### **Supplies:**

The Supply Accounts in the General Fund total \$1,845,719, which is an increase of 4.72% from the prior year. Notable causes for this increase include \$36,000 of additional spending for Fire and Police Clothing to provide gloves and boots for cancer protection and to more accurately reflect recent expenditure requirements. There is a \$24,000 increase budgeted to replace 2 Microfilm Reader/Printers for the Library and the iPads for Environmental Health. Lastly, the Traffic Division budget includes \$30,000 to improve the pavement markings on our roadways.

### **Maintenance:**

Maintenance Accounts in the General Fund total \$1,758,987, which is a reduction of \$68,457, or 3.75% from the prior year adopted budget. Much of this reduction is due to lower building maintenance expenses. Last year's budget included \$185,000 for feasibility study of renovating the City Hall and architectural and engineering work on the recommended approach to stabilizing the west wing of the facility; \$116,000 for elevator work at Library/Recreation facility; and \$86,000 for leveling and securing Fire Station 5 and remodeling restrooms at Fire Stations 5 & 6.

The 2018-19 General Fund budget for maintenance includes \$110,000 to replace several HVAC units at six facilities; \$32,000 to address flooring in several rooms in Police Station; \$104,000 to replace the roof at the Police Station; \$19,000 to replace the Library's stairwell carpet and elevator starters; and \$50,000 to install tile flooring and update the restrooms at Municipal Court. It should be noted, that \$200,000 and \$50,000 is budgeted in the Water/Sewer Fund and Sanitation Fund, respectively, for potential stabilization of the West Wing of the Memorial Auditorium.

**Services:**

The budget for the Services Accounts shows an increase of \$112,253, or 1.58% from the prior adopted budget. The areas increasing in this category include Central Garage Charges to user departments as prices for fueling our fleet and the cost to maintain it continue to rise, and the Parks Maintenance budget includes \$90,000 to hire the Work Services Corporation to mow, edge and blow the grass in 18 smaller parks. Some of these increases are offset, however, in the Traffic Control budget due to a reduction in electricity costs guaranteed to be lower due to installation of LED street lighting.

**Insurance and Contracts:**

The reduction of costs in Insurance and Contract Accounts is almost entirely related to a recent amendment with our ambulance service provider, which eliminated a \$25,000 annual payment to deliver ambulance response to the community.

**Capital Leases:**

The 2018-19 budget includes \$190,000 in the Traffic Engineering Division to begin a 5-Year lease payment for the recently acquired Traffic Signal Communication System and the payment of the 15-Year LED Street Light Program.

**Other Fund Transfers:**

This area of the budget represents an increase of \$301,952, or 8.02% from the prior year. Areas causing much of this change include: an increase of \$137,000 for support received from the City's Information Technology Fund; an increase of \$132,000 based on the current year estimated subsidy for MPEC operations; and \$160,000 to the Airport Fund as lower airport revenues are projected and there are no longer funds available in Kickapoo Airport to help with the debt service on the Regional Airport Terminal. Some of these increases are offset, due to a reduction of \$89,000 in subsidy for the Transit System as additional funding from the State has been awarded to the program, and Health Grant subsidies have been reduced by \$36,000.

**Other Miscellaneous Expenditures:**

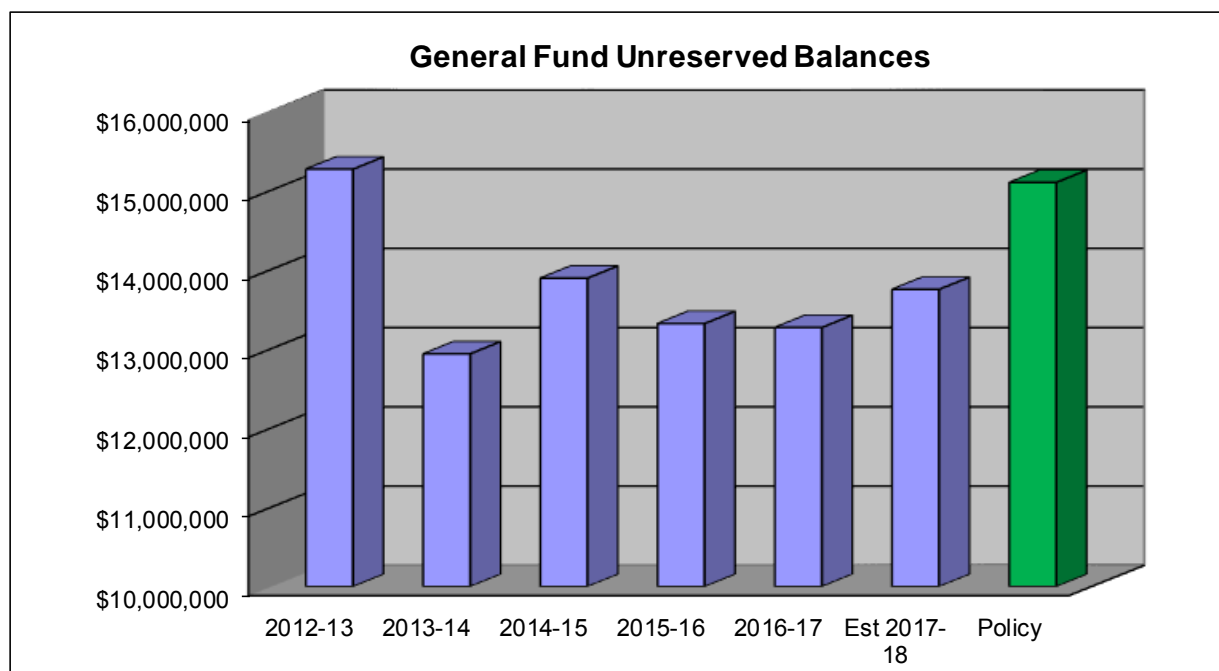

Other Miscellaneous Expenditures remain relatively unchanged from the prior year. There is one notable increase of \$15,000 in the City Council's budget to review and update its Strategic Goals. It has been two years since these goals and objectives were created and several of those objectives have been met. Additionally, several new City Councilors will be on the Council next year so it is important that they be allowed to provide input into that planning process. There is also an increase of \$10,000 budgeted to account for additional costs associated with our election agreement with Wichita County.

**GENERAL FUND RESERVE APPROPRIATIONS**

The City maintains reserves in the General Fund to be used for major emergencies such as a widespread tornado, large legal liabilities or important one-time expenditures. The Government Finance Officer's Association recommends maintaining a fund balance in the General Fund between 15 to 25% of the annual operational cost of the fund. The City's fund balance policy established a goal of maintaining 20% of expenditures in General Fund Reserves, which at present would be \$15.1 million. However, with poorly performing sales taxes, and the need to transfer \$1.9 million of

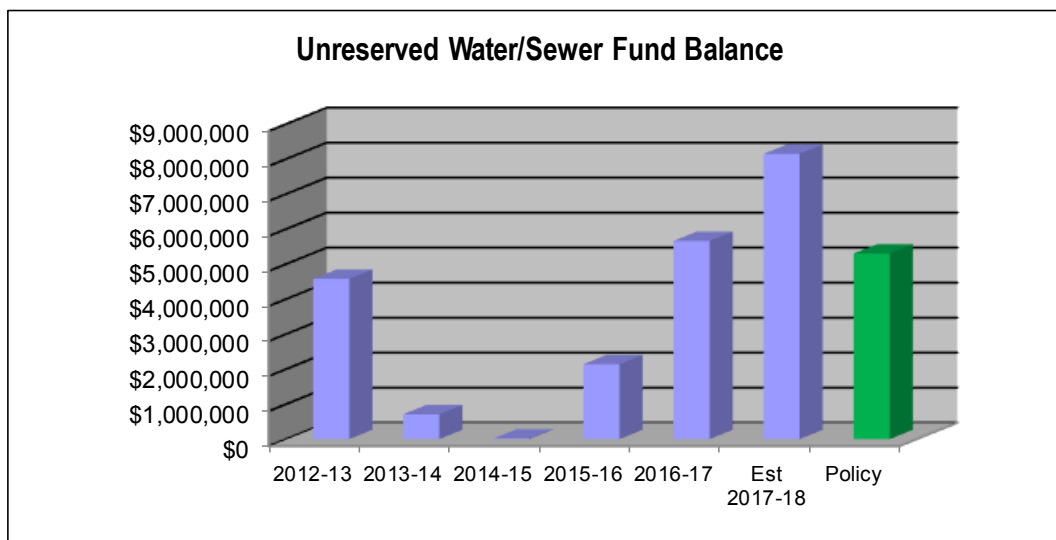

these reserves to the Information Technology Fund a few years ago for the replacement of the Public Safety Radio System, the unreserved fund balance is estimated to be \$13.7 million at the end of the 2017-18 fiscal year. As a result, General Fund Reserves are not at levels to finance any one-time capital improvements.

The chart below shows a six-year history of General Fund reserve balances. As mentioned above, General Fund reserves were relied upon four or five years ago for significant one-time capital improvements, reducing unreserved fund balances slightly below desired levels. Additionally, poorly performing sales tax revenue over this time has not provided any surpluses to help replenish those reserves.

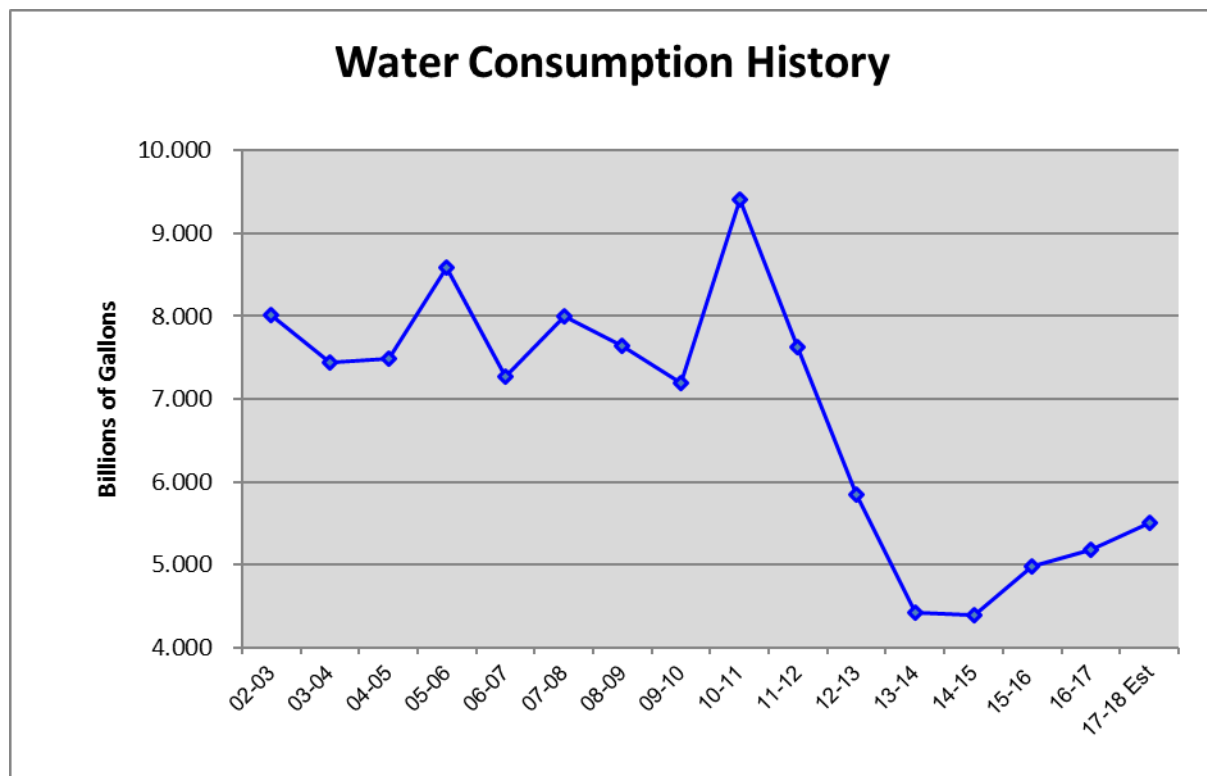

### WATER/SEWER SYSTEM FUND

The Water/Sewer System Fund has begun to show improvement over the last three years since the end of the drought of record. Although water production dropped to historic lows of 4.4 billion gallons in 2014-15, water rate increases that were approved in September 2014, along with slightly rising consumption, has allowed the City to replenish its Water/Sewer Fund reserves to approximately \$8.1 million. The City's fund balance policy sets our goal of retaining 17% of operating costs in reserve (not including debt expenditures), which is approximately \$5.3 million. This position is much improved, and is a significant relief, as we were at extremely low reserves in 2014-15 at the peak of the drought. In fact, our water revenue bond rating was lowered by one level when we issued bonds for the Direct Potable Reuse Project four years ago principally because of these low balances. We are optimistic that this credit rating will be reinstated the next time we are reviewed by Standard & Poor's and Moody's Rating Agency.

The line graph below shows historical water consumption since 2003. As can be seen, prior to the drought that hit in 2011, we were averaging about 7.6 billion gallons of water produced. However, without substantial population growth, we don't anticipate that water production will ever again reach those production levels. We have seen a modest increase in demand over the last three years since water restrictions were removed, but nowhere near pre-drought levels. It is estimated that water production will end the 2017-18 fiscal year at about 5.5 billion gallons produced. The 2018-19 budget applies a usage figure of 5.3 billion gallons to project revenues from water and sewer charges.

Revenues for the Water/Sewer System Fund are budgeted at \$43,326,521, which is an increase of \$737,924, or 1.73% from the prior year adopted budget. The budget anticipates 5.3 billion gallons produced compared to 5.2 billion gallons in the prior year budget (1.92% increase). In addition, revenues have been adjusted by nearly \$300,000 to reflect additional revenue resulting from the Advanced Metering Infrastructure (AMI) System. There is also a budgeted increase of \$260,000 for additional revenue anticipated from the investment of a larger pool of idle funds and rising interest rates being earned on those investments.

It should be noted, however, that the amount of this revenue increase would have been larger, but the latest rate study for our 15 wholesale water customers indicates that their rates should be lowered on average by 16%. This rate reduction is expected to lower revenue by approximately \$800,000 based on current usage patterns. The results of that study showed that there were two primary issues causing the decline in the cost of service in this year's wholesale customer rate study: (1) the retail customer base (Wichita Falls customers) increased its usage, while the wholesale customer's usage remained about the same; and (2) a significant shift in peak water use from the wholesale customer class to the retail customer base. This rate adjustment is required by contract.

<b>Water/Sewer Fund Revenues</b>				
Revenue Source	2017-18 Budget	2018-19 Budget	Amount Change	% Change
Water/Sewer Charges	\$ 41,329,097	\$ 41,730,021	\$ 400,924	0.97%
Other Service Charges	\$ 1,031,500	\$ 1,124,500	\$ 93,000	9.02%
Interest Earnings	\$ 100,000	\$ 360,000	\$ 260,000	260.00%
Miscellaneous Revenue	\$ 128,000	\$ 112,000	\$ (16,000)	-12.50%
Total Revenues	\$42,588,597	\$ 43,326,521	\$ 737,924	1.73%

This budget maintains the same water/sewer rates that have been in place since September 2014. At that time, the City was required to increase the rates substantially to address much lower water demand due to the drought, annual debt service for the Direct and Indirect Potable Reuse Projects, replenish reserve fund balances, and begin addressing a future water supply project at Lake Ringgold. When this rate increase was adopted, there were concerns that our rates were fairly high when compared to our peer cities. However, now that these rates have remained the same for four consecutive years, our utility bills for water and sewer services combined appear to be on average, or even slightly lower than our peer cities. The survey of water and sewer rates that is conducted annually by the Texas Municipal League is provided below.

Water/Sewer Combined Rate Survey 2018					
Population Group	# of Cities Reporting	5,000 Gal. (6.68 Units)	10,000 Gal. (13.37 Units)	50,000 Gal. (66.84 Units)	200,000 Gal. (267.38 Units)
2,000 OR Less	267	\$ 70.11	\$ 102.05	\$ 465.74	\$ 1,705.16
2,001 - 5,000	121	\$ 68.67	\$ 103.18	\$ 497.83	\$ 1,853.31
5,001 - 10,000	83	\$ 65.96	\$ 100.29	\$ 474.86	\$ 1,741.49
10,001 - 15,000	41	\$ 63.65	\$ 99.72	\$ 532.03	\$ 1,898.28
15,001 - 20,000	33	\$ 61.74	\$ 98.00	\$ 480.59	\$ 1,688.18
20,001 - 25,000	14	\$ 74.20	\$ 113.09	\$ 546.51	\$ 1,970.55
25,001 - 30,000	10	\$ 67.70	\$ 111.58	\$ 555.26	\$ 2,101.43
30,001 - 50,000	24	\$ 67.26	\$ 111.81	\$ 564.62	\$ 2,018.97
50,001 - 75,000	9	\$ 59.84	\$ 99.50	\$ 530.87	\$ 1,917.50
75,001 - 100,000	8	\$ 46.36	\$ 76.93	\$ 367.62	\$ 1,250.31
100,001 - 200,000	19	\$ 58.71	\$ 97.65	\$ 491.09	\$ 1,757.02
200,001 - 350,000	5	\$ 56.19	\$ 105.20	\$ 526.83	\$ 1,826.80
350,001 - 500,000	1	\$ 56.55	\$ 91.40	\$ 533.33	\$ 1,634.33
More Than 500,000	3	\$ 75.55	\$ 150.74	\$ 636.15	\$ 2,301.52
<b>Total / Averages</b>	<b>638</b>	<b>\$ 67.57</b>	<b>\$ 102.49</b>	<b>\$ 489.05</b>	<b>\$ 1,784.90</b>
<b>WF Rates</b>		<b>\$ 62.24</b>	<b>\$ 99.66</b>	<b>\$ 488.80</b>	<b>\$ 1,621.85</b>

The 2018-19 expenditure budget for the Water/Sewer System Fund is \$43,611,521, which is an increase of \$1,022,924, or 2.40% from the prior year adopted budget. It should be noted, that the 2018-19 budget plans for the use of \$285,000 of fund balance. The table below identifies the most notable areas of increase in this budget.

Water/Sewer Fund Expenditures				
Expenditures	2017-18 Budget	2018-19 Budget	Amount Change	% Change
Personnel	\$ 9,998,380	\$ 10,465,336	\$ 466,956	4.67%
Supplies	\$ 2,965,073	\$ 2,608,889	\$ (356,184)	-12.01%
Maintenance	\$ 1,605,043	\$ 1,841,521	\$ 236,478	14.73%
Services	\$ 4,480,790	\$ 4,612,515	\$ 131,725	2.94%
Insur/Contracts	\$ 920,894	\$ 1,000,974	\$ 80,080	8.70%
Capital Improvements	\$ 5,684,865	\$ 5,787,850	\$ 102,985	1.81%
Debt Expenditures	\$ 12,619,646	\$ 12,758,755	\$ 139,109	1.10%
Other Fund Transfers	\$ 2,843,829	\$ 3,078,142	\$ 234,313	8.24%
Other Misc Expenditures	\$ 1,470,077	\$ 1,457,539	\$ (12,538)	-0.85%
<b>Total Expenditures</b>	<b>\$ 42,588,597</b>	<b>\$ 43,611,521</b>	<b>\$ 1,022,924</b>	<b>2.40%</b>

### **Personnel Services:**

Personnel Accounts represent an increase of \$466,956, or 4.67% from the prior year. Much of this increase is due to the 3% cost-of-living and merit pay program adjustments that was approved, along with increased contributions to the Employee Health Insurance Program. The remainder of this increase is attributed to the addition of the following three positions.

- Heavy Equipment Operator. Water Distribution must perform excavations to repair or modify the Water Distribution system and customers expect prompt repairs and services restored. Over 2,000 excavations are conducted each year, and a majority of them are made after hours and on weekends. This additional Heavy Equipment Operator will expand our responsiveness to customers and our depth of personnel. An additional benefit of this position will be to supplement the Dead End Main Flushing Program during slow maintenance periods by proactively reducing the number of dead end mains through looping, rerouting service, and/or deletion. The Dead End Main Program is mandated by the TCEQ,
- Utility System Worker III. Water Distribution and Wastewater Collections should be responding to an estimated 7,200 locate requests for water, sewer, and storm water piping each year according to data collected from One Call ticket volume. According to research, we are only receiving about 1,600 requests per year as contractors or citizens believe calling 811 handles all infrastructure, including water, storm water, and wastewater. This position will allow us to join the 811 Call System and respond to all requests for line spotting prior to construction jobs.
- Lead Wastewater Plant Operator. The latest plant expansion for the Indirect Potable Reuse System and tighter permit requirements from the TCEQ have caused the staff to fall below needed staffing levels for this work. Currently, we have difficulty meeting the requirements for operators as prescribed by the TCEQ. This additional position will help meet those requirements.

#### **Supply Accounts:**

As shown, Supply Accounts have decreased \$356,184, or 12.01% from the prior year adopted budget. This reduction is entirely due to a decrease in the chemical supply budgets as the prior budget over anticipated the need for treatment chemicals for the IPR Project and to address taste and odor issues. We also received a price reduction in the latest bid process for these chemicals.

#### **Maintenance Budget:**

The Maintenance Budget includes \$200,000 of fund balance appropriations as the Water/Sewer System's share of the costs expected to stabilize the west wing of City Hall. Additionally, funds are included to replace two water sondes used to measure raw water conditions, and to replace an oven and freezer at the Water Treatment Laboratory.

#### **Services:**

Service Accounts include \$330,000 to prepare an update to the City's Sewer Collection System Master Plan. However, some of this increase is offset through reductions for electricity charges, sludge disposal costs and central garage charges.

#### **Insurance/Contracts:**

This category of spending represents an increase of \$85,000, or 8.70% from the prior year. Much of this increase is due to on-going worker's compensation claims, insurance

for building and contents coverage at a few facilities at the Cypress Water Plant, and general liability claims.

**Capital Improvements:**

Capital Improvement Accounts total \$5.8 million, which represents an increase of \$102,985 from the prior year. A total of \$85,000 of fund balance is budgeted to purchase the new backhoe that will be needed for the additional Heavy Equipment Operator mentioned above. The remainder of the capital outlay is very similar to the prior year, and includes funds for water/sewer line replacements, continued work on the Ringgold Reservoir Project, large valve replacements, and upgrades to sewer lift stations.

**Other Fund Transfers:**

This category of spending accounts for transfers from the Water/Sewer Fund to the General Fund and IT Fund for franchise payment for use of the City's right-of-way, administrative overhead, and the cost for technological support. There is an increase in the 2018-19 budget of \$234,311, or 8.24% from the prior year for these transfers. The franchise payment is up \$21,000, which is based on the previous year gross receipts for the Water/Sewer Fund. The payment to the IT Fund has increased by approximately \$91,000 due to costs paid by the IT Fund that are associated with the maintenance on the AMI System. Additionally, administrative overhead provided from the General Fund has increased by \$122,000 to recover inflationary costs and for the new Irrigation Inspector position accounted for in Building Inspections.

## **SANITATION FUND**

The Sanitation Fund accounts for all of the City's business activity related to the collection of solid waste and composting materials, transfer of that waste to the centrally located transfer station where collection units transfer waste into much larger semi-trucks, transportation of that waste to the landfill for disposal, and daily operation of the landfill.

The 2018-19 expenditure budget for the Sanitation Fund totals \$14,195,683, which is an increase of \$891,882, or 6.70% from the prior year adopted budget. There are principally three changes in this budget causing that change. First, Central Garage Charges have been increased by \$656,000 to account for significant cost increases for fueling and maintaining aging collection vehicles and large landfill equipment such as compactors, motor graders and dozers. Additionally, Personnel Accounts show an increase of \$159,005 to cover the cost-of-living and merit pay adjustments and increased contributions to the Employee Health Insurance Program. Finally, \$50,000 of fund balance is budgeted to finance the Sanitation Fund's share of expected costs to stabilize the west wing of City Hall.

Sanitation Fund Expenditures				
Expenditures	2017-18 Budget	2018-19 Budget	Amount Change	% Change
Personnel	\$ 4,388,441	\$ 4,547,446	\$ 159,005	3.62%
Supplies	\$ 354,243	\$ 306,672	\$ (47,571)	-13.43%
Maintenance	\$ 158,150	\$ 210,300	\$ 52,150	32.98%
Services	\$ 4,365,568	\$ 5,019,734	\$ 654,166	14.98%
Insur/Contracts	\$ 73,000	\$ 83,400	\$ 10,400	14.25%
Capital Improvements	\$ 1,946,500	\$ 1,993,500	\$ 47,000	2.41%
Transfers to General Fund	\$ 1,847,020	\$ 1,871,976	\$ 24,956	1.35%
Other Misc Expenditures	\$ 170,879	\$ 162,655	\$ (8,224)	-4.81%
Total Expenditures	\$ 13,303,801	\$ 14,195,683	\$ 891,882	6.70%

Revenues for the Sanitation Fund are made up of the monthly refuse collection charge (87%), landfill tonnage fees (11%), transfer station fees and other miscellaneous charges (2%). At the current sanitation collection and disposal rates, revenues are insufficient to finance the operating budget outlined above. As a result, I recommended, and the City Council approved, an increase of 6.00% to collection rates for all customer classifications. This rate adjustment will increase a residential customer's monthly charge for alley service by \$1.25, from \$20.55 to \$21.80, and curbside service by \$0.90, from \$14.65 to \$15.55. It has been two years since the previous rate increase, so this adjustment essentially averages to an increase of 3% per year over that time period. Included below is a recently conducted rate comparison with other peer cities that shows even with this increase, Wichita Falls will remain near the average and many of these cities only provide service once per week.

Sanitation Fund Revenues				
Revenue Source	2017-18 Budget	2018-19 Budget	Amount Change	% Change
Sanitation Collection	\$ 11,591,500	\$ 12,312,683	\$ 721,183	6.22%
Transfer Station Fees	\$ 30,000	\$ 30,000	\$ -	0.00%
Landfill Fees	\$ 1,500,000	\$ 1,500,000	\$ -	0.00%
Interest Earnings	\$ 42,500	\$ 90,000	\$ 47,500	111.76%
Miscellaneous Revenue	\$ 213,000	\$ 213,000	\$ -	0.00%
Total Revenues	\$13,377,000	\$ 14,145,683	\$ 768,683	5.75%

## STORM WATER UTILITY FUND

In 2000, the City Council authorized the establishment of a Storm Water Drainage Utility System. This system, which took effect on May 1, 2001, provides a funding mechanism for drainage improvements in the city as allowed under Chapter 402, Subchapter C of the Texas Local Government Code. The system is designed to assign a fair and equitable charge to the public for storm water drainage management services including capital improvements. The fee is based upon the impervious area of all real property, whereby each residential water customer is assessed for one Single Family Living Unit Equivalent (SFLUE), and each commercial customer pays a multiplier of the SFLUE based upon the impervious area of their property. The monthly fee for a SFLUE is \$5.00 and generates \$3.7 million annually for the operating and capital costs of this program.

The 2018-19 total expenditure budget is \$957,537, which is \$4,041,670 less than the prior year adopted budget principally because the prior year adopted budget included \$3.5 million for Phase II of the Kemp/Monroe Drainage Project, \$290,000 to replace an aged street sweeper that was needed to comply with the TCEQ's MS4 permit, and \$210,000 to replace two tractors, a flail mower, and brush hog that are used for drainage channel maintenance. The next large drainage project (Quail Creek) is under design and funds aren't yet available in this utility fund to begin that project, which is estimated to cost \$8 to \$10 million. This project is expected to be undertaken in the 2019-20 fiscal year, but may have to be separated into phases to correspond to when funding is available. The 2018-19 budget does include \$40,000 to address a small drainage issue on Fairfax.

## **OTHER FUND HIGHLIGHTS**

### **Fleet Maintenance Fund:**

The 2018-19 budget for the Fleet Maintenance Fund is \$10,296,155, which is \$473,656, or 4.82% above the prior year adopted budget. The primary reasons for this increase include: (1) a \$461,100 increase in the Fuel Account as prices have trended upward over the last year; (2) a \$111,000 increase in the Motor Vehicle Replacement Account as we continue to increase capital outlays to keep up with depreciation of equipment; and (3) an increase of \$95,000 in Personnel Service Accounts due to the cost-of-living and merit pay adjustments and increased contributions to the Employee Health Insurance Program. There is also an increase of \$55,000 other supply accounts to address a shortage of inventory in small engine equipment and the rising cost of tires. Some of these increases are offset, however, through a reduction in the Vehicle Maintenance Account of \$204,000 now that Transit Maintenance costs will be charged directly to that organization to meet grant requirements. There is also a reduction of \$50,000 reflected in the Workers Compensation Account because the prior budget included funds to cover costs anticipated for a large claim.

### **Regional Airport:**

Total operating revenues for the Regional Airport are budgeted at \$1,200,188, a decrease of \$39,227, or 3.16% from the prior year adopted budget. Revenue decreases are due to adjustments to Customer and Passenger Facility Fees (set at maximum allowable amounts) to current year estimated revenues, and Terminal Office Rent has declined because the prior year included a payment from the rental car agencies that was in arrears.

The expenditure budget for the Regional Airport totals \$1,382,004, which is \$31,362, or 2.32% above the prior adopted budget. Items in the budget driving much of this increase include: a \$14,000 increase in administrative overhead to the General Fund and IT fund for support services; an \$8,000 increase for matching contributions for the Routine Airport Maintenance Program Grant (RAMP) for eligible maintenance projects such as jet bridges, parking control equipment, airfield lighting, surveillance system, etc., and a \$4,500 increase for the rental agreement with SAFB. There is also an increase of \$9,300 in Personnel Service Accounts for cost-of-living pay adjustments, merit pay, and increased contributions to the Employee Health Insurance Program. It should also be noted that approximately \$669,000 of this budget is dedicated to pay the annual debt service costs for the new airport terminal, which will be retired in fifteen years. This large debt service burden causes an operating loss of \$181,816 in the Regional Airport Fund, which is now covered entirely with a transfer from the General Fund.

### **Kickapoo Airport:**

The revenue budget for Kickapoo Airport is \$1,069,205, which is \$17,771, or 1.69% above last year's adopted budget. This increase is principally due to higher prices for fuel sales at the airport even though overall markup on the fuel has been reduced. There is also some increase in hangar rental payments which are tied to the growth in the CPI. Expenditures for the Kickapoo Airport also total \$1,069,205, an increase of 1.69% from the prior year. However, in the prior budget, expenditures included an operating transfer of \$90,230 to the Regional Airport to help with the operating subsidy,

which is not budgeted in 2018-19 because expenditures have increased in several other areas: the Fuel Supply Account has increased by \$71,000 to account for the higher fuel prices experienced lately; the Insurance Account shows an increase of \$13,000 to add 35 airplane hangars to our building coverage; \$15,000 is budgeted to replace a 15-year old utility vehicle used by the Linemen; and a \$20,000 increase is reflected in Personnel Service Accounts to cover the cost-of-living and merit pay adjustments and increased contributions to the Employee Health Insurance Program

**Transit Fund:**

In 2018-19, the total budget for the Transit System is at \$2,655,552, which is an increase of \$255,919, or 10.66% from the prior year adopted budget. Much of this increase is because the 2018-19 budget includes \$425,500 to replace one 35-foot bus and the prior year included \$280,000 for costs for parking, routing and shelter improvements for the bus system located at the entrance to Sheppard Air Force Base. Additionally, the 2018-19 budget for supplies shows an increase of \$91,000 for higher fuel prices and parts to maintain the bus fleet. There is also an increase of \$11,000 for self-insured fleet claims and \$6,800 to produce new bus route books. It should be noted, that some of this increase is offset by a reduction in personnel expenses as one supervisory position was eliminated.

Of the total budget, \$2,635,323, or 99.24% of the cost of the Transit System is expected to be funded with Federal and State Grants and system operating revenues from passenger fees, advertising sales, Transit Hub Operations, and a contract with MSU. The remaining \$20,229, or 0.76% is supported by the General Fund. This amount is approximately \$88,500 less than the prior budget principally because TxDOT has agreed to an increase in funding.

**Hotel/Motel Tax Fund:**

Revenues from the Hotel/Motel Occupancy Tax are projected at \$1,880,010, or 0.80% above the 2017-18 Adopted Budget. Expenditures are balanced with revenues. A total of \$1,202,653 is expected to be used to cover the operating subsidy for the Multi-Purpose Events Center (MPEC) and the Memorial Auditorium. This operating subsidy amount is based on our current management agreement with Spectra Venue Management. Other expenditure items included in the Hotel/Motel Fund include \$579,857 for the operations of the City's Convention and Visitor's Bureau, and continued funding for a few outside agency programs. Funding is provided for support of the Wichita Falls Arts Alliance & Culture (\$86,500), River Bend Nature Works (\$4,500), and the Fantasy of Lights Basketball Tournament (\$6,500).

**Multi-Purpose Events Center Fund:**

Revenues for MPEC are projected to be \$1,197,577 in the 2018-19 fiscal year, which is a reduction of \$169,497, or 12.40% less than the prior year adopted budget. Much of the reason for this decrease is to be more realistic in the amount of revenue that will be achieved through sponsorships and/or advertising sales. The expenditure budget for MPEC totals \$2,772,577, which is a reduction of \$46,988, or 1.67% from the prior year adopted budget. The budget shows a decrease of \$55,000 in the capital lease payment for energy retrofit projects that were installed several years ago. There is also a decrease of approximately \$93,000 in overhead and utility expenses. Some of these reductions have been offset, however, by increases in the marketing and operations

budgets for the facilities. The operating subsidy of \$1,575,000 is anticipated to be paid for with \$1,202,653 of Hotel/Motel Occupancy Taxes and \$372,347 of General Funds. That subsidy is on par with the amount required when the City was managing the facility.

The 2018-19 budget for the CVB totals \$664,857, which represents an increase of \$74,852, or 12.65% more than the prior year. This increase is almost entirely due to a need for more promotional and incentive funding related to conventions, particularly the National Horseshoe Pitcher's Association Convention. A total of \$579,857 of these expenditures are programmed to be received from the Hotel/Motel Occupancy Tax, and the remaining \$85,000 will be contributed by the Wichita Falls 4B Sales Tax Corporation. This contribution from the 4B Corporation is an increase of \$50,000 in funding from that organization over the prior year.

#### **Information Technology Fund:**

The 2018-19 budget for the Information Technology Division totals \$4,745,973, which is an increase of \$2,072,074, or 77.49% above the prior year. Almost all of this increase is due to costs associated with replacement of the Public Safety Computer Aided Dispatch/Records Management System. This system was initially installed 15 years ago and software support is no longer available without a major system upgrade. The cost to upgrade the software is budgeted at \$1,419,000, server upgrades are \$150,000, and \$171,000 is included for ticket writers, printers, and other ancillary equipment. The budget also includes \$374,000 to replace about ½ of the mobile data terminals associated with this system. The funding for this project is available in the Information Technology Fund as user charges have been adjusted over the years to provide sufficient funding for operations, maintenance and replacement.

#### **Golf Course Fund:**

The 2018-19 budget anticipates revenues to be \$800,000, which is approximately \$50,000 above the two prior year actual receipts. This revenue estimate is based on approximately 27,000 rounds, which is the current year expectation. However, \$45,000 of this increase in revenue is planned to be spent for two capital repair projects at the clubhouse (siding/facia board and to drop the ceiling in the food/beverage area), and to enter into a five-year capital lease for two new rough mowers. As a result, expenditures are programmed to increase from \$865,000 to \$910,000. The operating subsidy from the City's General Fund is budgeted to be \$110,000, or \$5,000 less than the prior year budgeted amount.

#### **Water Park Fund:**

This fund accounts for the operating revenues and expenditures related to Castaway Cove Water Park. Total revenues for this Enterprise Fund are estimated to be \$1,412,135 and total expenditures are budgeted at \$1,368,014, or an estimated net income of \$44,121. This net income is based on estimated attendance of 82,000 and may be slightly conservative. However, any net income that is generated at the park will remain in this Enterprise Fund for future improvements and repairs that are needed at the park.

## CONCLUSION

This 2018-19 adopted budget provides a clear and viable work plan for the upcoming fiscal year operation. Funds are provided for projects and programs that maintain critical services and enhance the overall quality of life of the city's residents and visitors.

The City's various department heads and their assistants or division heads were very helpful in the production of this budget. Particular appreciation goes to Jim Dockery, Deputy City Manager, Paul Menzies, Assistant City Manager, Susan White, Accounting and Budget Manager, and Pat Halverson, Director of Finance, for their overall leadership in the development of the document. I also want to thank all City employees who have worked hard to provide quality services to our citizens and who are committed to the success of our great City.

The City staff looks forward to working with the Mayor and City Council as we address the challenges of the coming year.

Respectfully submitted,

Darron J. Leiker  
City Manager

**Human Resources**  
Department Summary

**Description**

The Human Resources department is comprised of two divisions: Personnel and Risk Management. The Personnel Division provides the following quality services to the City's approximately 1,300 employees:

- Recruitment of qualified individuals;
- Retention of valuable employees;
- Training, development, and education to promote individual success and increase overall value to the organization;
- Employee morale through recognition, effective communication, and feedback;
- Administration of the City's compensation plan, policies, and procedures.

The Risk Management Division is responsible for working with departments to promote safety programs that will protect and serve the City 's employees and citizens, and oversees the processing of Workers' Compensation, General Liability, Fleet, and Property damage insurance claims.

The 2018-19 budget for Personnel and Risk Management has increased by \$47,359, or 6.64% from the prior year. This increase is principally due to a reclassification of a Human Resources Coordinator position to a Human Resources Supervisor, the 3% cost-of-living pay adjustment, and increased contributions to the Employee Health Insurance Program. The Services Accounts reflect a reduction of approximately \$7,500 as it is anticipated that fewer Police promotional exams will be required next year.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Decreased Injury Count, Lost Days, and Total Claims Costs.	Efficiently Deliver City Services
Worked with consultant in assessing and making recommendations for improvement to the City's insurance and safety programs.	Efficiently Deliver City Services
Performed a Property Schedule audit and review of current insurance coverage and policies.	Efficiently Deliver City Services
Developed City internship program	Attract & Retain Young Workers and Graduates
Conducted annual salary survey	Maintain Market Competitive Compensation

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Continue working to decrease injury count, lost days, and total claims costs.	Efficiently Deliver City Services
Work with consultant to implement safety program improvements, and insurance brokerage recommendations.	Efficiently Deliver City Services
Reduce time from job posting to hire for non-civil service positions	Efficiently Deliver City Services
Implementation of Tyler/Munis HRIS system	Efficiently Deliver City Services
Implement City internship program.	Attract & Retain Young Workers and Graduates
Update employee policies: Harassment, leave, modified duty, grievance, etc	Efficiently Deliver City Services
Conduct annual salary survey	Maintain Market Competitive Compensation

**Martin Luther King Center**  
Division Summary

**Description**

The MLK Center is dedicated for service to all citizens within the City of Wichita Falls. The Center encourages and promote education and social service as well as promote a positive relationship between all of the people in the Community.

The 2018-19 budget for the MLK Center represents an increase of \$5,039, or 4.16% from the prior year. This increase is reflected in Personnel Service Accounts for the cost-of-living pay adjustment, merit pay increases, and increased contributions to the Employee Health Care Program.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
29 <sup>th</sup> Annual MLK Prayer Breakfast – 530 In Attendance	Actively Communicate and Engage the Public
MLK Mural Dedication with students from MSU Art Department – 80 in Attendance	Actively Communicate and Engage the Public
Community Garden participation - 61 plots rented	Actively Communicate and Engage the Public
Senior Farmers Market Voucher Program - 250 participants	Actively Communicate and Engage the Public
Summer Heat relief program - 33 participants	Efficiently deliver City services
Thanksgivings Family relief program - 40 participants	Efficiently deliver City services
Kids Happy Easter program - 35 participants	Actively Communicate and Engage the Public

**Public Safety Training Center**  
Summary

**Description**

The Training Center budget, that accounts primarily for utilities for the Public Safety Training Center, has decreased by \$1,741 due to a reduced lease for the Xerox copy machine at the training center.

**Library**  
Division Summary

**Description**

The Wichita Falls Public Library operates to act as a public information center for all citizens of Wichita Falls by addressing educational, informational, recreational, and cultural needs. The library has in excess of 297,800 circulations, with 151,327 visitors and an average of 983 circulations per day open. The library contains approximately 207,727 physical items with 9,099 non-circulating items, and 29 public computers resulting in more than 112,000 computer sessions. Special collections include genealogy, the Texas and Southwest Reference Collection, Spanish collections for both children and adults, and a seed library. Digital collections add more than 600,000 titles for use by cardholders. The library operates with a staff of seventeen, is open 9 a.m. to 8 p.m. Monday through Wednesday, and 9 a.m. to 5 p.m. Thursday through Saturday.

The 2018-19 budget for the Library maintains the same staffing level, but Personnel Service Accounts reflect an increase of \$18,952, or 2.078% from the prior year due to the cost-of-living pay adjustment, merit pay increases, and additional costs for the Employee Health Care Program. Some of this increase is offset due to turnover of a few positions that resulted in lower starting pay for those employees. There is \$12,000 budgeted to replace two aged microfilm reader/printers for the Genealogy Program and \$1,500 to add an “ask a librarian chat” feature on the Library’s website. These increases, however, were offset by reductions in other accounts to reduce the digital materials subscriptions that weren’t being used regularly by patrons.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Addition of the Family Place Learning Center	Support local educational institutions; Enhance public outreach and engagement
New technologies made available to library cardholders: Hoopla, BrainHQ, Digital Archives, Universal Class, AtoZdatabases, World Book Web	Support local educational institutions
Facility improvements: combined service desk, increased library hours from 54 to 57 per week; Remodeled study rooms; Provided 27 power charging stations along west walls in the library; new furniture	Enhance public outreach and engagement; Promote Downtown as a destination; Practice effective governance
Code of Conduct policy update and the creation of Service Model and Principles	Practice effective governance
Programming additions/adjustments: Neighborhood Economics forums, Harry Potter-themed escape rooms, Play with Purpose workshops, Women’s History Month presentation, STEM programming such as Curiosity Day, Summer Reading, partnering with the Wichita Falls Alliance for Arts and Culture for “Don’t Fence Me In.”	Promote Downtown as a destination ; Support local educational institutions ; Enhance public outreach and engagement ; Establish and leverage public private partnerships
Library staff dedicated an entire year of programming to celebrating the library’s 100 <sup>th</sup> anniversary, including a year-long reading challenge, an oral history project, the creation of a new mascot and mural, an anniversary party at the Kemp Center for the Arts, an art competition, and a time capsule to be opened in 100 years.	Actively communicate and engage the public – Enhance public outreach and engagement ; Promote Downtown as a destination

***Proposed FY 2018-19 Major Goals/Programs***

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Develop a system for faster and more accurate re-shelving of materials, reducing turn-around time from 72 hours to 36 hours.	Efficiently Deliver City Services
Reduce book cataloging backlog from 8 months to 5 months	Efficiently Deliver City Services
Cap the wait time for downloadable titles from the North Texas on the Go at 3 months	Efficiently Deliver City Services
Create marketing and utilize city advertising services to market programs and library products to reach community.	Aggressively market the city/Promote Downtown as a destination/Actively Communicate and Engage the public.
Promote library services and products to local schools and educators, and community events, and vice versa to bridge the gap between school and the library for educational resources.	Support Educational Institutions

***Measure/Performance Indicator***

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Re-shelving of materials/turn-around time	24 hours	72 hours	36 hours
Book cataloging/turn-around time	4 months	8 months	5 months
Active library cardholders	38,000	28,368	37,729
Public outreach events	1/month	4 events	15 events
Number of library visitors	160,000	151,000 (2017)	155,000
Hard copy circulation per registered borrower	New measure		
Electronic circulation per registered borrower	New measure

**Auditorium Fund**  
Summary

**Description**

Effective October 1, 2017, the City began contracting the management of the three facilities at the Multi-Purpose Events Center (MPEC) and the Memorial Auditorium to Spectra Venue Management. As a result, all of the revenues and expenses related to the Memorial Auditorium that were previously accounted for in the Auditorium Fund have been consolidated with the MPEC Fund.

**Hotel/Motel Tax Fund**  
Summary

**Description**

Revenues from the Hotel/Motel Occupancy Tax are projected at \$1,880,000, or 0.80% above the 2017-18 Adopted Budget. Expenditures are balanced with revenues. A total of \$1,202,653 is expected to be used to cover the operating subsidy for the Multi-Purpose Events Center (MPEC) and the Memorial Auditorium. This operating subsidy amount is based on our current management agreement with Spectra Venue Management. Other expenditure items included in the Hotel/Motel Fund include \$579,857 for the operations of the City's Convention and Visitor's Bureau, and continued funding for a few outside agency programs. Funding is provided for support of the Wichita Falls Arts Alliance & Culture (\$86,500), River Bend Nature Works (\$4,500), and the Fantasy of Lights Basketball Tournament (\$6,500).

**Public Information Office**  
Division Summary

**Description**

The City of Wichita Falls Public Information Office is responsible for effectively communicating to the public and the media the business and activities of City government, departments, services and events. This is accomplished through the City website, Facebook, Twitter, Instagram, the City's television station-Spectrum Cable Channel 1300, daily communication with City leaders, department heads and employees and press releases sent to all print media and broadcast television and radio stations.

The 2018-19 budget for the Public Information Office reflects an increase of \$13,042, or 8.34% from the prior year. This increase is accounted for principally in Personnel Service Accounts. Although staffing levels have remained the same as the prior budget, last year the Media/Marketing Specialist position was vacant and budgeted at the entry step in the pay grade. During the 2017-18 fiscal year, this position was filled with an employee at a higher salary in the pay grade due to experience levels. Additionally, Personnel Service Accounts reflect the cost-of-living increase, merit pay adjustments, and increased contributions to the Employee Health Insurance Program. All other accounts remain relatively unchanged from the prior year.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
That City Show is now being aired on KAUZ each week twice a week	Actively Communicate & Engage the Public
Wichita Nature Bluff Trail video exceeded 24,038 views	Actively Communicate & Engage the Public
Produced Ornamental Structures (17,890), Downtown Candlewalk (13,704), Falls Back On (10,285), Golden Opportunities @ Dispatch (7,415).	Actively Communicate & Engage the Public
Expanded Social Media platform to Instagram with 993 number of followers	Actively Communicate & Engage the Public
Developed quarterly process for regular promotion of (MyH20, Access City Hall, Code Red, Bus Tracking System, on-line water bill system)	Actively Communicate & Engage the Public

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Continue Social Media growth and related citizen engagement	Actively Communicate & Engage the Public
Enter PIO produced content into state level contests (TAMIO, TML)	Enhance the Wichita Falls brand
Redesign City Website	Actively Communicate & Engage the Public
Start plan for Council Conference Room update	Actively Communicate & Engage the Public
Assist HR in developing a director level Media relations training	Actively Communicate & Engage the Public

**Duplicating Services**  
Summary

**Description**

The budget for the Duplicating Services Fund (Print Shop/Mail Room Services) has increased by \$1,893, or 1.31% from the prior year. Much of this increase is due to the cost-of-living adjustment, merit pay increases, and increased contribution to the Employee Health Insurance Program for those employees in the Finance Department allocated to this function. This is a slight increase in administrative overhead costs that are paid to the General Fund and Information Technology Fund for support services received from those areas.

**Municipal Court**  
Division Summary

**Description**

The Wichita Falls Municipal Court is part of the Texas Judiciary, one of the three branches of government created by the Texas Constitution. The role of the court is to provide a fair, independent, and impartial forum for handling and deciding fine-only criminal cases arising within the Wichita Falls city limits. These include traffic, minor penal code, and city ordinance cases. The court is responsible for maintaining accurate case files, collection of fines and past due Warrant status cases.

The 2018-19 budget for the Municipal Court Division has an increase of \$31,802, or 3.59% from the prior year. This increase is accounted for principally in Personnel Service Accounts for the cost-of-living pay adjustment, annual merit pay adjustments, and increased employee health insurance contributions. An increase was also seen in the Services Accounts for additional bank fees and substitute judge and interpreter services.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Continuing the automation of processing and case file maintenance.	Efficiently Deliver City Services
Partnered with a 3 <sup>rd</sup> party collections group; improved and increased collections.	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Continue to improve/increase collections with new software program with text, call, and email capabilities	Efficiently Deliver City Services
Continue to improve/increase collections program with staff training and partnership with collection agencies.	Efficiently Deliver City Services

**Building Maintenance**  
Division Summary

**Description**

The Building Maintenance Division oversees the maintenance of most City Facilities, providing day-to-day maintenance and support for the City Staff. Also, they manage the Janitorial staff and assist in numerous special projects throughout the year, doing research and developing specifications for project both planned and emergency.

Overall, the budget for the Building Maintenance Division represents a decrease of \$52,430 from the prior year. The 2018-19 budget includes: (1) a net increase of \$90,000 in the HVAC Maintenance Account to replace units at the Library, MLK Center, Police Department, Health Department, and the Public Safety Training Center; (2) \$114,000 to replace the roof at the Police Department; (3) \$32,000 to replace flooring in Room 210 and 213, men's and women's locker rooms, and plumbing in the men's and women's locker rooms at the Police Department; (4) \$13,000 to replace the flooring at Fires Station #4; (5) \$19,000 to install new starters in both elevators and replace the carpet on the north stairwell at the Library; and (6) \$49,500 to replace the carpet and improve the restrooms at the Municipal Court. The 2017-18 budget included: (1) \$185,000 for continued work on Auditorium Structural Improvements and a Feasibility Study on the future improvements needed for the building; (2) \$127,200 to make substantial repairs to the three elevators at the Library/Recreation Center that have exhausted their useful lives; (3) \$86,500 to make improvements at several fire stations including adding female restrooms at Fire Stations #4 and #6, replacing the flooring at Fire Stations #6 and #7, and leveling/securing Fire Station #8; and (4) \$12,000 to install RV connections at the Auditorium to be used by entertainers performing in the Auditorium. Some of this reduction in maintenance projects has been offset in Personnel Service Accounts due to application of the cost-of-living pay adjustment and increased contributions to the Employee Health Care Program.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Replaced Health Department Roof	Provide Adequate Infrastructure
Remodeled Kemp Sunnyside Community Center – Exterior and Interior	Provide Adequate Infrastructure
Installed New IVUE 6 HVAC Control System	Efficiently Deliver City Services
Replacing both elevators at the Library	Provide Adequate Infrastructure
Installed vinyl flooring on the second floor of the Library (50 Plus Zone)	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
New Roof for the Police Department – Other upgrades	Provide Adequate Infrastructure
Memorial Auditorium Stabilization project	Provide Adequate Infrastructure
RFP for outsourcing Janitorial service	Efficiently Deliver City Services
Room Dividers at the Public Safety Training Center	Provide Adequate Infrastructure

**Non-Departmental**  
Division Summary

**Description**

The Non-Departmental Section of the budget is used to account for various expenses in the General Fund which either do not belong to a specific City department, such as outside agency support contracts, or are accounted for more accurately on a fund basis rather than by department. Examples of this kind of expenditure include separation pay, unemployment and workers compensation, audit and banking services, and operating transfers to other operating funds. The 2018-19 budget represents an increase of \$317,000 from the prior year adopted budget for several reasons: (1) \$137,000 of additional support for internal technology services is allocated to the General Fund; (2) an increase of \$132,000 is budgeted for operational subsidy of MPEC operations based on estimates for the 2017-18 fiscal year; and (3) \$161,000 is budgeted for Regional Airport Debt Service as lower revenues are anticipated at the Airport and Kickapoo Airport isn't anticipated to produce a profit to help with that cost. Some of these increases are offset, however, due to the elimination of a \$25,000 subsidy to the privately operated ambulance service, and an \$89,000 reduction in support to the Transit System as more State funds are being awarded to the City for those services.

**Champions Golf Course**  
Division Summary

**Description**

The Golf Course Budget is devised to align with our Management Services agreement with A.P.G.L. Under the terms of that agreement, the City is responsible for reimbursing A.P.G.L. for golf course expenses plus \$130,000 for management oversight of the course. In exchange, the City receives nearly all of the revenue at the course. The golf course was completely renovated in 2007-08 with General Obligation Debt that is being retired with 4B Sales Tax Corporation funds.

The 2018-19 budget anticipates revenues to be \$800,000, which is approximately \$50,000 above the two prior year actual receipts. This revenue estimate is based on approximately 27,000 rounds, which is the latest current year expectation. However, \$45,000 of this increase in revenue is planned to be spent for two capital repair projects at the clubhouse (siding/facia board and to drop the ceiling in the food/beverage area), and to enter into a five-year capital lease for two new rough mowers. As a result, expenditures are programmed to increase from \$865,000 to \$910,000. The operating subsidy from the City's General Fund is budgeted to be \$110,000, or \$5,000 less than the prior year budgeted amount.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Repaired Several Cart Paths That Were Buckling	Provide Adequate Infrastructure
Entered Into New 4-Year Lease for Fuel Injection Golf Carts at Lower Rental Rates	Efficiently Deliver City Services
Increased Revenue and Rounds Played	Efficiently Deliver City Services
Maintained Expenditures at Present Amounts	Efficiently Deliver City Services
Satisfactorily Met City Contractual Standards on Course Maintenance	Provide Adequate Infrastructure

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Replace Siding and Facia on Clubhouse	Provide Adequate Infrastructure
Drop Ceiling in Food/Beverage Area	Provide Adequate Infrastructure
Enter New Four-Year Capital Lease for 2 Rough Mowers	Efficiently Deliver City Services
Maintain Golf Course To Contractual Standards	Provide Adequate Infrastructure

**Health - Administration**  
Division Summary

**Description**

The Administration Division of the Health Department is responsible for a variety of functions to include vital records (birth & death certificates), receipt of payments for all services (except Animal Services), and billing private insurance for rendered clinical services. Also included in the division are public health emergency preparedness and accreditation; both programs are grant-funded. Leadership of the Health Department is also included in Administration, to include the Director of Health and Assistant Director of Health; the Administrative Secretary provides support to both positions as well as the Senior Administrative Clerks within the Department.

There is an increase seen in the Health Administration Division of \$51,944 or 6.9% from the prior year. This increase is principally due to, the 3% cost-of-living pay adjustment, annual merit increases and increased contributions to the Employee Health Care Program. There is also a significant increase seen in the professional services associated with the contract for the medical director services due to the closing of the North Central Texas Medical Foundation.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
The Health District was awarded Housing and Urban Development (HUD) funding to support a construction project to completely remodel a kitchen, with the goal of teaching cooking classes to community members.	Efficiently Deliver City Services
Substantial improvements have been made in the use of social media to engage the public and respond to their questions and concerns. FaceBook, Twitter, Instagram, and SnapChat accounts were linked together to increase presence on those platforms, and a universal 'hashtag' was developed and made mandatory for all staff to use when posting health district activities for continuity.	Actively communicate and engage the public
The Health District underwent a Health Insurance Portability and Accountability Act (HIPAA) audit this year. This was done in an effort to gain HIPAA compliance and determine the steps we would need to undergo to maintain Protected Health Information (PHI) and Personally Identifiable Information (PII) electronically.	Efficiently Deliver City Services
The Community Themes and Strengths Assessment (CTSA) survey continues to be administered, with 760 survey results being recorded and analyzed during this year.	Actively communicate and engage the public
A major undertaking each year is the annual health fair; as in previous years, specific programs of the Health District are highlighted as well as community partners that set up booths and interact with participants. This year, there were approximately 500 people in attendance; there were over 40 outside partner agencies and activities that were also featured, to include a Zumbathon. This year, to improve community engagement throughout the week, a scavenger hunt using social media was added to the activities.	Actively communicate and engage the public
Leadership engaged specific programs in a "360 Assessment" process that included each staff member completing a survey, analysis and discussion of the survey, and a rigorous in-person process to identify positive and negative assessments of things such as communication, teamwork, supervision, leadership, and resources. Questions and discussion focus on each layer of staff, to include supervisors and leadership. Staff set mutual goals as well as individual goals that are followed-up at designated intervals. During this year, we held 360 Assessments with Animal Services, the Community Diabetes Education Program (CDEP), and the Tobacco Prevention and Control Coalition (TPCC) Program.	Efficiently Deliver City Services

Implemented quarterly all-staff meetings. Four meetings have been held, with the following information being provided: health district purpose and overview, staff updates, and overviews of the agency Strategic Plan, Community Health Assessment (CHA), and Community Health Improvement Plan (CHIP). Each meeting focuses on a specific division and/or service so that all staff members can learn and be advocates for public health in the community. Staff complete a post-meeting survey that is designed with open-ended questions; responses are reviewed by leadership and incorporated into future meetings.	Efficiently Deliver City Services
Completed substantial revision to Annex H, Health & Medical Plan for the mitigation, response and recovery to disasters and public health emergencies. Secondary document, Field Operations Guide, was created and is a model for other agencies across the state.	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Continue implementation of District's Strategic Plan and provide annual report on progress.	Efficiently Deliver City Services
Achieve National "Accredited" Status from the Public Health Accreditation Board (PHAB).	Efficiently Deliver City Services
Add one additional City campus as a designated tobacco-free campus.	Efficiently Deliver City Services
Continue coordination with Information Systems (IS) to implement necessary safeguards outlined in HIPAA audit report to maintain HIPAA compliance.	Efficiently Deliver City Services
Update the Community Themes & Strength and the Forces of Change Assessments based on current trends and information; subsequently update Strengths, Weaknesses, Opportunities and Threats (SWOT) information to be used in continued planning and implementation of the strategic plan.	Efficiently Deliver City Services
Conduct the 360 Assessment with the WIC division and two other programs within the nursing division.	Efficiently Deliver City Services
Continue quarterly all staff meetings.	Efficiently Deliver City Services

**Nursing Prevention Services**  
Division Summary

**Description**

The Nursing Division offers an array of primary and preventive services. The scope of services includes care of the individual through clinical services as well as disease prevention and health promotion directed toward the community as a whole. Prevention Grants include the Tobacco Prevention and Control Coalition (TPCC), HIV Prevention, Health Promotion & Chronic Disease Prevention, Community Diabetes Education Program (CDEP), Epidemiology, Community Clinical Health Bridge Program (CCHBP), and Texas Comprehensive Cancer Control Program (TCCP).

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
TPCC: a campaign regarding the dangers of second-hand smoke in vehicles was designed and aired on television, radio and displayed on billboards. This accomplished one of the goals in the Community Health Improvement Plan (CHIP) regarding community education.	Actively communicate and engage the public
Review of available grants is a continuous process. Towards the end of this year, two new grants were added: the Community and Clinical Health Bridge Program (CCHBP) and Texas Comprehensive Cancer Control Program (TCCCP)	Efficiently Deliver City Services
The Community Diabetes Education Program (CDEP) was recognized as an accredited Diabetes Education Program with the American Association of Diabetes Educators (AADE). Diabetes Self-Management Education (DSME) classes are held in Iowa Park, Burkburnett, Electra and Wichita Falls.	Actively Communicate & Engage the Public
CDEP was also awarded 'Pending Recognition' in the CDC Diabetes Prevention Recognition Program (DPRP). Staff have worked very hard to develop an outstanding Diabetes Prevention Program (DPP), with the goal in FY18 and FY19 to continue the efforts and be fully recognized at that time. To teach the DPP classes, three staff members received certification as Lifestyle Coaches.	Efficiently Deliver City Services
The epidemiologist was able to identify a high rate of gastrointestinal (GI) issues that included associated diseases such as cryptosporidium and campylobacter. The cases were investigated, to include a review of all relevant information; two internal team meetings were held as well as a Water Quality Task Force meeting to review the information and determine next steps.	Efficiently Deliver City Services
HIV : Created a "Complete HCV treatment network" consisting of testing, case management, clinical care and pharmaceuticals	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b><u>Goal/Program</u></b>	<b><u>Strategic Initiative Advanced</u></b>
----------------------------	---

Implement and evaluate the CCHBP program, to include expanding and strengthening community partnerships to enhance the use of Health Information Technology (HIT).	Actively communicate and engage the public Efficiently Deliver City Services
All CDEP staff certified as Lifestyle Coaches	Efficiently Deliver City Services
To be fully recognized as a Diabetes Prevention Recognition Program	Efficiently Deliver City Services
Increase number of clients in CDEP classes	Efficiently Deliver City Services
Increase number of community member who are screened for Colon Cancer	Efficiently Deliver City Services
Epi goals for the next year include engaging in more provider outreach regarding notifiable conditions and the epidemiology ABS module (once it is live). Another goal is to start more data-driven analysis of our local disease burden	Actively communicate and engage the public
TCCCP to increase the number of persons screened for colon cancer and conduct more outreach and education on colon cancer	Actively communicate and engage the public
To increase outreach and education in all grant programs	Actively communicate and engage the public
To continue managing our HIV, Syphilis, HCV programs in a way that anyone who wants care or treatment has access to services.	Actively communicate and engage the public

**Measure/Performance Indicator**

Measure/Metric	Demand/Goal	Actual FY 2017-18	Projected FY 2018-19
CDEP provider referrals	119	68	119

**Women, Infants, and Children (WIC) Program**  
Division Summary

**Description**

The WIC Program is a federally-funded food and nutrition program for pregnant, postpartum, and breastfeeding women, as well as infants, and children up to the age of five. The Program is designed to improve the overall health of participants during the most critical periods of human growth and development. WIC serves low/moderate-income individuals and families by providing nutrition education and counseling, healthy foods, support and help with breastfeeding, breast pumps, and referrals to health care and other programs. WIC participants attend nutrition counsels and/or classes for WIC foods benefits. Food benefits are downloaded onto their Texas WIC cards which are good at most grocery stores. The cards work just like debit cards and keep track of the food benefits received and used each month.

The WIC Division represents a decrease of \$70,146, or 9.15% of the 2018-19 fiscal year budget. The primary decreases are reflected in the Other Accounts for reduced public relations/promotions accounts and decreased funding for eligible administrative overhead previously charged to the program. Some of this reduction in these areas has been offset in Personnel Service Accounts due to application of the cost-of-living pay adjustment and increased contributions to the Employee Health Care Program.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Converted Nutrition Tech positions to Nutritionist positions	Efficiently deliver services
Reorganized a Certifying Authority position, replacing an LVN position with a nutritionist position	Efficiently deliver services
Increased Community Awareness of our services	Actively communicate & engage the public
Increased Social Media Presence	Actively communicate & engage the public
Maintained implemented Quality Improvement Plan for Quarterly Record Reviews, Bi-Annual Self-Audits, and Vendor and Participant Relations	Efficiently deliver services
Collaborated with Food Bank to offer services through Grocery Store Tours	Efficiently deliver services
Offered off-site "Shopping for WIC Foods" classes at grocery stores	Efficiently deliver services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Implement TXIN Computer System	Efficiently deliver services
Increase Social Media Presence to 4 x's / month	Actively communicate & engage the public
Increase Community Outreach to 2 x's / month	Actively communicate & engage the public
Expand Food Bank Collaborative to offer on-site benefits issuances	Efficiently deliver services
Expand "Shopping for WIC Benefits" class to offer on-site benefits issuances	Efficiently deliver services
Increase Participation in the WIC Program	Actively communicate & engage the public
Increase Average Monthly Rate of Breastfed Infants at Birth	Actively communicate & engage the public
Increase Average Monthly Rate of Breastfeeding Mothers	Actively communicate & engage the public
Explore out-of-the-box options/ideas to increase participation and community presence.	Actively communicate & engage the public

Measure/Metric	Demand/Goal	Actual FY 2017-18	Projected FY 2018-19
Average Monthly Participation	2950	3154	2950
Show Rate of Participants	82%	82%	82%

**Nursing Prevention Services**  
Division Summary

**Description**

The Nursing Division offers an array of primary and preventive services. The scope of services includes care of the individual through clinical services as well as disease prevention and health promotion directed toward the community as a whole. Prevention Grants include the Tobacco Prevention and Control Coalition (TPCC), HIV Prevention, Health Promotion & Chronic Disease Prevention, Community Diabetes Education Program (CDEP), Epidemiology, Community Clinical Health Bridge Program (CCHBP), and Texas Comprehensive Cancer Control Program (TCCP).

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
TPCC: a campaign regarding the dangers of second-hand smoke in vehicles was designed and aired on television, radio and displayed on billboards. This accomplished one of the goals in the Community Health Improvement Plan (CHIP) regarding community education.	Actively communicate and engage the public
Review of available grants is a continuous process. Towards the end of this year, two new grants were added: the Community and Clinical Health Bridge Program (CCHBP) and Texas Comprehensive Cancer Control Program (TCCCP)	Efficiently Deliver City Services
The Community Diabetes Education Program (CDEP) was recognized as an accredited Diabetes Education Program with the American Association of Diabetes Educators (AADE). Diabetes Self-Management Education (DSME) classes are held in Iowa Park, Burkburnett, Electra and Wichita Falls.	Actively Communicate & Engage the Public
CDEP was also awarded 'Pending Recognition' in the CDC Diabetes Prevention Recognition Program (DPRP). Staff have worked very hard to develop an outstanding Diabetes Prevention Program (DPP), with the goal in FY18 and FY19 to continue the efforts and be fully recognized at that time. To teach the DPP classes, three staff members received certification as Lifestyle Coaches.	Efficiently Deliver City Services
The epidemiologist was able to identify a high rate of gastrointestinal (GI) issues that included associated diseases such as cryptosporidium and campylobacter. The cases were investigated, to include a review of all relevant information; two internal team meetings were held as well as a Water Quality Task Force meeting to review the information and determine next steps.	Efficiently Deliver City Services
HIV : Created a "Complete HCV treatment network" consisting of testing, case management, clinical care and pharmaceuticals	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b><u>Goal/Program</u></b>	<b><u>Strategic Initiative Advanced</u></b>
----------------------------	---

Implement and evaluate the CCHBP program, to include expanding and strengthening community partnerships to enhance the use of Health Information Technology (HIT).	Actively communicate and engage the public Efficiently Deliver City Services
All CDEP staff certified as Lifestyle Coaches	Efficiently Deliver City Services
To be fully recognized as a Diabetes Prevention Recognition Program	Efficiently Deliver City Services
Increase number of clients in CDEP classes	Efficiently Deliver City Services
Increase number of community member who are screened for Colon Cancer	Efficiently Deliver City Services
Epi goals for the next year include engaging in more provider outreach regarding notifiable conditions and the epidemiology ABS module (once it is live). Another goal is to start more data-driven analysis of our local disease burden	Actively communicate and engage the public
TCCCP to increase the number of persons screened for colon cancer and conduct more outreach and education on colon cancer	Actively communicate and engage the public
To increase outreach and education in all grant programs	Actively communicate and engage the public
To continue managing our HIV, Syphilis, HCV programs in a way that anyone who wants care or treatment has access to services.	Actively communicate and engage the public

**Measure/Performance Indicator**

Measure/Metric	Demand/Goal	Actual FY 2017-18	Projected FY 2018-19
CDEP provider referrals	119	68	119
Restaurants Participation in Eat Well	20	18	20
TCCCP # of colon cancer screening (January to March)	2,000	964	2,000
HIV # of clients seen	1,000	580	1,000
CCHHBP # of clinics signed up to use system when it goes live	4	6	4

**Environmental Health**  
Division Summary

**Description**

The Environmental Health Division serves to protect the public health in two main ways: The inspections program and the vector control program. The inspections program regulates establishments of public health significance. The vector control program, works primarily to mitigate the threat of mosquito borne diseases through the use of source reduction and pesticide application.

The Environmental Health Division shows an increase of \$44,940 or 5.55% from the prior year. This increase is reflected in the Personnel Service Accounts for the cost-of-living pay adjustment, merit pay increase, and increase health insurance contributions. There is also an increase seen in the Supplies Accounts for the replacement of 6 toughpads for the inspectors. An increase is also reflected in the Service Accounts for the increased costs in fuel for Central Garage Services.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Reorganized the vector control program to have a fulltime employee	Efficiently Deliver City Services
Update the Tattoo/Body Art ordinance	Efficiently Deliver City Services
Two small grants from the Food and Drug Administration (FDA) were received for training and standardization	Efficiently Deliver City Services
In response to increased sanitary overflows, the environmental team has taken a stronger stance on the inspection of the grease trap program in conjunction with building inspections to improve compliance and reduce sanitary overflows	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Apply for FDA small grants for training and standardization	Efficiently Deliver City Services
Complete the OSSF ordinance changes and strictly enforce the maintenance contract portion of the rules	Efficiently Deliver City Services
Complete changes to the swimming pool and lodging ordinances	Efficiently Deliver City Services
Utilizing the "After Action Model" implement a Quality Improvement Plan for the newly reorganized vector control program	Efficiently Deliver City Services
Implement electronic billing	Efficiently Deliver City Services

**Animal Services**  
Division Summary

**Description**

The Animal Services Division provides animal control for the City of Wichita Falls. They are tasked with enforcing city ordinances and State laws pertaining to animals. The shelter houses animals brought in by Animal Control Officers as well as animals surrendered or found and brought in by citizens in Wichita Falls. Animal Services also offers other services such as trap rental, city licenses and microchipping. Animal Services also began doing pet adoptions to the public in April 2014 which has been a factor in the decline in the euthanasia rate. Animal Services also works with local and out of area rescue groups and shelters to transfer animals into other adoption programs to continue to save lives and decrease the euthanasia rate.

The 2018-19 budget for the Animal Services Division represents an increase of \$286 or less than 1% from the prior year. Although there is an increase in Personnel Service Accounts they are offset with a decrease in contract with other agencies leaving the budget the same as the prior year.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Developed new training process for Animal Control Officers	Efficiently deliver City Services
Reorganized Kennel Staff with 2 Part-Time Positions	Efficiently deliver City Services
Increased Community Awareness of our Services	Actively communicate and engage the public
Increased Social Media Presence	Actively communicate and engage the public

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Transition to Dispatcher View in PetPoint	Efficiently deliver City Services
Expand Volunteer Program (easier approval process)	Actively communicate and engage the public
Increase Community Outreach	Actively communicate and engage the public

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>

**Health - Laboratory**  
Division Summary

**Description**

The laboratory has three main functions: clinical testing for diagnostic purposes in support of the Nursing Division (licensed under CLIA), water testing for drinking and non-drinking water (licensed under TCEQ), and environmental testing (not licensed) to support the Environmental Health Division for things such as soft serve testing, hotel/motel inspections, pool/spa inspections, and disease outbreak investigations (locations including schools, daycares, etc.)

The 2018-19 budget for the Lab Division represents an increase of \$15,031, or 6.67%. This increase is reflected in Personnel Service Accounts for the cost-of-living adjustment, merit pay increases, and increased contributions to the Employee Health Care Program.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
Retained CLIA and TCEQ certifications; both sections were inspected/audited in the last year.	Efficiently Deliver City Services
Substantial updates were made to the Water Testing Procedure Manual.	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

Goal/Program	Strategic Initiative Advanced
Review and update processes to improve overall practice and efficiency: monthly Quality Control (QC), Clinical Procedure Manual, continued conversion of paper recording to electronic, and ways to decrease resulting time for clinical patients.	Efficiently Deliver City Services

**Measure/Performance Indicator**

Measure/Metric	Demand/Goal	Actual FY 2017-18	Projected FY 2018-19
Number of clinical specimens	8,000	7,806	8,000
Number of water samples from private, public and environmental health	2,100	2,055	2,100
Number of environmental specimens processed (soft serve and hotel/motel)	200	181	200

**Accounting and Finance Division**  
Division Summary

**Description**

The Accounting and Finance Division provides support services to all City departments including processing all payments to vendors, general accounting, debt service management, banking and investments, grant accounting, maintaining fixed asset records, and processing bi-weekly payroll. Budget development and support is conducted by the division as well. The division also provides assistance to internal and external auditors for the development of the annual financial report. In addition, all investments and revenues are monitored and recorded by the Accounting and Finance Division.

The 2018-19 budget for the Accounting and Finance Division represents an increase of \$25,368, or 4.25% from the prior year. This increase is primarily reflected in Personnel Service Accounts for the cost-of-living pay adjustment, merit pay increases, and increased contributions to the Employee Health Care Program. There is also a slight increase in the Maintenance Account of \$1,100 for anticipated maintenance of an aging printer.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Achieving 22 <sup>nd</sup> consecutive Certificate of Achievement for Excellence in Finance from the Government Finance Officers Association of the United States and Canada	Efficiently Deliver City Services
Timely payments to vendors producing over 35,000 Accounts Payable checks	Efficiently Deliver City Services
Accurately production of payroll and related liability processing	Efficiently Deliver City Services
Grant accounting and processing with no agency or outside findings	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Implement and train all departments on Tyler Finance and Payroll Software	Efficiently Deliver City Services
Develop more efficient time managing skills for vendor payment processing	Efficiently Deliver City Services
Establish vendor self-service for outside vendors creation	Efficiently Deliver City Services

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>

**Information Technology**  
Division Summary

**Description**

The Information Technology Division oversees all computer, telephone, and data network systems, providing day-to-day maintenance and support for City Staff. They also are responsible for oversight of the public safety radio communication system, assist user departments in numerous special projects during the year, and compile research and develop specifications for new applications and hardware requirements. The department is staffed with seventeen full-time employees.

The 2018-19 budget for the Information Technology Division totals \$4,745,973, which is an increase of \$2,072,074, or 77.49% above the prior year. Almost all of this increase is due to costs associated with replacement of the Public Safety Computer Aided Dispatch/Records Management System. The cost to upgrade the software is budgeted at \$1,419,000, server upgrades are \$150,000, and \$171,000 is included for ticket writers, printers, and other ancillary equipment. The budget also includes \$374,000 to replace about ½ of the mobile data terminals associated with this system.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Completed AMI Project	Efficiently Deliver City Services
Upgraded Cisco VoIP phone system	Efficiently Deliver City Services
Finance system upgrade (October Deadline)	Efficiently Deliver City Services
Upgraded network infrastructure in Memorial Auditorium	Efficiently Deliver City Services
Finalization of a new P25 compliant Public Safety Voice Radio System	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Implement new CAD\Mobile\Records System	Efficiently Deliver City Services
HR and Payroll implementation (January Deadline)	Efficiently Deliver City Services
Public Safety vehicle system upgrade (laptops)	Efficiently Deliver City Services

**Purchasing**  
Division Summary

**Description**

The Purchasing Division provides support to all City departments by procuring equipment, materials, supplies, and services at economical prices. Centralization of the purchasing function places the purchasing authority in one office which is responsible for being objective and consistent in purchasing materials/services that meet user requirements and are in the City's best interest.

The Purchasing Division budget for fiscal year 2018-19 shows a slight increase of \$3,693 or 2.37% from the prior year. This increase is primarily in the Personnel Service Accounts due to the cost-of-living pay adjustment, annual merit increases and increase contributions to the Employee Health Care Program.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Issued 3,000 + purchase orders	Efficiently Deliver City Services
Successfully issued and completed 46 RFBs, RFPs, RFQs & IFBs	Efficiently Deliver City Services
Sold 16 lots of surplus supplies/equipment on GovDeals.com for \$39,149.01	Efficiently Deliver City Services
Assisted with implementation of Tyler Software	Efficiently Deliver City Services
Printed and out-sourced jobs at a savings of \$4,228.30	Efficiently Deliver City Services
Upgraded 24 Xerox machines at an estimated savings of \$14,880.00	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Successfully implement and train others on Tyler Software	Efficiently Deliver City Services
Hold public auction - May 2019	Efficiently Deliver City Services

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Proceeds from public auction	Under development		
Tyler software implementation	Under development

**Utility Collections**  
Division Summary

**Description**

Utility Collections generates water, trash, sewer, and storm water bills for the city of Wichita Falls. Utility Collections also bills surrounding towns and communities for treated and untreated water. Each month we bill and collect close to thirty-four thousand accounts. We bill the Reilly road tower customers for residents living inside and outside the county with no water lines. This division opens accounts for new customers, closes accounts, and transfers service for customers moving inside the city. This office receives an average of two hundred and fifty to three hundred calls daily from customers with billing questions or to stop or transfer service. The service workers work all of the connections/disconnections, meter reads/rereads, and consult with customers' issues. For delinquent customers the department runs a cutoff list and disconnects service to customers who have a two-month bill, a door hanger is generated letting the customers why the service was disconnected and the amount owed to restore service. If the customer has paid before 5:00 pm we will restore service, the same day. Utility Collections also works with water distribution to help customers set up new taps and fire hydrant meters.

The overall budget for the Utility Collection Division shows a slight of decrease of \$1,176 or less than 1% from the prior year. Although there is a slight decrease overall, there is an increase in the Personnel Services Accounts for the cost-of-living pay adjustment, merit pay increase, and increased health insurance costs. To offset these increases, there are decreases found in the Supplies Accounts of \$2,530 and the Services Accounts of \$28,308. These decreases are attributed by the need for fewer meter readers supplies and Central Garage charges due to the completion of the smart meters installation.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Implemented AML reading and billing system	Provide Adequate Infrastructure
Established department attendance policy	Efficiently Deliver City Services
Reduced the number of customers appearing on the water cutoff list	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Run System checks for zero and low usage on water customer accounts	Efficiently Deliver City Services
Enlist the Services of a debt collection agency	Efficiently Deliver City Services
Develop a system to alert water customers of large leaks	Efficiently Deliver City Services
Implement an E-Check processing system with bank depository	Efficiently Deliver City Services

**General Police Operations**  
Division Summary

**Description**

The mission of the Police Department is to prevent crime and to protect the lives and property of the citizens of Wichita Falls. To help accomplish its mission, the Police Department has transitioned to an Intelligence Led Policing concept and also obtained Recognized status from the Texas Police Chief's Association Recognition Committee; which continues to ensure that our police department is operating within professional standards.

Overall, the Police Department's operational budget increased \$839,890 or 3.4% from the prior year adopted budget primarily due to annual merit increases, rising health insurance, and TMRS contribution rates in the Personnel account.

The Personnel account series (#60015 to #60330) reflect an increase of \$801,075 (3.6%) primarily due to annual merit increases, rising health insurance, and TMRS contribution rates.

The Supplies account series (#70000 through #70900) reflect an increase of \$17,436 (4.8%) from the prior year adopted budget. The primary increase in the supply category is in the Clothing and Uniform category where the costs of uniforms and body armor have increased, as well as the number of expected new recruits due to vacancies. The increase in uniform and body armor costs is partially offset by a decrease in the Periodicals line item due the lack of law updates in an off-legislative year.

The Maintenance account series (#71030 through 71410) has decreased by \$6,264 (12.4%). The primary reason for this decrease is in the Maintenance of Police Facilities as repairs to the parking lot at the Police Station were completed in previous year.

The Services account series (#72010 to #72330) has increased by \$64,276 (4.1%) over the prior year adopted budget due to higher central garage charges because of increasing fuel prices and maintenance/replacement cost increases.

The Other account series (#75010 to #75270) has decreased by \$8,633 (7.5%) mainly in the Lease Payments budget due to a reduction in copier lease costs.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Recertification -Texas Police Chief's Best Practices	Efficiently Delivery City Services
Grant approvals for equipment - \$114,174	Efficiently Delivery City Services
NextDoor app - 91 neighborhood groups and 7129 residents participants	Efficiently Deliver City Services
Police Training Academy - 100% State license exam pass rate	Attract and retain young voters and graduates
Graduated 39 <sup>th</sup> Citizen Police Academy	Attract and retain young voters and graduates
Patrol - Reduced UCR Part 1 crime (Property and Violent crime) by 13.1 %	Efficiently Delivery City Services
Traffic- Reduction in fatality and motorcycle accidents	Efficiently Delivery City Services
Council approval of STEP Grant	Efficiently Delivery City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Maintain compliance with Texas Best practices	Efficiently Deliver City Services
Roll out facial recognition software for PD use	Efficiently Deliver City Services
Seek further Grant funding for equipment needs	Efficiently Deliver City Services
Records section transitioning to NIBRS records management	Efficiently Deliver City Services

Increase NextDoor app subscribers by 10%	Efficiently Deliver City Services
Crime Free Program - promote program to downtown businesses	Efficiently Deliver City Services
Develop Police Explorer Post- future employment	Attract and retain young voters and graduates
Recruit new officers/employees from WF-area with focus on minorities	Attract and retain young voters and graduates
Patrol - Reduce UCR Part 1 property crime by 10%	Efficiently Deliver City Services
Traffic – Work STEP Grant to reduce fatality accidents by 10 %	Efficiently Deliver City Services
Reduce response time for 0-3 priority calls for service	Efficiently Deliver City Services

***Measure/Performance Indicator***

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>

**Fire Department**  
Department Summary

**Description**

The Fire Department is primarily engaged in fire suppression and emergency medical response (first responders) with personnel operating from eight strategically located fire stations. In addition, the Fire Department also consists of firefighter education and training, fire inspections and investigations, emergency preparedness, community fire prevention education, and administration.

The 2018-2019 General Fund portion of the Fire Department budget reflects an overall increase of \$409,706 (2.6%) over the 2017-2018 adopted budget. The Personnel account series (#60015 - #60340) reflects a total increase of \$369,768, which is a 2.5% increase over the prior year adopted budget. The increase is primarily due to annual merit increases and rising health insurance and TMRS contribution rates.

The Supplies account series (#70000 - #70900) reflects an overall increase of \$19,500 (9.1%) over the 2017-2018 adopted budget. The increase is primarily due to the increase in Fire Clothing related to the Department's Cancer Prevention Program.

The Maintenance account series (#71050 - #71115) reflects an overall increase of \$5,000 (21.1%) over the 2017-2018 adopted budget. The increase is due the increase in maintenance and testing costs for items such as scuba gear and hazardous chemical detectors.

The Services account series has increased by \$3,096, which equates to a 0.3% increase in this series over the 2017-2018 adopted budget. The primary reason for this increase is an \$8,000 additional costs for telephone services. Some of this increase however, was offset with a lower budget in the Central Garage and Gas line items.

The "Other" account series (#75010 - #75210) shows an increase of \$12,721, or 26.0% from the 2017-18 adopted budget. This increase is due primarily to the rise in costs for firefighter and EMS certifications.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
<b>Fire Administration:</b>	
• Provided emergency fire and medical response to the citizens	Efficiently Deliver City Services
• Provided All-Hazard response to Hurricane Harvey through TIFMAS	Efficiently Deliver City Services
• Responded to 9,718 Incidents with no major vehicle accidents	Efficiently Deliver City Services
• Implemented a Cancer Prevention Program for all members	Efficiently Deliver City Services
• Actively engaged the public through prevention and community outreach programs	Actively Engage the Public
• Provided emergency response to the citizens at the lowest cost per resident of our peer cities	Efficiently Deliver City Services
• Completed over 2,000 Commercial Fire Inspections	Efficiently Deliver City Services
<b>Emergency Preparedness Division:</b>	
• Updated and received State of Texas approval for 6 Annexes of the City Emergency Management Plan	Efficiently Deliver City Services
• Participated in 3 Exercises with outside agencies	Accelerate Economic Growth
• Set up equipment, Mobile Command Unit, generators & Light Pod at 4 Downtown Proud events for Event Action Planning and response if needed	Redevelop Downtown
• Worked 68 hours in Tradeshows, seminars and workshops to educate over 20,300 citizens on Being Prepared for disasters.	Actively Communicate and Engage the Public
• Served on 4 boards / committees	Actively Communicate and Engage the Public
• Deployed to help Hurricane Harvey response	Enhance the Wichita Falls Brand
• Applied and received Emergency Management Performance Grant	Efficiently Deliver City Services
• Upgraded Mobile Command Unit with FirstNet data card and cradle point	Efficiently Deliver City Services

<b>Fire Marshal's Office:</b>	
• 1,153 Technical Fire Inspections Completed	Efficiently Deliver City Services
• Review and Approved 193 Construction Projects Submitted	Efficiently Deliver City Services
• Fire Education/Prevention Programs Delivered to 10,178 Participants	Efficiently Deliver City Services
• Work in Co-Operative Program w/ SAFB Fire Department Prevention/Ed	Efficiently Deliver City Services
• Reduction in Number of Structure Fires Inside City Limits	Efficiently Deliver City Services
• Provided Training for Fire Inspector/Investigator Certification	Efficiently Deliver City Services
• Smoke Detector Program Initiated for Citizens in City Limits, 103 Homes	Actively Engage the Public
• Increase Efficiency of Inspections Performed	Efficiently Deliver City Services
• Increase Training Certifications for Members of this Division	Efficiently Deliver City Services
<b>Training and Safety Division:</b>	
• 98% of Firefighter Rank (less Probationary) Certified as Advanced EMT	Efficiently Deliver City Services
• Assisted and Hosted the Vernon College Firefighter Academy	Actively Engage the Public
• Provided Safe, Quality Continuing Education for Firefighters	Efficiently Deliver City Services
• Provided 3 Hazardous Materials Technician Certification classes.	Efficiently Deliver City Services
• All Members Completed the Annual Physical Fitness Test.	Efficiently Deliver City Services
• Hosted the Red River Valley Wildfire Academy	Enhance the Wichita Falls Brand
• Hosted the TFCA Fire Officer Symposium	Enhance the Wichita Falls Brand
• Hosted the Red River District Area Fire School	Enhance the Wichita Falls Brand
• Hosted Multiple Community Organizations in Fire & Training Demonstrations	Actively Engage the Public
<b>Special Operations Division:</b>	Efficiently Deliver City Services
• 1 Qualified Strike Team Leader - Trainee Book Closed	Efficiently Deliver City Services
• 11 National Wildfire Coordinating Group Firefighter Type 2's Certified	Efficiently Deliver City Services
• 3 Qualified Engine Bosses Trained and Certified	Efficiently Deliver City Services
• 3 Qualified Sawyers Trained and Certified	Efficiently Deliver City Services
• Wildfire Strike Team Deployment to Childress 2018	Efficiently Deliver City Services
• Wildfire Strike Team Deployment to Lubbock 2018	Efficiently Deliver City Services
• Wildfire Strike Team Deployment to Amarillo 2018	Efficiently Deliver City Services
• Wildfire Strike Team Deployment to Merkel 2018	Efficiently Deliver City Services
• Wildfire Strike Team Deployment to Ft. Davis 2018	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
<b>Fire Administration:</b>	
• Comprehensive Goal/Career Advancement Training Program	Efficiently Deliver City Services
• Increase efficiency in the Hydrant Maintenance Program	Efficiently Deliver City Services
• Achieve a higher finished rate for Commercial Fire Inspections	Efficiently Deliver City Services
• Reduce cancer risks to members through programs and policies	Efficiently Deliver City Services/Safety & Wellness
<b>Emergency Preparedness:</b>	<b>Fire Marshal's Office:</b>
• Continue to achieve Certified Emergency Management certification.	Efficiently Deliver City Services
• Continue to conduct public outreach to a major portion of the City	Actively Communicate & Engage the Public
• Train more responders in Incident Command and the National Incident Management System (NIMS).	Efficiently Deliver City Services

<b>Fire Marshal's Office:</b>	<b>Training and Safety Division:</b>
• Increase # of Members Certified as Inspectors/Investigators	Efficiently Deliver City Services
• Growth in Fire Prevention/Education Program Involvement	Actively Engage the Public
• Include FEO's in this Division as Part of Minimum Staffing	Efficiently Deliver City Services
• Expand PSA Information Process for Smoke Detector Program for Citizens	Actively Engage the Public
• Develop Fire Prevention Program for Adults & Local Businesses	Actively Engage the Public
• Create a Positive Public Image Through Community Involvement Programs	Actively Engage the Public
• Prepare Replacement for Fire Marshal Position	Efficiently Deliver City Services
<b>Training and Safety Division:</b>	
• Recruit, Test, and Teach the 65 <sup>th</sup> Fire Recruit Academy	Efficiently Deliver City Services
• Provide a Fire Officer I Class	Efficiently Deliver City Services
• Provide Instructor I and II class	Efficiently Deliver City Services
• Host a Junior Fire Academy	Actively Engage the Public
• Host a Citizen Fire Academy	Actively Engage the Public
• Provide Fire Apparatus Driver Training	Efficiently Deliver City Services
• Host the Red River Valley Wildfire Academy	Enhance the Wichita Falls Brand
• Host the Red River District Area Fire School	Enhance the Wichita Falls Brand
• Host Multiple Community Organizations in Fire & Training Demonstrations	Actively Engage the Public
<b>Special Operations Division:</b>	
• Creation of a Community Wildfire Protection Plan (3 year goal)	Efficiently Deliver City Services
• Strengthen our NWCG training and qualifications with our Partners	Efficiently Deliver City Services
• Wildfire Mitigation Treatment. Year 1: attempt to treat 75 Acres within the City of Wichita Falls around WUI infrastructure for wildfire prevention.	Efficiently Deliver City Services
• Wildfire Education and Outreach delivered to 100+ Citizens	Actively Engage the Public

**Recreation**  
Division Summary

**Description**

The Recreation Division is responsible for the promotion of, registration for and administration of senior adult programs, recreation classes, day camps and special events for all ages and adult athletic programs and tournaments for all ages and the tennis program as well as the reservations for park pavilions, log cabin and Kemp/Sunnyside Center, mobile stage, swimming pool, sports complex, practice fields and meeting rooms along with the grounds, equipment and facility maintenance associated with these areas. The recreation staff also monitor the performance of the Hamilton and Weeks Park Tennis Center management agreement.

The 2018-19 budget for Recreation has increased by \$22,436, or 1.59% from the prior year. However, Personnel Services Accounts alone increased by \$45,000 to provide for the cost-of-living pay increase, merit pay increases and increased contributions to the Employee Health Insurance Program for the same staffing levels. Supply and Service Account both show reductions due to fewer tournaments being held at the City's Sports Complex requiring less concession supplies and game officials. Much of this reduction can be attributed to teams booking tournaments at facilities with artificial turf, which would be a major expense.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Kemp/Sunnyside Center update and reservation management.	Accelerate Economic Growth
Recreation Center anchor of Downtown Stroll & Roll event.	Redevelop Downtown
Free Concert events Downtown and in various locations around town.	Enhance the Wichita Falls Brand
Completed 5 <sup>th</sup> year of Internship Program with MSU Education Dept.	Attract & Retain Young Workers & Graduates
Completed 2 <sup>nd</sup> year of Internship Program with MSU Mass Communication.	Attract & Retain Young Workers & Graduates
Worked with CVB to attract new major sports tournament at Sports Complex.	Accelerate Economic Growth
Combined two Tennis Centers into one without loss of revenue and usage.	Efficiently Deliver City Services
Advanced recreation projects for bond proposal.	Provide Adequate Infrastructure
Worked with MSU, WFISD, TPWD and various Civic Organizations.	Enhance the Wichita Falls Brand
Increased media presence through expanded social and print media.	Actively Communicate & Engage the Public

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Develop and Increase participation in Downtown events and activities.	Redevelop Downtown
Expand involvement in Internship program.	Attract & Retain Young Workers & Graduates
Attract & create new events for Recreation facilities.	Accelerate Economic Growth
Continue to deliver quality service and facilities at the lowest cost.	Efficiently Deliver City Services
Improve cooperation with Downtown Proud, Pride in the Falls and CVB.	Redevelop Downtown /Accelerate Economic Growth
Increase presence through media and public participation.	Actively Communicate & Engage the Public

**Measure/Performance Indicator**

**Parks Maintenance**  
Division Summary

**Description**

The Parks Maintenance Division provides overall maintenance for 39 City parks, 18-miles of Circle Trail, 5 Lake Arrowhead parks, 4 ponds with fountains, over 25 miles of boulevards/medians and the landscapes at 14 Municipal facilities. Maintenance tasks include: over 1,900 acres managed, 1,235 acres of turf mowed, 150 color beds and over 10,000 irrigated trees. Other tasks include upkeep of 11 ornamental structures, 20 landscaped intersections, numerous fences, 37 drinking fountains, 15 trail bridges, irrigation systems, 45 picnic shelters, 230 tables, 120 benches, playground equipment, and 14 restrooms.

The 2018-19 budget for Parks Maintenance, including the Business Park/MPEC organization, shows an increase of \$201,735, or 5.33% from the prior year adopted budget. Almost ½ of this increase is represented in Personnel Service Accounts for the cost-of-living adjustment, merit increases, health insurance contributions, and to reclassify 11 seasonal employees without benefits to 5 full-time positions including benefits. This reorganization is planned to aid in keeping adequate manpower during the summer months as it has been extremely difficult to hire seasonal help over the last several years. It should also help address the increase in maintenance responsibilities that have been added to this division over the last two decades in circle trail and additional facility maintenance. Other increases in this budget are shown in Maintenance Accounts to budget \$45,000 to replace a 31-year old HVAC compressor at the Parks Maintenance Shop. There is also an increase in the Professional Services Account to adjust the cost for the crew provided by the Work Service's Corporation to more accurately reflect what has been needed in recent years for that contract. Additionally, \$90,000 is included to begin outsourcing the mowing, edging and blowing of grass at 18 smaller parks to the Work Services Corporation.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Construction of watermill ornamental structure and landscape	Enhance the Wichita Falls Brand.
Construction and landscaped new Prairie Dog Exhibit	Enhance the Wichita Falls Brand
New Falls bridge and trail under I-44	Provide adequate Infrastructure
Wichita Bluff to L-11 trail section.	Provide adequate Infrastructure

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Recommend outsourcing the mowing/maintenance of several smaller parks	Efficiently Deliver City Services
Construct three more sections of trail, L11 to Lucy, Seymour to Barnett, LWP to Larry's Marine	Provide adequate Infrastructure
Install new playgrounds at two or more parks in low income areas	Provide adequate Infrastructure
Add picnic tables and amenities at Scotland Park shelter	Provide adequate Infrastructure
Eliminate Several Seasonal Positions and add Fewer Full-time Positions	Efficiently Deliver City Services
Replace HVAC Unit at Parks Maintenance Facility	Provide adequate Infrastructure

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Acres maintained per full-time employee - annually	26	26	26
Annual cost/acre of land maintained	New measure

**City Lots**  
Division Summary

**Description**

The City Lots Division was initially formed to maintain the City-owned trustee lots. However, over time, the crew also began mowing privately-owned lots that were in violation of the City's Code Enforcement Ordinances. The crew three FTE's and two seasonal PTE's. The crew maintains nearly 600 trustee lots year round and average over 200 privately-owned code violation properties a month during the growing season. Since 2001, over 90,000 lots have been mowed.

The 2018-19 budget represents an increase of \$28,500, or 21% from the prior year budget. All of this increase is accounted for in Personnel Services as one seasonal position without benefits has been converted to a full-time position with benefits. Additionally, the budget includes the funds for the cost-of-living adjustment, merit increases and increased contributions to the Employee Health Insurance Program.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
Mowed 6510 lots combined. 5012 Trustee and 1498 code violations	Efficiently deliver City services
Cleared trees and cleaned debris on 105 trustee lots for ease of future maintenance	Efficiently deliver City services

**Proposed FY 2018-19 Major Goals/Programs**

Goal/Program	Strategic Initiative Advanced
Improve the quality of trustee lots to market them for sale to public.	Accelerate Economic Growth
Raise the fines for code violations to encourage owners to maintain their own.	Accelerate Economic Growth

**Measure/Performance Indicator**

Measure/Metric	Demand/Goal	Actual FY 2017-18	Projected FY 2018-19
Cost per lot/per mowing occurrence	New measure

**Castaway Cove Water Park**  
Division Summary

**Description**

The Water Park Fund is a part of the Parks Department and accounts for operating revenues and expenditures related to the Castaway Cove Water Park. This park is owned by the City and operated through a management agreement with Amusement/Aquatic Management Group. The park was purchased from the private sector when the investors decided to close the park. The City used 4B Sales Tax Corporation Funds to make the initial capital purchase and its operations have consistently been covered with revenues received through park operations.

Total revenues for this Enterprise Fund are estimated to be \$1,412,135 and total expenditures are budgeted at \$1,368,014, or an estimated net income of \$44,121. This net income is based on estimated attendance of 82,000 and may be slightly conservative. However, any net income that is generated at the park will remain in this Enterprise Fund for future improvements and repairs that are needed at the park.

**Cemetery**  
Division Summary

**Description**

The Cemetery Division operates and maintains the four City owned cemeteries known as Riverside, Lakeview, Rosemont, and Hillcrest and consists of property sales, providing complete funeral services, grounds maintenance, and record keeping. The crew of four FTE's and two seasonal PTE's maintain a total of 97 acres of mowing and trim around more than 23,000 grave markers.

The budget for the Cemetery Division remains relatively unchanged from the prior year.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Finished Design Plan with EDA Land Planning for Riverside Cemetery expansion.	Efficiently deliver City services
Filled the infill areas to make spaces for phase1 of expansion	Efficiently deliver City services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Implement expansion plan in phases.	Efficiently deliver City services
Have infill areas surveyed and platted for sales.	Efficiently deliver City services
Create and adopt new cemetery rules to replace 1926 rules	Efficiently deliver City services
Open new section for sales in Rosemont.	Efficiently deliver City services

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Acres of developed cemeteries maintained	97	97	110
Acres maintained per FTE/PTE employee	16.7	16.7	18.33
Annual cost/acre of land maintained	New measure

**Planning Division**  
Division Summary

**Description**

The Planning Division provides general development services to the community in addition to public awareness regarding the various components that comprise the planning field (e.g. land use/zoning, platting, economic development, land management/encroachment, downtown/neighborhood revitalization, historic preservation, demography/socio-economics, etc). The division is engaged in a wide-variety of short-range (current, day-to-day activity) and long-range planning projects (special purpose and forecast plan development) in order to carry-out all aspects of urban planning. In addition, the division is responsible for providing staff support to the following boards and commissions: Airport Board of Adjustment; Board of Adjustment; Landmark Commission; Planning & Zoning Commission; TIF #2; TIF #3; TIF #4. Ancillary support and involvement with the following: Downtown Steering Committee initiative and Joint Land Use Study Implementation Committee to serving as the City's ex-officio representatives to the Downtown Wichita Falls Development, Inc. and Wichita County Heritage Society organizations.

Overall, the Planning Division's Budget represents an increase of \$10,274, or 2.1% from the prior year adopted budget. The large majority of this increase is due routine step/merit pay increases and rising health insurance and TMRS contribution rates. There is also an increase of \$1,480 in travel related accounts for the new director to attend the conferences of the American Planning Association, Texas Municipal League, and to maintain AICP certifications.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Sheppard AFB Main Gate-Transit Plaza – DEAAGrant Project Completion & Closeout	Accelerate Economic Growth
Economic Dev't – Low Income Housing Tax Credit (LIHTC) Projects	Accelerate Economic Growth
Ordinance Revisions: <ul style="list-style-type: none"> <li>• Subdivision &amp; Dev't Regulations</li> <li>• PUD Provisions</li> <li>• Outdoor Mobile Food Courts</li> </ul>	Accelerate Economic Growth Efficiently Delivery City Services
Annexation - owner petitioned: Trophy Park – Gregg Rd	Accelerate Economic Growth
Downtown Initiatives – Zoning Diagnostic Report, Streetscapes Renderings, etc.	Redevelop Downtown

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Implement Development Review Committee (DRC) concept; formalize development submittal/review timeline(s)	Efficiently Deliver City Services
Initiate 2020 Census Preparations – LUCA, CCC, etc.	Actively Communicate and Engage the Public
JLUS Implementation: 2017 DEAAGrant Project – SAFB Main Gate Remodel	Advocate for Long Term SAFB Success
Records Retention Project: Scanning Master Plat Files	Expand City Internship Opportunities
Implement Revised Plats Processing	Efficiently Deliver City Services
Implementation of Downtown Zoning Diagnostic	Redevelop Downtown

**Measure/Performance Indicator**

**Building and Code Administration**  
Division Summary

**Description**

Building Inspections is responsible for working with the development community in attaining compliance with the City's adopted construction-related codes as part of new and remodel construction projects. The division's day-to-day activities include reviewing plans for proposed construction projects within the City, inspecting construction projects for compliance with City codes, and licensing and registering contractors. The goal of the Code Enforcement Division is to be proactive and responsive while working with residents and business owners towards compliance with the City's nuisance-related ordinance. Compliance facilitates neighborhoods that are clean, safe places to live, work, and play and can assist in reducing vandalism, deter crime, and maintain property values. Federal CDBG funds are used to assist in funding the City's demolition program and related administrative costs.

The budget for the Building & Code Administration Division reflects an increase of \$99,866, or 8.1% from the prior year. This increase is shown almost entirely in Personnel Service Accounts due to step/merit pay increases, rising health insurance costs, and TMRS contribution rates. All other accounts remain relatively unchanged from the prior year.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
Building Inspections:	
<ul style="list-style-type: none"> <li>PlanGrid – developed and refined the use of PlanGrid to better facilitate plan retrieval in the field. All current plans are viewable by inspectors on iPads.</li> </ul>	Efficiently Deliver City Services
<ul style="list-style-type: none"> <li>Expanded customer counter to better facilitate “one stop shop” concept</li> </ul>	Efficiently Deliver City Services / Actively Communicate & Engage the Public
Code Enforcement:	
<ul style="list-style-type: none"> <li>Code Zones realigned to provide one code officer for the greater downtown and eastside area.</li> </ul>	Redevelop Downtown
<ul style="list-style-type: none"> <li>Initiated compliance efforts related to commercial parking lots: maintenance of striping and abatement of pot holes.</li> </ul>	Enhance the Wichita Falls Brand
<ul style="list-style-type: none"> <li>Initiated compliance efforts related to commercial signage in need of maintenance or repair</li> </ul>	Enhance the Wichita Falls Brand

**Proposed FY 2018-19 Major Goals/Programs**

Goal/Program	Strategic Initiative Advanced
Building Inspections:	
<ul style="list-style-type: none"> <li>Scan existing plans into digital files.</li> </ul>	Efficiently Deliver City Services
<ul style="list-style-type: none"> <li>MyGov Software Upgrade – Possible Plan Review Module Integration</li> </ul>	Efficiently Deliver City Services
<ul style="list-style-type: none"> <li>Continue to provide support for regulatory initiatives related to the Downtown Development Program</li> </ul>	Redeveloped Downtown
Code Enforcement:	
<ul style="list-style-type: none"> <li>Participate with Downtown Steering Committees to create ordinances that will help to enhance the greater downtown area.</li> </ul>	Efficiently Deliver City Services
<ul style="list-style-type: none"> <li>Find more effective ways to improve the processing time it takes for demolitions.</li> </ul>	Efficiently Deliver City Services
<ul style="list-style-type: none"> <li>Increase the number of demolitions to maximize the use of funds.</li> </ul>	Efficiently Deliver City Services
<ul style="list-style-type: none"> <li>Increase code officer time in the field.</li> </ul>	Enhance the Wichita Falls Brand
<ul style="list-style-type: none"> <li>Exceed prior year totals in cases and inspections.</li> </ul>	Enhance the Wichita Falls Brand
<ul style="list-style-type: none"> <li>Abate junk vehicles on private properties using the junk vehicle ordinance.</li> </ul>	Enhance the Wichita Falls Brand
<ul style="list-style-type: none"> <li>Continue compliance efforts related to commercial parking lots: maintenance of striping and abatement of potholes.</li> </ul>	Enhance the Wichita Falls Brand

**Property Management**  
Division Summary

**Description**

The Property Management Division consists of Lake Lots, Liens, and Trustee Properties, as well as all City-owned properties. The division provides property research to all City Departments, the general public, prepares and files all legal documents, handles all real property acquisitions and dispositions, negotiates, bills, and collects all City leases and City liens. Inventory consists of 575 Trustee Properties, 610 Lake Leases, 9,200 Liens and 23 miscellaneous leases (billboard, parking, tower, etc.).

The budget for Property Management has increased by \$8,388, or 2.8% from the prior year. This increase is shown entirely in Personnel Service Accounts due to step/merit pay increases, rising health insurance costs, and TMRS contribution rates. The increase is partially offset by a decrease in costs for Lien Filing.

The budget for Lake Lot Administration has been increased by \$6,941, or 4.9% from the prior year adopted budget. Much of this increase is resulting from routine step/merit pay increases and rising health insurance and retirement contributions. There is also an increase of \$2,214 related to increased service charges in Central Garage.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Trustee Property Inventory Reduction by 9% (10-1-17 through 5-1-18)	Accelerate Economic Growth
Implementation of outdoor dining regulations downtown	Redevelop downtown

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Implement Records Mgmt. / Scanning for Legal Documents and Projects	Efficiently Deliver City Services
Acquire Software for Lake Lease Pmts./Historical Data/Tracking	Efficiently Deliver City Services
Investigate and proposed plan to replace/repair fencing at grazing leases	Efficiently Deliver City Services
Collaborate with Developers to Acquire Trustee Property for HUBZone Program	Accelerate Economic Growth
Investigate and propose plan to improve hunting lease property	Efficiently Deliver City Services
Continue proactive efforts to reduce trustee property inventory	Efficiently Deliver City Services

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Encroachment Agreements	5 working days	3 days	3 days
Lake Leases	10 working days	5 days	5 days
Lien Releases	5 working days	1 day	1 day
Trustee property inventory	New measure

## Neighborhood Resources

### Division Summary

#### **Description**

Neighborhood Resources administers the (1) Community Development Block Grant (CDBG) program, (2) the HOME Investment Partnership Program, and the City's Housing Choice Voucher (HCV) Program (formerly Section 8), all of which are via funds received each year from the U.S. Department of Housing and Urban Development. Funding amounts are determined by formula and vary with economic and demographic factors and Congressional appropriation. Funding for local projects is appropriated by an application process and approved by the City Council.

Programs directly administered by the division include the Minor and Emergency Repair Programs, First Time Homebuyers Program, and programs provided to the City including Code Enforcement, Demolition, Street Department Concrete Crew, Parks, Health Department, and Public Works. The division is also responsible for related funding that supports local tax-exempt organizations that provide services to low/moderate-income persons, such as Habitat for Humanity, Child Care Inc., Senior Citizens, First Step, and Christmas in Action.

The division also manages the City's Housing Choice Voucher (HCV) Program (formerly Section 8) which provides rental assistance for low-income households. A portion of the rent is paid directly to the landlord on behalf of the families. The goal of the Housing Choice Voucher program is to provide decent, safe, and sanitary housing for low income individuals and families.

CDBG funding for the Community Development Department totals \$880,656, which is an increase of \$3,595, or 0.4% from the prior year adopted budget. CDBG Grant Management (6811) and CDBG Delivery Costs (6826) increased from \$254,445 to \$276,780. Emergency Repair (6820) increased from \$70,000 to \$130,000. Minor Repair Program decreased from \$120,000 to \$70,000. Funding for outside agencies, that are accounted for in the Community Development Department, includes Senior Citizens Meals on Wheels (6873) and Christmas in Action (6816).

Federal funding for the 2018-19 HOME Program totals \$398,264, which is an increase of \$123,756 (45.1%) over previous year. Funds for this program are used for down payment and closing costs for lower income families and individuals who are first-time homebuyers. The 2018-19 budget for the Section 8 Rental Assistance Program is \$3,814,650, which represents an increase of \$4,884 or 0.1% from the prior year. This budget is based on the number of vouchers currently in use.

#### **FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Provided downpayment & closing cost assistance to first-time home buyers	Accelerate Economic Growth Actively Communicate & Engage the Public
Provided development costs for construction of new affordable housing	Accelerate Economic Growth
Provided minor and emergency repairs to low-mod income homeowners	Accelerate Economic Growth Actively Communicate & Engage the Public Efficiently Deliver City Services
Provided funding in support of City programs	Accelerate Economic Growth Provide Adequate Infrastructure Efficiently Deliver City Services
Provided funding in support of local non-profit organizations	Accelerate Economic Growth Actively Communicate & Engage the Public
Conducted monthly meetings for new clients coming on HCV program to increase program participation	Accelerate Economic Growth
7 Project Based Vouchers for the Reserves at Summit West are all occupied.	Accelerate Economic Growth

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Provide downpayment & closing cost assistance to first-time home buyers	Accelerate Economic Growth Actively Communicate & Engage the Public
Provide development costs for construction of new affordable housing	Accelerate Economic Growth
Provide minor and emergency repairs to low-mod income homeowners	Accelerate Economic Growth Actively Communicate & Engage the Public Efficiently Deliver City Services
Provide funding in support of new Lynwood East Community Center	Accelerate Economic Growth Provide Adequate Infrastructure Efficiently Deliver City Services
Provide funding in support of local non-profit organizations	Accelerate Economic Growth Actively Communicate & Engage the Public
Assist Director in investigating, proposing, and attaining HUD designation(s) or target areas in the geographic areas (1) <i>generally bounded by</i> Kemp - west, Brook - east, Kell - south, and Seymour Hwy - north (WFHS/Zundy, Bridwell Park, and Floral Heights areas), and (2) east Scott Street generally between Old Jacksboro Hwy and Hwy 79.	Accelerate Economic Growth Actively Communicate & Engage the Public
Provide assistance and maintain approximately 900 clients on the HCV program.	Accelerate Economic Growth
To improve efficiency and communication add appointment software to help remind clients of appointments.	Efficiently Deliver City Services
To enhance customer service by provide additional on-line services for clients and property owners. Reducing the need to come into the office for appointments and documents.	Efficiently Deliver City Services

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>

**Aviation**  
Division Summary

**Description**

The Aviation Division is comprised of two airports: Wichita Falls Regional Airport, which is a Part 139 FAA and TSA regulated commercial Airport, and the Kickapoo Downtown Airport which is a General Aviation Airport under TxDOT jurisdiction. The Regional Airport is responsible for the overall commercial aviation operation, operated upon land leased from the Department of Defense. The Kickapoo Downtown Airport, which was acquired in 2000, involves the general aviation operation located on Jacksboro Highway. This includes maintaining safe, reliable, and comfortable airport facilities and maintaining all City controlled airport buildings, grounds, and taxiways. At the Wichita Falls Regional Airport, commercial aviation shares the facilities and runways with Sheppard Air Force Base. As a result of this lease arrangement, the City is able to provide municipal airport service at a very low cost.

**Regional Airport:**

Total operating revenues for the Regional Airport are budgeted at \$1,200,188, a decrease of \$39,227, or 3.16% from the prior year adopted budget. Revenue decreases are due to adjustments to Customer and Passenger Facility Fees (set at maximum allowable amounts) to current year estimated revenues, and Terminal Office Rent has declined because the prior year included revenue from the rental car agencies that was behind in payment to the City.

The expenditure budget for the Regional Airport totals \$1,382,004, which is \$31,362, or 2.32% above the prior adopted budget. Items in the budget driving much of this increase include: a \$14,000 increase in administrative overhead to the General Fund and IT fund for support services; an \$8,000 increase for matching contributions for the Routine Airport Maintenance Program Grant (RAMP) for eligible maintenance projects such as jet bridges, parking control equipment, airfield lighting, surveillance system, etc., and a \$4,500 increase for the rental agreement with SAFB. There is also an increase of \$9,300 in Personnel Service Accounts for cost-of-living pay adjustments, merit pay, and increased contributions to the Employee Health Insurance Program. It should also be noted that approximately \$669,000 of this budget is dedicated to pay the annual debt service costs for the new airport terminal, which will be retired in fifteen years. This large debt service burden causes an operating loss of \$181,816 in the Regional Airport Fund, which is now covered entirely with a transfer from the General Fund.

**Kickapoo Airport:**

The revenue budget for Kickapoo Airport is \$1,069,205, which is \$17,771, or 1.69% above last year's adopted budget. This increase is principally due to higher prices for fuel sales at the airport even though overall markup on the fuel has been reduced. There is also some increase in hangar rental payments which are tied to the growth in the CPI. Expenditures for the Kickapoo Airport also total \$1,069,205, an increase of 1.69% from the prior year. However, in the prior budget, expenditures included an operating transfer of \$90,230 to the Regional Airport to help with the operating subsidy, which is not budgeted in 2018-19 because expenditures have increased in several other areas: the Fuel Supply Account has increased by \$71,000 to account for the higher fuel prices experienced lately; the Insurance Account shows an increase of \$13,000 to add 35 airplane hangars to our building coverage; \$15,000 is budgeted to replace a 15-year old utility vehicle used by the Linemen; and a \$20,000 increase is reflected in Personnel Service Accounts to cover the cost-of-living and merit pay adjustments and increased contributions to the Employee Health Insurance Program.

**Traffic Engineering**  
Division Summary

**Description**

The Traffic Engineering Division is responsible for the following: Addressing traffic issues through analysis of traffic data and proper selection and application of traffic control devices, i.e., signs, pavement markings, and signals. Design, build, operate, and maintain traffic signals, school zone beacons, and traffic control signs. Street name signs, pavement markings, and the computerized traffic control system. Investigating and abating traffic hazards caused by vegetation. Operating school crossing guard program, providing traffic engineering expertise in the development process for upcoming projects in coordination with Public Works and Planning departments. Assisting the development community in meeting traffic related projects through information, document review, and traffic engineering expertise.

Overall, the 2018-19 budget for Traffic Engineering has increased only \$25,852, or 1.33% from the prior year; however, there are changes across numerous accounts that should be mentioned. The budget shows a reduction of one Traffic Control Tech position, a reduction of \$36,000 in Street Light Maintenance, and \$139,000 less for Street Light Electricity Accounts, with an increase of \$101,572 in Debt Accounts for one-half of an annual capital lease payment as part of the Energy Performance Contract to replace 5,800 street lights from high pressure sodium to LED technology. Additionally, Capital Improvement Accounts have been reduced by \$43,000 because the 2017-18 budget included \$71,000 in Street Light replacement with LED lighting for the lights on the Lloyd Ruby Overpass. These reductions have been offset, with increases in with LED lights. However, the budget includes an increase of \$89,000 for the first of five annual capital lease payments for the new Traffic Signal Communication System, \$30,000 to improve the Annual Street Striping Program, \$18,000 for Central Garage Charges, and \$68,000 to replace traffic control infrastructure at several congested intersections.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Completed annual sign change out	Efficiently Deliver City Services
Completed update of Traffic Engineering Website	Transparency with the public
Installed and observed new pedestrian crossings	Efficiently Deliver City Services
Completed JSA's and SOP's	Improving Safety Standards
Implemented new pavement marking schedule	Efficiently Deliver City Services
Continue to improve financial performance of the traffic department	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Continue to upgrade new signal cabinet technology	Efficiently Deliver City Services
Identify maps and proposed new bicycle lanes	Enhance the Wichita Falls Brand
Annual roadway striping	Efficiently Deliver City Services
Quarterly maintenance on intersections	Efficiently Deliver City Services
Complete parking lot striping	Efficiently Deliver City Services
Complete back to school programs	Efficiently Deliver City Services
Continue signal detection system upgrades	Efficiently Deliver City Services
Continue to promote the Bike Safe Program to schools	Enhance the Wichita Falls Brand
Complete roadway lighting project	Efficiently Deliver City Services
Upgrade for signal communications on 102 signalized intersections	Efficiently Deliver City Services
Installation of Phase II Wayfinding signage and repairs to Phase I	Efficiently Deliver City Services and enhance the Wichita Falls Brand

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Annual roadway striping (miles)	New measure		
Traffic signs maintained	60,000	60,000	60,000
Traffic sign assemblies installation/replacement	3000	3200	2800
Traffic signals maintained	102	102	102
Outdoor warning sirens maintained	56	56	56

**Public Transportation**  
Division Summary

**Description**

The Public Transportation Division provides transportation services to the citizens of Wichita Falls. The division maintains a fleet of eleven 35-foot transit buses and 2 Ford 550, 30-foot cutaway buses. We provide more than 460,000 trips annually, and raise more than \$435,000 in revenue that goes to support the division financially and reduce the money needed from the General Fund. The total budget for the Transit System is separated into five budgetary units: (1) Transit Operations (7200), Transit Capital (7201) Transit Preventative Maintenance (7202), Transit Planning (7203), and Transit Hub Operations (7206).

In 2018-19, the total budget for the Transit System is at \$2,655,552, which is an increase of \$255,919, or 10.66% from the prior year adopted budget. Much of this increase is because the 2018-19 budget includes \$425,500 to replace one 35-foot bus and the prior year included \$280,000 for costs for parking, routing and shelter improvements for the bus system located at the entrance to Sheppard Air Force Base as part of the perimeter base security project. Additionally, the 2018-19 budget for supplies shows an increase of \$91,000 for higher fuel prices and parts to maintain the bus fleet. There is also an increase of \$11,000 for self-insured fleet claims and \$6,800 to produce new bus route books. It should be noted, that some of this increase is offset by a reduction in personnel expenses as one supervisory position was eliminated.

Of the total budget, \$2,635,323, or 99.24% of the cost of the Transit System is expected to be funded with Federal and State Grants and system operating revenues from passenger fees, advertising sales, Transit Hub Operations, and a contract with MSU. The remaining \$20,229, or 0.76% is supported by the General Fund. This amount is approximately \$88,500 less than the prior budget principally because TxDOT has agreed to an increase in funding.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Install DoubleMaps AVL/GPS tracking system	Efficiently deliver city services
Order 3 new 35' buses	Provide adequate infrastructure
Restructure the Travel Center management	Efficiently deliver city services
Issue RFP for electronic fare collection system	Efficiently deliver city services
Issue RFQ for initial 30% design of new transit maintenance facility.	Provide adequate infrastructure
Order seating for the SAFB Main Gate Travel Plaza	Provide adequate infrastructure
Use 5310 Grant for Individuals with disabilities/elderly, low income	Efficiently deliver city services
Establish a late night home service	Efficiently deliver city services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Install an electronic fare collection system	Efficiently deliver city services
Order 1 new 29' bus	Provide adequate infrastructure
Complete SAFB main gate project – New travel plaza	Provide adequate infrastructure
Choose designer for RFQ for 30% design of maintenance facility	Provide adequate infrastructure
Establish route to connect MSU students to Downtown	Redevelop downtown
Use 5310 Grant for Individuals with disabilities/elderly, low income	Efficiently deliver city services
Submit coordinated call grant for planning money for new maintenance facility	Provide adequate infrastructure
Update transit web page	Actively communicate and engage the public

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Revenue – passenger fares	\$235,000	\$228,000	\$230,000
Passenger trips	485,000	458,000	460,000
Safety: number of accidents per 1,000 miles driven	New measure

**Wichita Falls Metropolitan Planning Organization (MPO)**  
Department Summary

**Description**

The MPO is a federal mandated and funded transportation policy-making organization made up of representatives from the local area. Federal funding for transportation projects and programs within the geographic area are channeled through the planning processes facilitated by the Wichita Falls MPO. The Wichita Falls MPO includes the City of Wichita Falls, Lakeside City, and Pleasant Valley. MPO staff interacts with federal, state, and local officials in the development and implementation of the Metropolitan Transportation Plan, the Transportation Improvement Program, the Unified Planning Work Program, Travel Demand Modeling, Transit Planning, and the daily operations of the office.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Approval by Policy Board of 2017 Demographic and Socioeconomic Data Forecast Update	Accelerate Economic Growth
Assisted NORTEX with development of Regional Coordination Transportation Plan (RCTP). The Federal Transit Administration (FTA) requires each state to engage in the development of a regionally coordinated transportation planning process every five years.	Accelerate Economic Growth
Development and Policy Board approval of the 2019-2022 Transportation Improvement Program (TIP)	Accelerate Economic Growth
2017 Transportation Alternative Set-Aside grants for Wichita Falls three sections of the Circle Trail System	Provide Adequate Infrastructure
Assist Falls Ride with updates to transit route maps and rider's manual	Efficiently Deliver City Services
Updated WFMPO's annual Prioritized Project List (PPL) through work done by the Technical Advisory Committee (TAC)	Provide Adequate Infrastructure
Assist Falls Ride with transit grant (FTA Section 5307) development, management of grants, and Triennial Reviews	Efficiently Deliver City Services
Update WFMPO's Public Participation Plan to reflect FAST Act changes and requirements for inclusion of public transportation providers in the metropolitan transportation planning process, and in performance based planning and programming procedures	Actively Communicate and Engage the Public

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Work with TxDOT Modeling Division in Austin to complete updates to the Wichita Falls Travel Demand Model (TDM)	Accelerate Economic Growth
Revise the 2019-2022 Transportation Improvement Program (TIP) to include newly funded projects as funding becomes available. This includes FTA funded projects for "Falls Ride," generally Section 5307 small urban public transportation grants	Efficiently Deliver City Services Accelerate Economic Growth
Begin work on updating the 2015-2040 Metropolitan Transportation Plan to the next 5-year cycle of 2020-2045	Accelerate Economic Growth
Begin work on the 2020-2021 Unified Planning Work Program (UPWP). The UPWP is a two-year document detailing the expected work of the MPO	Accelerate Economic Growth
Update the annual Prioritized Project List with new projects and remove let, completed, and under construction projects	Provide Adequate Infrastructure

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Transportation Planning Funds (TPF) expended	\$259,878	\$130,251	\$240,000
Update the Metropolitan Transportation Plan to the new 5-year cycle of 2020-2045	100%	20%	95%
Produce a GIS bicycle and pedestrian trail map overlay for “Falls Ride” to identify possible bus shelter locations	100%	10%	100%
Develop the 2020-2021 Unified Planning Work Program	100%	0%	100%
Hold two (2) Bicycle and Pedestrian Advisory Committee (BPAC) meetings per year	100%	50%	100%
Submit the Bicycle Friendly Community application for Bronze or Silver accreditation for the City of Wichita Falls	100%	10%	100%

**Central Services**  
Division Summary

**Description**

The Central Services Division provides equipment, maintenance and vehicle services for all divisions within the City organization. We have 772 registered units, 1009 non-registered small equipment and landfill heavy equipment. We have contractual agreement to maintain Wichita County equipment. The division also provides fuel for the City, County, Transit, Vernon College and County Volunteer Fire Departments.

The 2018-19 budget for Central Services is \$10,296,155, which is \$473,656, or 4.82% above the prior year adopted budget. The primary reasons for this increase include: (1) a \$461,100 increase in the Fuel Account as prices have trended upward over the last year; (2) a \$111,000 increase in the Motor Vehicle Replacement Account as we continue to increase capital outlays to keep up with depreciation of equipment; and (3) an increase of \$95,000 in Personnel Service Accounts due to the cost-of-living and merit pay adjustments and increased contributions to the Employee Health Insurance Program. There is also an increase of \$55,000 other supply accounts to address a shortage of inventory in small engine equipment and the rising cost of tires. Some of these increases are offset, however, through a reduction in the Vehicle Maintenance Account of \$204,000 now that Transit Maintenance costs will be charged directly to that organization to meet grant requirements. There is also a reduction of \$50,000 reflected in the Workers Compensation Account because the prior budget included funds to cover costs anticipated for a large claim.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
Emergency power Generator for Service Station	Efficiently Deliver City Services
Work orders (W/O) for 17-18 to date	Efficiently Deliver City Services
Main shop W/O to date                      1641	Efficiently Deliver City Services
Service Station W/O to date                1752	Efficiently Deliver City Services
Small Engine W/O to date                  603	Efficiently Deliver City Services
Service Truck infield W/O from 12/4/17 to date    42	Efficiently Deliver City Services
Fire Shop W/O to date                      56	Efficiently Deliver City Services
Total Work Orders to Date                      4094	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

Goal/Program	Strategic Initiative Advanced
Provide quality and timely repair and maintenance for all Divisions	Efficiently Deliver City Services
Explore what services could be out-sourced /brought in-house.	Efficiently Deliver City Services
Implementing Maintenance contract with Wichita County VFD's	Economic Development
Track downtime of all units in for repairs	Efficiently Deliver City Services
Facility Improvements and Maintenance	Efficiently Deliver City Services

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Total downtime of all units in for repairs	New measure

**Utilities Administration**  
Division Summary

**Description**

The Utilities Administration Division's provides the administrative functions necessary to support the functions of all other Water/Sewer Utility Divisions. Primary tasks involve engineering support through modeling, mapping, and plan/specification development, as well as, operational oversight of all Utility Divisions through the Operations Manager. A portion of the Director of Public Works position is also allocated to this Division.

The 2018-19 budget for Utilities Administration shows a reduction of \$16,336, or 2.18% from the prior year principally because a Civil Engineer in Training is on staff in-lieu of a fully licensed Civil Engineer until that individual receives a professional engineering license. All other accounts remain relatively unchanged from the prior year.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
Training of Instructors for Operator Development within FFA	Attract & Retain Young Voters and Graduates
Purchase classroom Books for Operator Development within FFA	Attract & Retain Young Voters and Graduates
Schedule Water Resource Committee Meetings	Provide Adequate Infrastructure
Water Loss <15%	Efficient Delivery of City Services

**Proposed FY 2018-19 Major Goals/Programs**

Goal/Program	Strategic Initiative Advanced
Submit Application to TCEQ to become Training Provider	Attract & Retain Young Voters and Graduates
Begin training H.S. Students in Water Operations (Spring 2019)	Attract & Retain Young Voters and Graduates
Revise Water Conservation & Drought Plans	Provide Adequate Infrastructure
Decrease Water Loss	Efficiently Deliver City Services
Reduce Water Use	Provide Adequate Infrastructure

**Measure/Performance Indicator**

**Utility Equipment Services**  
Summary

**Description**

Utility Equipment Services is a budget unit that was established to account for the cost of Equipment Operators and their office space that is related to the Water/Sewer Utility. At total of 12 Equipment Operator positions are accounted for in this budget unit. These support services are managed by the Street Superintendent so a portion of that salary is accounted for in this division as well.

The 2018-19 budget represents a reduction of \$10,258, or 1.11% from the prior year due to a \$36,000 reduction in equipment maintenance services charged by the Central Garage. Some of this reduction is offset, however, in Personnel Services Accounts to account for the cost-of-living and merit pay adjustments and increased contributions to the Employee Health Insurance Program.

**Water Distribution**  
Division Summary

**Description**

The Water Distribution Division is responsible for the maintenance and repair of the water mains throughout the City, tapping mains for new development, and the meter program. The water distribution system is comprised of 579 miles of water mains, 34,000+ meters, 877 Dead End Mains, 2,852 Fire Hydrants and 10,190 Valves.

The 2018-19 budget has increased by \$240,775, or 6.49% from the prior year. Much of this increase is due to the addition of two new positions and related equipment to improve the Utility Line Repair Program and utility line spotting services. Personnel Accounts include one new Heavy Equipment Operator and one additional Utility System Worker III position. Personnel Accounts also include the cost-of-living and merit pay plan adjustments and increased contributions to the Employee Health Insurance Program. Capital Accounts include \$123,000 for a backhoe, trailer and concrete breaker for the additional Heavy Equipment Operator, and \$24,500 for a pickup truck and pipe locating equipment for the USW III.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
Flush all Dead End Main's Monthly	Provide Adequate Infrastructure
Elimination of Number of Dead End Mains through Looping	Provide Adequate Infrastructure
New Work Order System Inaugurated	Efficiently Deliver City Services
iPad Work Order Infrastructure Deployed	Efficiently Deliver City Services
Geo Locate all Water Meters	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

Goal/Program	Strategic Initiative Advanced
Eliminate Viable Dead End Mains through Looping	Provide Adequate Infrastructure
Acoustic Monitoring of Metallic Mains for Leaks	Provide Adequate Infrastructure
Test meters for Accuracy	Efficiently Deliver City Services
Increase Staff to Address Line Spots and Heavy Equipment Operator Need	Efficiently Deliver City Services
Initiate Valve Exercising and Replacement Program	Efficiently Deliver City Services & Provide Adequate Infrastructure
Join 811 One Call Framework	Efficiently Deliver City Services

**Measure/Performance Indicator**

Measure/Metric	Demand/Goal	Actual FY 2017-18	Projected FY 2018-19
Confirm Meter Accuracy in all sizes	2% of all sizes annually	New measure	2%
Average System Meter Accuracy	99%	New measure	99.9%
Flush All Dead Mains Monthly	877/month	877 monthly	877 monthly
Acoustically Monitor Metallic Mains	5% of Metallic Mains	New measure	5%
Number of Main Leaks	< 650 annually	670 annually	625
Valve Exercise Program	20% Annually	New measure	2038 Annually
Infrastructure Leakage Index	<6.0%	New measure	
Equipment Availability Rate	85%	New measure	
Safety Training Hours per Employee		New measure	
Water Loss Resulting from Breaks	%	New measure

**Sewer Rehabilitation & Wastewater Collections**  
Division Summary

**Description**

The Sewer Rehabilitation and Wastewater Collections Divisions are responsible for the operation and maintenance of the sewer collection system throughout the City. The sewer collections system is comprised of 540 miles of sewer mains and associated Manholes. Collections crews perform repairs, cleaning and unblocking sewer lines and manholes that convey sewage away from residences and businesses to the Resource Recovery Facilities. The Sewer Rehabilitation crews are responsible for televising and determining the condition of the sewer infrastructure.

The 2018-19 budget for Sewer Rehabilitation has increased by \$20,872, or 4.48% from the prior year. Much of this increase is due to cost-of-living and merit pay adjustments and increased contributions to the Employee Health Insurance Plan. Additionally, Supply Accounts have increase by \$8,800 to purchase furniture and equipment for the training room at the new facility currently under construction, and to add hearing protection equipment for improved employee safety. The budget also includes \$28,000 in Capital Improvement Accounts to purchase 2 video cameras for the jet truck nozzles. These two purchases will ensure that all of the jet trucks have video jet cameras for sewer line maintenance work. Some of this increase is offset by a reduction of \$16,600 in the Central Garage Services Account.

The budget for Wastewater Collections has increased \$3,171, or 0.31% from the prior year. However, Supply Accounts show an increase of \$25,700 to purchase hearing protection equipment, body harnesses, portable generators, a calibration station, and four additional iPads to complete the field crew's automation. There is also \$12,700 and \$9,000 budgeted in Capital Improvement Accounts to purchase two new types of cleaning nozzles for larger diameter pipe and another electronic entry/exit gate for the new facility, respectively. The prior budget included \$25,000 to replace aging shoring equipment and \$7,000 for one additional SCBA system for manhole entry. Central Garage charges have also been reduced by \$10,600.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Reduced Sanitary Sewer Overflows from the Previous Year	Provide Adequate Infrastructure
Acquired JetVac Unit	Efficiently Deliver City Services
Advancing in Cityworks Work Order System	Efficiently Deliver City Services
Advancing Deployment of iPad Work Order Infrastructure	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Reduce Sanitary Sewer Overflows	Provide Adequate Infrastructure
Grease Education	Actively Communicate & Engage the Public
I'm Not a Trashcan Program	Actively Communicate & Engage the Public
New storage Facility	Efficiently Deliver City Services & Provide Adequate Infrastructure
Improve infrastructure on Holliday Creek and large diameter lines	Provide Adequate Infrastructure

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Sanitary Sewer Overflows	<25	32	30
Annual Line Cleaning	30%	30.5%	30%

**Water Source of Supply**  
Division Summary

**Description**

The Water Source of Supply Division is responsible for the management of the 3 supply lake sources; Kickapoo, Arrowhead, and Kemp/Diversion and their associated pump stations and pipelines. Three full-time employees are also accounted for in this division.

The 2018-19 budget for Water Source of Supply represents an increase of \$508,786, or 93.50% from the prior year. The budget includes \$531,800 to replace two vintage 1970 variable frequency drives for the Lake Arrowhead Raw Water Line. Additionally, there is an increase of \$20,000 in the Instrument Maintenance Account to replace two water sondes used for raw water testing, and \$12,000 is budgeted in Capital Outlay to replace an aging off-road vehicle. Some of this increase is offset, however, because the 2017-18 budget included \$50,000 to replace an aging pontoon boat.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
Repair upstream face of Lake Arrowhead Dam	Provide Adequate Infrastructure
Replace Headquarters Road Chlorine Dioxide Generators	Provide Adequate Infrastructure
Upgrade Secondary Reservoir Chlorine Dioxide Controllers	Provide Adequate Infrastructure

**Proposed FY 2018-19 Major Goals/Programs**

Goal/Program	Strategic Initiative Advanced
Replace Aging Lake Arrowhead VFD Drives & Cells	Provide Adequate Infrastructure
Taste & Odor Control Program	Efficiently Deliver City Services
Maintain Adequate Communications with WCWID#2	Efficiently Deliver City Services

**Measure/Performance Indicator**

Measure/Metric	Demand/Goal	Actual FY 2017-18	Projected FY 2018-19

**Water Purification  
Division Summary**

**Description**

The Water Purification Division is responsible for the treatment of the City's drinking water in accordance with USEPA and TCEQ rules & regulations. The Division operates and maintains 2 Water Treatment Facilities, 6 Ground Storage Tanks, 7 Elevated Storage tanks, 3 Booster Pump Stations and 4 Pressure Planes.

The 2018-19 budget for Water Purification totals \$6,229,055, which is a reduction of \$366,808, or 5.56% from the prior year. Areas of decrease include: (1) \$282,600 in Chemical Supplies due to price reductions in several chemicals and historical spending; (2) \$145,000 less spending in Capital Improvement Accounts at the plants; (3) \$53,700 in the Electricity Services Account now that a full-year of lower contractual prices will be realized; and (4) \$61,600 in the Water/Sewer Account to adjust for recent costs associated with water sludge disposal. Some of this increase is offset in other areas of the budget including: (1) an increase of approximately \$100,000 in Personnel Service Accounts to provide for a cost-of-living and merit pay plan adjustments and increased contributions to the Employee Health Insurance Program; (2) \$59,800 increase in Lab Supplies to conduct more raw water testing at Lake Arrowhead that is needed for the Indirect Potable Reuse System; (3) \$27,600 in Instrument Maintenance for a new oven and freezer at the Cypress Lab.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
Maintain Superior Water Status with TCEQ	Provide Adequate Infrastructure
Laboratory Interns from MSU (6)	Attract and Retain Young Voters and Graduates
Repaint Denver Water Tower	Provide Adequate Infrastructure
Taste & Odor Reduction	Efficiently Deliver City Services
Participate in MSU BEST Program (Interns/Tours)	Attract and Retain Young Voters and Graduates

**Proposed FY 2018-19 Major Goals/Programs**

Goal/Program	Strategic Initiative Advanced
Maintain Superior Water Status with TCEQ	Provide Adequate Infrastructure
Laboratory Intern Program with MSU	Attract and Retain Young Voters and Graduates
Water Quality Program	Efficiently Deliver City Services
Taste & Odor Program	Efficiently Deliver City Services

## Sewer Rehabilitation & Wastewater Collections

### Division Summary

#### **Description**

The Sewer Rehabilitation and Wastewater Collections Divisions are responsible for the operation and maintenance of the sewer collection system throughout the City. The sewer collections system is comprised of 540 miles of sewer mains and associated Manholes. Collections crews perform repairs, cleaning and unblocking sewer lines and manholes that convey sewage away from residences and businesses to the Resource Recovery Facilities. The Sewer Rehabilitation crews are responsible for televising and determining the condition of the sewer infrastructure.

The 2018-19 budget for Sewer Rehabilitation has increased by \$20,872, or 4.48% from the prior year. Much of this increase is due to cost-of-living and merit pay adjustments and increased contributions to the Employee Health Insurance Plan. Additionally, Supply Accounts have increase by \$8,800 to purchase furniture and equipment for the training room at the new facility currently under construction, and to add hearing protection equipment for improved employee safety. The budget also includes \$28,000 in Capital Improvement Accounts to purchase 2 video cameras for the jet truck nozzles. These two purchases will ensure that all of the jet trucks have video jet cameras for sewer line maintenance work. Some of this increase is offset by a reduction of \$16,600 in the Central Garage Services Account.

The budget for Wastewater Collections has increased \$3,171, or 0.31% from the prior year. However, Supply Accounts show an increase of \$25,700 to purchase hearing protection equipment, body harnesses, portable generators, a calibration station, and four additional iPads to complete the field crew's automation. There is also \$12,700 and \$9,000 budgeted in Capital Improvement Accounts to purchase two new types of cleaning nozzles for larger diameter pipe and another electronic entry/exit gate for the new facility, respectively. The prior budget included \$25,000 to replace aging shoring equipment and \$7,000 for one additional SCBA system for manhole entry. Central Garage charges have also been reduced by \$10,600.

#### **FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Reduced Sanitary Sewer Overflows from the Previous Year	Provide Adequate Infrastructure
Acquired JetVac Unit	Efficiently Deliver City Services
Advancing in Cityworks Work Order System	Efficiently Deliver City Services
Advancing Deployment of iPad Work Order Infrastructure	Efficiently Deliver City Services

#### **Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Reduce Sanitary Sewer Overflows	Provide Adequate Infrastructure
Grease Education	Actively Communicate & Engage the Public
I'm Not a Trashcan Program	Actively Communicate & Engage the Public
New storage Facility	Efficiently Deliver City Services & Provide Adequate Infrastructure
Improve infrastructure on Holliday Creek and large diameter lines	Provide Adequate Infrastructure

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Sanitary Sewer Overflows	<25	32	30
Annual Line Cleaning	30%	30.5%	30%
Annual Televising of system	7%	7%	7%
Annual Manhole Inspections	20%	33.12%	20%
Annual Smoke Testing	8%	4%	8%
Equipment Availability Rate	85%	New measure	
Safety Training Hours per Employee		New measure	
Distribute Public Education Literature	5000 pieces	New measure

**Water/Sewer Special Items**  
Division Summary

**Description**

The Water/Sewer Special Items budget is used to account for various expenses in the Water and Sewer Fund which do not belong to a specific division, such as separation pay, workers compensation, employee physicals, capital lease payments on the AMI System, administrative overhead costs and operating transfers to the General Fund. In addition, this budget unit accounts for \$4.5 to \$5 million for annual Budget Utilities Improvement Projects (major water/sewer line projects, lift stations, and large valve replacements, new buildings, etc.).

This budget unit totals \$10,533,278, which is an increase of \$529,517, or 5.29% from the prior year adopted budget. There are several notable reasons for this increase: (1) the 2018-19 budget includes \$385,000 in Professional Services to update the City's Sewer System Master Plan that was previously conducted in the late 1990's; (2) the budget increases by \$213,000 for administrative overhead charges and IT support services due to the addition of annual maintenance expenses paid for in the IT fund for the new AMI software program, and increases to the cost pool being allocated; (3) a \$38,000 increase in building insurance to cover several facilities at the Cypress Water Treatment Plant; and (4) \$200,000 is budgeted in Building Maintenance as the Water/Sewer Fund's share of structural improvements to the West Wing of City Hall. Some of these increases are offset by a \$280,000 reduction in Capital Improvements principally because the prior budget included \$800,000 to paint the Denver Water Tower and the 2018-19 budget only offsets a portion of that reduction with an increase for the Water Line Repair Program.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
Replace 10,000 Linear Feet of Water Mains	Provide Adequate Infrastructure
Replace 5000 Linear Feet of Sewer Lines	Provide Adequate Infrastructure
Advanced Lake Ringgold Permitting Process	Provide Adequate Infrastructure

**Proposed FY 2018-19 Major Goals/Programs**

Goal/Program	Strategic Initiative Advanced
Replace 12,800 Linear Feet of Water Mains	Provide Adequate Infrastructure
Replace 7500 Linear Feet of Sewer Mains	Provide Adequate Infrastructure
Revise Sewer Master Plan	Provide Adequate Infrastructure
Revise Water Master Plan	Provide Adequate Infrastructure
Continue Lake Ringgold Permitting Process	Provide Adequate Infrastructure

**Measure/Performance Indicator**

Measure/Metric	Demand/Goal	Actual FY 2017-18	Projected FY 2018-19
Replace 1% of Water Lines	30,571 LF	New measure	
Replace 1% of Sewer Lines	28,512 LF	New measure

## **Storm Water Drainage Improvements**

### **Summary**

#### **Description**

In 2000, the City Council authorized the establishment of a Storm Water Drainage Utility System. This system, which took effect on May 1, 2001, provides a funding mechanism for drainage improvements in the city as allowed under Chapter 402, Subchapter C of the Texas Local Government Code. The system is designed to assign a fair and equitable charge to the public for storm water drainage management services including capital improvements. The fee is based upon the impervious area of all real property, whereby each residential water customer is assessed for one Single Family Living Unit Equivalent (SFLUE), and each commercial customer pays a multiplier of the SFLUE based upon the impervious area of their property. The monthly fee for a SFLUE is \$5.00 and generates \$3.7 million annually for the operating and capital costs of this program.

The 2018-19 total expenditure budget is \$957,537, which is \$4,041,670 less than the prior year adopted budget principally because the prior year adopted budget included \$3.5 million for Phase II of the Kemp/Monroe Drainage Project, \$290,000 to replace an aged street sweeper that was needed to comply with the TCEQ's MS4 permit, and \$210,000 to replace two tractors, a flail mower, and brush hog that are used for drainage channel maintenance. Currently, the next large drainage project (Quail Creek) is under design and funds aren't yet available in this utility fund to begin that project, which is estimated to cost \$8 to \$10 million. This project is expected to be undertaken in the 2019-20 fiscal year, but may have to be separated into phases to correspond to when funding is available. The 2018-19 budget does include \$40,000 to address a small drainage issue on Fairfax.

**Sanitation**  
Division Summary

**Description**

The Sanitation Division performs the collection of residential and a majority of commercial solid waste generated in the city limits, and provides the “Choose to Reuse” program which includes an Organic Reuse Program and drop off locations to recycle glass, newspaper, aluminum and #1 and #2 plastics. The Division also oversees the operations of the City's Transfer Station where waste is deposited into larger hauling units and transported to the City's landfill. This Division oversees the operations at the landfill, which maintains a viable compost facility in which the compost is used by City Parks and Recreation and Street Divisions to maintain landscaping and promote vegetation in City parks.

**Refuse Collection:**

The budget for Refuse Collection (8175) reflects an increase of \$291,226, which is 3.26% above the prior year adopted budget. There are three principle reasons for this change: (1) the budget for Central Garage Services has increased \$307,000 because significant maintenance expenses for collection units has been required over the last year few years; (2) \$50,000 is included in the Building Maintenance Account for the Sanitation Fund's share of the structural work needed for the West Wing of City Hall; and (3) Personnel Service Accounts have increased \$88,000 to provide for the cost-of-living and merit pay adjustments, and increased contributions to the Employee Health Insurance Program. Some of this increase is offset with a reduction of \$142,000 in Capital Outlay Accounts as the prior budget included funding to replace 3 curbside and 2 alley collection units, whereas the 2018-19 budget includes funds to purchase 3 curbside unit and 1 front end collection unit at increased prices. Additionally, Supply Accounts reflect a reduction of \$64,000 as the prior budget included funds to build up some inventory for the larger dumpsters and to purchase a welder, rolling elevator ladder and steam area with awning.

**Transfer Station:**

The budget for the Transfer Station (8180) represents an increase of \$48,300, or 4.15% above the prior year adopted budget. The primary reason for this increase is reflected in Personnel Services Accounts to pay for the cost-of-living and merit pay adjustments along with increased contributions to the Employee Health Insurance Program. There is also \$5,200 included to replace two porta-cool units and Central Garage Charges have increased slightly as well.

**Landfill:**

The Landfill Budget (8185) has increased by \$550,356, which is 18.77% above the prior year adopted budget. The primary reasons for this increase are reflected in Central Garage Charges, Capital Replacements and Personnel Service Accounts. Central Garage Charges have increased \$340,000 as we continue to incur large costs associated with maintaining and fueling landfill equipment. Capital Outlay Accounts show an increase of \$191,500 from the prior year because \$245,000 is budgeted to replace a front-end loader in 2018-19, but the prior budget only included funding for portable windscreens, a pick-up truck, and a new lighting unit. Personnel accounts show the cost to provide for a cost-of-living and merit pay adjustments and increased contributions to the Employee Health Insurance Program.

**Sanitation Special Items:**

The Sanitation Special Items Budget (8190) is used to budget for set aside funding for expansion of a landfill cell that will be required in approximately 20 years. At the end of 2017-18, \$1,625,000 will be held in reserve for that project, and the \$250,000 budgeted for 2018-19 will increase that amount to \$1,875,000. It is anticipated that the cost of such a landfill expansion would be nearly \$8 million to complete. There is also \$17,000 budgeted in this organization for the Sanitation Fund's share of the cost to contract with a risk management consulting firm to provide technical expertise in Risk/Safety, Clams Advocacy, Brokerage, and Benchmarking and Analysis.

**FY 2017-18 Accomplishments**

Accomplishment	Strategic Initiative Advanced
Sanitation collected residential waste for 30,000 households twice per week timely and accurately greater than 99.99% of the time.	Efficiently Deliver City Services

The Sanitation division successfully outsourced dumpster maintenance improving inventory availability from zero to 2 to 4 of all sizes available daily. The Refuse Collection section has been able to change out, deliver or repair dumpsters within 1-day reducing delivery wait from 10 days.	Efficiently Deliver City Services
The 2-man welding crew has implemented residential alley dumpster repair routes completing all visible necessary repairs on-site along with citizen complaints. Since implementation, the crew has completed 2,376 repairs.	Efficiently Deliver City Services
The Choose to Reuse campaign continues to reach citizens to participate in the City's recycling programs by choosing to Drop it or to Curb it.	Actively Communicate and Engage the Public Efficiently Deliver City Services Enhance the WF Brand
The City diverted 12% of our waste through the Choose to Reuse program.	Efficiently Deliver City Services Enhance the WF Brand
Three Sanitation vehicles have been wrapped with the Choose to Reuse logo. Staff has actively participated in the Home and Garden and presented at several city schools and the League of Women's Voters on the City's reuse program. The Choose to Reuse Facebook page continues to be a great source of information to the public.	Actively Communicate and Engage the Public Efficiently Deliver City Services Enhance the WF Brand
The Landfill and Transfer Station were inspected by TCEQ and are in full compliance.	Efficiently Deliver City Services Provide Adequate Infrastructure
The Transfer Station successfully implemented a tire disposal service for our residential and commercial customers disposing 10,070 tires over the last year. This service has decreased illegal tire dumping throughout our City. Additionally, commercial customers have the option to pay a fee for this service providing revenue for the City and saving the local commercial disposal costs.	Actively Communicate and Engage the Public Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Implement on vehicle mobile route program to efficiently guide drivers to improve curbside route efficiency, reduce missed trash, decrease training time, decrease overtime, save fuel and improve customer communication.	Efficiently Deliver City Services Actively Communicate and Engage the Public
Continue to provide a top-notch Choose to Reuse program with easy access to drop off locations and curbside organic reuse and quality compost.	Efficiently Deliver City Services Actively Communicate & Engage the Public
Maintain full environmental compliance by operating a state leading landfill facility and transfer station.	Efficiently Deliver City Services Provide Adequate Infrastructure
Provide employees with the training and resources to work safely and the ability to continue to improve performance.	Efficiently Deliver City Services

**Engineering**  
Division Summary

**Description**

The Engineering Division develops the plans and specifications for capital improvement projects for the City. The projects improve infrastructure for the water treatment and the distribution system, wastewater treatment and collection system, drainage improvements, roadways and recreation. Additionally, the staff reviews development plans and plats and provides inspection services for the new and improved infrastructure completed within the city. The Engineering staff manages the City's infrastructure maps and maintains attributes in the GIS environment.

The 2018-19 budget for the Engineering Division represents an increase of \$114,295, or 7.75% from the prior year adopted budget. Much of this increase is attributed to the cost-of-living and step/merit pay adjustments along with rising health insurance contributions. There are also increases in the following areas: (1) \$21,350 in Maintenance of Buildings to replace the ceiling insulation that is coming loose in the Lab; (2) \$7,000 increase for bi-annual lab inspection and renewal of our nuclear license with the Texas Department of Health; and (3) approximately \$7,000 for a one-time purchase of a rock screen, sieves and portable concrete mixer. There is a reduction of \$11,000 in Capital Outlay Accounts because the prior budget included \$18,700 to replace a Total Station Survey Equipment, whereas the 2018-19 budget only includes \$7,690 for a mechanical soil compactor.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Designed and constructed multiple infrastructure projects improving utilities, drainage, streets and trails	Provide Adequate Infrastructure
Provided key floodplain information to citizens, realtors, and engineers to ensure proper protection and insurance for multiple homeowners	Actively Communicate & Engage the Public
Provided assistance with predevelopment meetings	Accelerate Economic Growth Provide Adequate Infrastructure
Provided quality and timely review of development plans and on-site inspection	Accelerate Economic Growth Provide Adequate Infrastructure

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Execute design and award of all annual budgeted infrastructure rehabilitation projects within the Fiscal Year	Provide Adequate Infrastructure
Provide accurate infrastructure mapping to reduce damaged infrastructure during construction activities within the City ROW	Provide Adequate Infrastructure
Promote development through accurate and timely design review and on-site inspection of infrastructure.	Provide Adequate Infrastructure Accelerate Economic Growth
Recruit and retain professional engineers	Attract & Retain Young Workers and Graduates

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Engineer Manning Days (5 positions)	90% (total days filled/total days)	65.2%	90%
Annual Budgeted CIP Project Bid Schedule	Average Award w/in 28 days of Schedule	13 days	28 days
Annual Street Assessment	25% of Maintained Streets	24.2%	25%
Floodplain Outreach	2 mail outs / events	2	2
Development Plan Review	New measure/under development	8 business days	7 business days

**Streets**  
Division Summary

**Description**

The Street Maintenance Division has many responsibilities including the maintenance of 540 miles of streets and 529 miles of drainage facilities within the city limits and ETJ. The responsibilities specifically include pothole repair, minor street repair, street sweeping, utility cut repair which includes clean up, backfill and finished surface, drainage maintenance which includes culverts, bridges, open channels, residential detention ponds, ditches, easements, Lake Wichita dam and Holliday Creek, Water Treatment Plant and Tower mowing and hauling water sludge, Lake Arrowhead and Kickapoo dams, lake lot roads and mowing, and response during flooding, wind damage and ice and snow.

With the exception of an increase of \$52,000 in Personnel Service Accounts for the cost-of-living and merit pay adjustments and increased health insurance contributions, the budget for this division remains relatively unchanged from the prior year. A total of \$2,445,360 continues to be budgeted for annual street repairs. However, the City is planning to expend \$17.3 million of bond proceeds over the next few years for street improvements that were approved by the voters in May 2018.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Repaired 688 utility cuts during 8 months within an average of less than 19 calendar days of receiving the hole.	Efficiently Deliver City Services Provide Adequate Infrastructure
Implemented CityWorks work order system and successfully completed over 2,650 work orders and responded to more than 440 customer calls.	Efficiently Deliver City Services Provide Adequate Infrastructure
Completed sweeping of over 3,700 curb miles improving the quality of City streets and protecting stormwater exceeding MS4 permit requirements	Efficiently Deliver City Services Provide Adequate Infrastructure
Responded during three weather events ensuring the timely clearing of priority 1 roadways and safe travel for emergency personnel and the public.	Efficiently Deliver City Services
Constructed 44 handicap ramps through the Community Development Block Grant (CDBG) program providing essential construction training to local citizens.	Efficiently Deliver City Services Provide Adequate Infrastructure
Cleaned, maintained and mowed 36 detention ponds and over 500 miles of drainage improvements to ensure the drainage system functions.	Efficiently Deliver City Services Provide Adequate Infrastructure

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Manage and repair utility cuts in a timely manner to ensure the safety of the public and protection of the City's infrastructure.	Actively Communicate & Engage the Public Provide Adequate Infrastructure
Maintain City streets by completing timely and quality pothole repair and patching as needed.	Efficiently Deliver City Services Actively Communicate & Engage the Public Provide Adequate Infrastructure
Ensure the City meets MS4 permit requirements	Provide Adequate Infrastructure
Manage the \$17.3 million bond proceeds approved for Street Improvements	Provide Adequate Infrastructure

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Close Turned Over Utility Cuts	20 calendar days	18.4 days (as of 5/8/18)	20 days
Sweep Streets (MS4 Permit)	2,000 curb miles	3,723 curb miles	2,000 curb miles
Clean and Maintain Open Drainage Channels (MS4 Permit)	30,000 LF	10,853 LF	30,000 LF
Equipment Availability Rate	85%	New measure	80%
Respond to Pothole requests	3 business days	2 business days	3 business days

**Legal Department**  
Department Summary

**Description**

The Legal Department provides effective legal representation to the Mayor and Council and City staff in the performance of their duties.

The 2018-19 budget for the Legal Department represents an increase of \$35,950, or 4.19% from the prior year. This increase is reflected in Personnel Service Accounts for the cost-of-living pay adjustment, merit pay increases, and increased contributions to the Employee Health Care Program.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
4A/Eagle Rail Car funding agreement (Phase 3)	Accelerate Economic Growth
4B/Patterson – funding agreement to renovate Brown building into apartments	Redevelop Downtown
4B/Hook & Ladder funding agreement	Redevelop Downtown
4A/Sharp Iron/Tulsa Welders economic development agreement	Accelerate Economic Growth
Legal opinion on mayoral support of local candidates	Efficiently Deliver City Services
4A/Nexstar economic development agreement	Redevelop Downtown
Assessment of permit and right-of-way usage fees	Efficiently Deliver City Services
4B Interlocal Agreement/downtown parking garage	Redevelop Downtown
SAFB \$5 million gate project (4A/DEEAG grant funds)	Efficiently Deliver City Services
Selection of new Municipal Court Prosecutor	Efficiently Deliver City Services
<b><i>Sharla Arredondo, Individually and as Personal Representative of the Estate of Daniel Arredondo v. City of Wichita Falls and Archer Western Construction, LLC; No. 185,220-C; In the 89<sup>th</sup> JDC of Wichita County, Texas.</i></b>	Efficiently Deliver City Services
<b><i>Austin Bounds v. Matthew Bailey and the City of Wichita Falls; No. 7:16-cv-00124-O; In the U.S. District Court for the Northern District of Texas; Wichita Falls Division.</i></b>	Efficiently Deliver City Services
<b><i>Stephen Holub v. City of Wichita Falls, Texas; No. 186,001-B; In the 78<sup>th</sup> JDC of Wichita County, Texas.</i></b>	Efficiently Deliver City Services
Rewrite of Subdivision Ordinance	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Initiate gang injunction on Hoova Crips	Efficiently Deliver City Services
Train new Municipal Court Prosecutor	Efficiently Deliver City Services
Finalize MPEC hotel documents	Accelerate Economic Growth

**City Clerk**  
Department Summary

**Description**

The Office of the City Clerk is responsible for a variety of legally mandated functions including documenting official actions of the City Council (minutes, ordinances, resolutions, contracts, etc.); managing and conducting all City elections; maintaining legal files on all contracts, deeds, easements, etc.; processing and issuing various licenses and permits; and maintaining ownership records on all City cemeteries. The City Clerk is also the designated Records Manager for the City of Wichita Falls and in that capacity is responsible for the complete records management program for the entire City organization. This office manages all Open Record Requests received by the City.

The 2018-19 budget for the City Clerk represents an increase of \$24,380, or 12.83% from the prior year. There is an increase reflected of \$10,961 in the Personnel Service Accounts for the cost-of-living pay adjustment, merit pay increases, increased contributions to the Employee Health Care Program, and the conversion of the Deputy City Clerk part-time position to a full time position. Slight increases are seen in the Supplies Accounts of \$1,434 and \$750 in the Services Accounts based on historical use. Also, in the Other Accounts there is an increase of \$11,150 primarily reflected in the Election Expense Account based on prior year expenses.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
Conducted November 2017 and May 2018 City elections	Efficiently Deliver City Services
Managed 800+ Open Records Requests	Efficiently Deliver City Services
Upgraded Deputy City Clerk position from part-time to full-time	Efficiently Deliver City Services
Laserfiche training for various city staff in advancement of city-wide electronic records retention effort	Efficiently Deliver City Services
Hired new City Clerk	Efficiently Deliver City Services

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Initiate multi-year records management project (paper to digital)	Efficiently Deliver City Services
Prepare for and conduct November 2018 City election – coordinate with Wichita County	Efficiently Deliver City Services
City Clerk website enhancements – Conflict Disclosures	Efficiently Deliver City Services
Initiate project to centralize all City contracts in Clerk's office	Efficiently Deliver City Services

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Advancement of multi-year records management project	33% completion	New measure	25% completion
Turn-around time for open records requests	≤10 business days	New measure	≤9 business days

**Convention and Visitors Bureau**  
Division Summary

**Description**

The CVB's mission is to ensure a wonderful experience for visitors to Wichita Falls, while also striving to positively affect the economic impact for Wichita Falls. The CVB is responsible for identifying and bidding on conventions, sports events, and miscellaneous events to select Wichita Falls as their host city. The CVB is also responsible for the promotion of travel and tourism to Wichita Falls.

**FY 2017-18 Accomplishments**

<b>Accomplishment</b>	<b>Strategic Initiative Advanced</b>
A total of 46 CVB related events took place in Wichita Falls	Efficiently deliver city services & accelerate economic growth
Operational policy updates	Efficiently delivery city services
Developed a new CVB website	Actively communicate & engage the public
Opening of the new CVB offices and retail section	Efficiently deliver city services & enhance the Wichita Falls brand
Facebook ads totaled a little over 30,000 impressions	Actively communicate & engage the public

**Proposed FY 2018-19 Major Goals/Programs**

<b>Goal/Program</b>	<b>Strategic Initiative Advanced</b>
Continue to identify and target new prospective events	Efficiently deliver city services & accelerate economic growth
Partner with DTWF and Spectra on billboard campaign	Enhance the Wichita Falls brand
Increase regional and statewide marketing	Enhance the Wichita Falls brand
Develop a referral program	Actively communicate & engage the public
Produce a CVB annual report	Actively communicate & engage the public

**Measure/Performance Indicator**

<b>Measure/Metric</b>	<b>Demand/Goal</b>	<b>Actual FY 2017-18</b>	<b>Projected FY 2018-19</b>
Grow new visitor website sessions by 2%	47,862 sessions	46,924 sessions	47,862 sessions
Identify new events and conventions on which to bid	15	10	15
