- Please call (940)761-7977 by 2:00 p.m. to have the Roll-Off dumped and returned or when you are finished with it. Calls taken after 2:00 p.m. will be scheduled for the next business day.

PAYOUT BULK SERVICE

INITIAL TRIP CHARGE: \$32.00 + LOADING FEE \$3.00/MINUTE

Residential and commercial service units may request curbside bulky waste collection service from the Sanitation Office at 940-761-7977.

All waste materials must be placed at the curb or at a location as approved by the Sanitation superintendent and at least five feet from any horizontal obstruction as well as 13.5 feet from any vertical obstruction.

Examples of waste material collected:

- (1) Bulky waste.
- (2) Home furnishing or furniture items such as chairs, tables, couches, and mattresses.
- (3) White goods or appliances such as washers, dryers, and stoves.

- White goods must be separated from other waste to allow pickup by a collection vehicle equipped with a mechanical boom and grapple. The vehicle must have safe clearance for its operation, both lateral and overhead clearance.

- (4) Construction and demolition debris such as carpet, padding, dismantled fences, sinks, and commodes.
