Public Library set for Summer Kick-Off

Wichita Falls, Texas- The Wichita Falls Public Library is hosting its annual Summer Reading kick-off party on Saturday, June 1, 2024, from 2:30 to 3:30 p.m., at 600 11th Street.

This year's theme is "Adventure Begins at Your Library". Celebrate reading with a race around the library, completing activities to earn a prize. Attendees will enjoy refreshments and the musical talents of DJ MF Maniac. The event is free and open to everyone in the community.

The Summer Reading Program offers exciting opportunities that help preschoolers, children, teens, and adults to keep reading and learning during June and July. As in the past, this summer's reading challenges are for all ages and community-wide. Before dropping in on the party, sign up for a free Beanstack account at wfpl.beanstack.com. Participants will earn rewards and entries for prize drawings by reading, logging minutes or books read, and submitting reviews.

Participants in the reading program will fill out a digital bingo card that involves reading, reviews, events, and adventures. It is open to all ages and all kinds of reading counts. Staff will draw for prizes to be awarded at the end of Summer Read for each age group. So fill up those squares and get that bingo! Why not go for a full blackout?

The library will also offer various programs and activities for all ages throughout each week. Information on specific library programs can be found by clicking the events tab at the library's website: wfpl.net.

Library cards are free to Wichita Falls city residents but not required to participate in Summer Reading.
