Hike and Bike Trail Repairs Underway

Wichita Falls, Texas – Beginning Monday, September 25, 2023, warranty repairs will begin on the Circle Trail from the Kell Blvd section to the Seymour Highway section.

Wilson Contracting will perform the warranty repair work, consisting of concrete spot repairs.

Warning signs and cones are in place in the work areas. Residents are encouraged to use caution or avoid the area until the repairs are completed.

Repairs are expected to take approximately 4 weeks to complete, weather-dependent.
